Atlanta, Ga., Nov. 3.—At 10:30 Colock to-night Clark Howell, na-thonal Democratic committeeman from Georgia, conceded the election of Taft. Mr. Howell gave the Asociated Press the following statement:

"It is a landslide for Taft. Mr. Bryan has made a wonderful camprevailing idea that business con-ditions would be adversely affected by Republican defeat. It is now up to the Republicans to make good their

pledge to restore prosperity, for to that pledge they must attribute their success more than to anything else. Mr. Taft is a big. broad, patriotic American and he will be fair and just to the South.

"As to Georgia, it is safely for Bryan by about 20,000 majority." Roosevelt Very Happy.

Washington, Nov. 3.-President Roos-velt was greatly elated to-night when he saw by the election bulletins reached , him at the White which House that the man who will succeed him to the presidency is William Howard Taft, for whose election he had striven so hard, and that the Re-publication party had achieved a sweep-ing victory. Waaring evening clothes and with a pink rose in his button-hole the President spent a short while in his office and then went back to the White House, only a hundred feet
