CONVOGATION OF CHARLOTTE.

Opening service at Annual Meeting Will Be Held To-morrow Morning at 10 o'clock. Other services on the 10th and 11th.

The opening service of the Convocation of Charlotte will be held at the Church of the Holy Comforter to-morrow morning at 10 o'clock. This service will consist of morning prayer, Holy Communion and sermon. The Rt. Rev. Joseph B. Chesbro, bishop of the Diocese of North Carolina, will be celebrant and Rev. S. R. Guillard, of St. Andrew's, Greensboro, will be preacher with Rev. E. L. Ogilby as alternant.

This meeting of the convocation is the annual gathering of the western half of the Diocese of North Carolina, whose missionary work is under the supervision of the Rev. E. A. Osborne, of this city. The convocation is divided into districts which meet quarterly, but the whole convocation assembles annually as in this case. The meeting is expected to be unusually well attended—only one clergyman so far having sent notice of his inability to attend.

In the afternoon there will be a business session and in the evening an inspiring service with good music and speakers.

The public is invited to all sessions of the convocation.

ABOUT ITS COMING.

Davidson Students Granted Half Holiday Saturday So That They Can Attend the A. M. Game and "Root" For the Red and Black.

A card from Mr. D. O. Lynch, assistant manager of the Davidson team, last night, said that with every member of the varsity team on the field, the Davidson squad had a very spirited practice yesterday afternoon, every player seeming to exert his best effort to get in trim for the great battle of Saturday. Klutznick, Elliott and Moore have just returned from the Columbia trip, having stopped at their homes returning. No one received serious injuries last week, except Wilkinson, who is suffering from an injured ankle. He was in the scrimmage Monday but did not get in yesterday afternoon for fear he might be hurt again, and be kept out of the game Saturday.

The announcement by Dr. Smith yesterday that a half holiday would be granted Saturday in order to give every student an opportunity to attend the game, was received with much enthusiasm. It is likely that at least 75 will attend the game, and Davidson's movement is on foot to have a special train come from Charlotte at 11:30 p. m.

AMUSEMENTS

"A TEXAS RANGER."

At the Academy of Music, to-morrow matinee and night, the attraction will be "A Texas Ranger," a western play dealing with life on the western plains. It is claimed to be an unusually clever melodrama of its kind, and has been pleasing capacity houses everywhere.

Seats are now on sale at Hawley's.

"THE RUNAWAYS" STILL RUNNING.

"The Runaways" is another brilliant example of the type of entertainment that has been made famous by New York Casino; but none of the other celebrated musical plays that have hailed from this rollickome temple of fun and song, has ever achieved a success in any way to be compared with that of "The Runaways." Most Casino successes hold their sway over the public fancy for a year or two, and then slip gracefully into forgetfulness. But with "The Runaways" it has been different.

Its first Casino engagement lasted for seven long months. It held upon New York playgrounds was so firm, however, that since then it has been sent back to Broadway again and again, and while other and newer musical comedies were rising and falling, "The Runaways" has held its popularity undiminished. Its success outside of New York has been equally astonishing. It is now in its sixth season on tour, and its audience everywhere are bigger and more enthusiastic than ever.

"The Runaways" will be seen at the Academy of Music, Saturday matinee and night. Sale of seats commences Thursday morning at Hawley's.

MARION BUTLER ARRESTED.

WARRANT SWORN OUT BY STATE CHIEFMAN ADAMS SERVED ON EX-SENATOR AS HE IS ON WAY TO POLLS TO VOTE—SAMPSON REPUBLICANS ARE INDIGNANT.

Special to The Observer.

Clinton, Nov. 2.—Sampson county had a sensation to-day in the arrest of its Republican demi-god, ex-Senator Marion Butler, as he was on his way from his North Carolina home at Elizabethtown to the voting precinct at Turkeys. The arrest was made by Constable Hammond upon a State warrant sworn out before a magistrate in Greensboro by Republican State Chairman Spencer E. Adams charging criminal libel. An appearance bond of \$2,000 was required, which was promptly given by Senator Butler with his brother, George E. Butler, as security.

This proceeding is but another feature of the Adams-Butler libel suit growing out of Butler's charges that Adams granted extensively while a judge of land claims in Indian Territory.

After giving bond Butler proceeded to the polls and voted. Public sentiment here without regard to political criticism, is against Adams. He has Butler arrested on election day when another day would have done as well. The Republicans of Sampson are bitter in their criticism of Adams for this attempt to humiliate their political idol.

The Tallest Actress.

This distinction belongs to Miss Irene Smith, who plays La Bebe Ex in the new Drury Lane drama. She stands 6 feet 1 1/4 inches in her stockings.

It seems somewhat incongruous that she should wear high heels, her hair brushed high over a pad and a high hat in order to give a greater impression of height. That is, however, what she does, so as to realize the description of being 8 feet 4 inches in height, in accordance with the design of the authors.

Floral Fair To-Night.

The floral fair will open to-night at 8 o'clock for supper. The decorations in artificial and fresh flowers are beautiful. Each booth is a lovely picture within itself. Children are especially invited to the "Mary, Mary Quite Contrary" Garden, where there will be fun for old and young. Richardson's Orchestra will furnish the music. All those who have promised fancy work, cake, candy, flowers and things for supper, are urged to send them before 11 o'clock to-night.

School Commissioners Minus Quantities.

A meeting of the city school commissioners was slated for last night, that being the first Tuesday in the month. Only two commissioners showed up at the appointed time, however, and no meeting was held, the two faithful brethren drifting back up town to listen to the returns. It is not known yet what time the postponed meeting will be held.

No Mixed School For Waynesville.

Special to The Observer.

Waynesville, Nov. 2.—A very unusual thing has been going on in Waynesville during the last two weeks. A white woman from the North opened a school for negroes in the eastern section of the town. The kniky heads flocked there for instruction, and it went on for about two weeks before many white people found it out. Last week The Waynesville Courier published an article about it, and at once the question became an open one. Such a storm of disapproval went up that the school had to close and the woman left. The circumstances only show that the Southern people are not yet willing to admit mixed schools or to have white women from the North to teach colored children.

Edgar Person, Star Baseball Player, Dead.

Special to The Observer.

Waynesville, Nov. 1.—Mr. Edgar Person, professional baseball player, died at his home here yesterday. He had been sick with typhoid fever for two or three weeks, but his death was not expected until a few days ago. Mr. Person has been a star player of baseball for ten years. He has been connected with various clubs in the South during that time. He was well known and respected by almost everybody. He leaves a wife and one child to mourn their loss.
