To Give Luncheon of County Home Thanksgiving Dinner.

Mrs. E. C. Register asks all who are willing to do so to send to the city hall to-morrow morning between 9 and 12 whatever they have that will make a good Thanksgiving dinner for the luncheon of the county home. The staple sort of things that they get every day is not especially desired; the unusual delicacies which distinguish Thanksgiving dinners from all others are. The things that will be especially welcomed. Mrs. Register and probably other ladies will be at the city hall to superintend the packing of the goods, which will be sent out that afternoon.

Tickling, Night Coughs can be surely and quickly loosened with a prescription Druggists are dispensing everywhere as Dr. Shoop's Cough Remedy. And it is so very different than any other cough medicine. No Opium, no Chloroform, absolutely nothing harmful or unsafe. The tender leaves of the Shoop's Cough Remedy, mountainous shrub, gives the curative properties to Dr. Shoop's Cough Remedy. These leaves have the power to calm the most distressing cough and to soothe and heal the most sensitive bronchial membranes. Mothers should for safety's sake always demand Dr. Shoop's Cough Remedy with perfect freedom be given to even the youngest child. Best if purchased and used at Mother's Pharmacy.

MR. B. B. FOSTER COMING.

New Y. M. C. A. Physical Director Expected to Arrive To-Night—Reception Planned For Thursday Evening—Something of Mr. Foster's Record.

This evening Mr. B. B. Foster, of Brooklyn, N. Y., will arrive to take charge of the gymnastics and athletics of the local Young Men's Christian Association. Thursday night an entertainment and reception for Mr. Foster has been arranged which will afford the men of the association membership and interested friends an opportunity of meeting Mr. Foster.

Mr. Foster is the best prepared young man for the local physical directorship that the association has yet secured. He comes at an opportune time and large results are expected of him.

A word may not be amiss about Mr. Foster's preparation and qualifications for the office which he will fill in this city. He was connected for three and one-half years with the Continental Fire Insurance Company, of New York City, in its home office, thus giving him the necessary business experience. At this time he also served on the leader's corps of the Brooklyn association under the capable leadership of Dr. Flaher, who was heard here recently in a series of addresses on physical culture. Mr. Foster then gave up his business position and took a three years' course at the Springfield, Mass., Training School for Physical Directors, graduating June, 1907. He then went back to his home town, Brooklyn, taking the position of associate physical director of the Brooklyn Young Men's Christian Association, and was holding this position at the time he was called to take charge of the local gymnasium about a month ago. His delay in coming to Charlotte is because of the necessity of holding his position in Brooklyn until a successor could be secured.

Mr. Foster holds a license from the New York board of education as "Teacher of Gymnastics and Athletics" for playgrounds and taught during the season of 1906. Later he was given a license by the board of education of New York City as "principal of vacation playgrounds," and served as same during the season of 1907.

He has served as associate physical director of the Brooklyn Central Young Men's Christian Association for several months more than a year. This association has upwards of 3,000 members and Mr. Foster is trained in dealing with large numbers of men.

His coming to Charlotte is anxiously awaited by large numbers of men and boys who are expecting to be trained in best known methods of body-building.

BIG SALE OF LAND.

Nearly Three Thousand Acres of South Carolina Soil "Cut to Suit Your Taste."

Mr. J. Edgar Poag, the well-known real estate man of Rock Hill, S. C., was in the city yesterday on business connected with the big auction sale of 2,892 acres of fine farm land, located in Chesterfield county, S. C., divided into 49 tracts. This will be sold to the highest bidder without limit in front of the county court house in this city Tuesday, December 1st. The hour is 10:30 o'clock.

This promises to be one of the most important sales of the sort which has occurred here in recent months. Half of the purchase price will be required when the auctioneer knocks down the property to the purchaser and the other half will be required when the deed is drawn up and formally transferring title. The lands comprised in this large acreage, as stated elsewhere, is fairly level and is especially adapted to the raising of vegetables, fruits, berries, cotton and the like.

The sale is being energetically pushed by Mr. Poag and this fact is sufficient in itself to assure the success of the project. It is expected that a crowd will be here on the day set for the sale to participate in it.

MR. REID IN COMING SHOW.

Mr. Clarence Reid, former Charlotte Singer, Will Appear in "The Girl Question."

Mr. Clarence Reid, formerly one of the most popular of Charlotte's classic musicians, singing in church choirs and local operas, is with "The Girl Question," the musical comedy which comes here Friday night, and which has occurred in the sensation of the season of its kind. A Charlotte man who witnessed the show in Atlanta last week in praise of the performance. Manager Crovo expects a record house on the occasion.

The New Y. M. C. A. Swimming Pool Ready For Service.

The splendid swimming pool of the new Young Men's Christian Association Building was opened last night and thoroughly enjoyed by about three score members. Doubtless today many more will avail themselves of the opportunity to take a swim. The pool, when filled with water is a most beautiful green color and one can see the bricks at the very bottom. The pool is 20-foot wide by 48 feet long and ranges in depth from 4 to 7 feet, and contains 24,000 gallons of water. The temperature of the water is kept at 86 degrees.

Nowhere in the country can a finer pool be found with so simple provision for heating the water to the proper temperature. This feature will doubtless prove one of the most attractive features of the Young Men's Christian Association physical department.

Had an Inordinate Love of Work.

"Nine-tenths of the negro men in town have got a mark, a scar of cut or bruise, somewhere about their arms or heads," said Chief T. M. Christian, surveyor, in the discussion of the identification of criminals came up. "And this fact is invaluable in determining whether or not you have the right man. That's the advantage of scrutinizing closely every man who comes through court. Now there's the negro, John Dodd, with a scar on his left arm where he cut himself one time while on the range in order to keep from working. He came blamed near cutting his hand off."

Rheumatism

This is often a disease of the blood, though not always. It attacks usually the joints and tissue and causes a deposit of uric acid. In its acute stage it is one of much pain and suffering, sometimes affecting a large part or even all the body. When near the heart it is dangerous to life. We are thankful to say there is a proper treatment—Dr. King's Sarsaparilla—internally, to eradicate the poison from the blood. Dr. King's Nerve and Bone Liniment—externally, to give life to the stiffened, painful joints and limbs. Sold by Burwell-Dunn, Retail, Stars.

Buying Clothes Mr. Man?

It is time to buy them. Don't delay. Don't hesitate. Don't wait. You will run no chances in your haste. We know what good materials, good style, good work, good fit are—learned all about them by the sometimes rocky road of experience.

We have been getting ready for fifteen years to sell you your clothing—don't you think we ought to be letter perfect by this time? Your suit of overcoat will be well and safely bought here. To-day is a good time to make your selections.

Suits \$20.00 to \$40.00 Overcoats \$20.00 to \$40.00.

THE TATE-BROWN COMPANY

Held on Charge of Theft of Ring.

Jess Thomas, the negro boy who was arrested Saturday on another charge, but was held to answer the accusation of the theft of a ring from Dr. L. B. Newell, which was found in his cell, was bound over by the recorder yesterday morning. The recovery of the ring was a peculiar occurrence, as Dr. Newell had never missed it. The boy was a former employee of his place.

Colds Colds

Ask your doctor if Ayer's Cherry Pectoral is not just the right medicine for such cases. He knows all about it. Then follow his advice. Cold after cold, cough after cough. One cold no sooner cured than another one comes. It's a bad habit, this taking-cold habit. What you want is a medicine that will break up this habit, heal inflamed membranes, and strengthen weak tissues.
