

STARTING IN

WEST POINTERS WIN BY NARROW MARGIN

In One of the Most Exciting Football Games Ever Played in the History of the Game, the Army Vanquished the Navy This Afternoon by the Small and Narrow Score of 6 to 4—a Touchdown and Goal Against a Goal from the Field. Thirty thousand persons saw the husky contest from the Hudson conquer the sturdy midshipmen from the Severn in a contest that never lagged. The naval boys were fairly overwhelmed with the power shown by the West Point cadets. The Annapolis boys entered the game practically sure of victory, while the West Point cadets only hoped to win.

THE ARMY'S VICTORY WAS DUE MORE TO A MISJUDGED PUNT BY ONE OF THE NAVY'S BACKS THAN TO THE GOOD WORK OF THE TEAM AND LOST NO OPPORTUNITY IN MAKING THE SCORE. THE NAVY'S FOUR POINTS WERE SCORED BY THE

BOTH PLAY KICKING GAME.

The teams were as evenly matched as possible. The defensive playing of both teams was so powerful, that neither team could make much impression on the opponents' line and in consequence they both played a kicking game. There was more punting than has been seen in any football game in the history of the game. The crowd witnessed the fray. Nearly everybody carried either the black, gold and gray of the army or the blue and gold of the navy. On the south stand, the army side, Secretary of War Wright entertained a large party, among them being Representative and Mrs. Longworth, in two boxes at midfield, while directly opposite on the navy side, Acting Secretary of the Navy Newberry had a large party of guests. Assistant Secretary of War Oliver had a box adjoining that of Secretary Wright. On either side were the hall and balcony, and other army officers. Prominent society people of Philadelphia, New York, and other Eastern cities, were also in attendance.

THE ARMY'S TOUCHDOWN.

All the scoring was done in the early part of the first half of the game. The army kicked off and the navy returned the ball after only ten yards. The West Point boys then tried the line for no gain and Greble punted. Lange, the sterling little navy quarter-back, came across the field at good speed to kick the punt and he overtook the ball which struck the ground behind him at the 40 yard line. Quick as a flash Chamberlain, for the army, who had dashed down the field to tackle Lange, picked up the bouncing ball and darted away for the goal line. There was no one near him but Lange. But Lange in a thrilling chase went after the army man. The quarter-back gained on him, and just as Chamberlain was crossing the ten yard line, Lange caught him and brought him down hard on the five yard line. Dean was given the ball and played to the crouching army men for a good gain, leaving only a few inches between the ball and a touchdown. Again entrusted with the pigskin he was jammed the field for the score. Dean also kicked the goal which was a difficult one.

LANGE MAKES FIELD GOAL.

Securing the ball on an exchange of kicks it was worked by good line bucking to the army's 27 yard line, where it was kicked by Lange and lost. The army immediately punted out of danger, but the navy came back with a fine exhibition of offensive playing. Unerringly and consistently the ball was carried forward by Lange, who ran 20 yards, by Clay and more often by Richardson, until it was inside the 10 yard line. Here the army brass and the navy boys yards to gain to make the first down, the navy decided to try a field goal which proved easy for Lange from the 15 yard line.

REMAINDER OF THE GAME.

Because of this fine work by the navy the "middles" in the stand sang "Oh, it looks to me like a big navy day." During the remainder of the half both teams played hard to get within striking distance of the opponents' goal. In the first half of the second period of play the ball was always in the navy territory. Annapolis would try the line and then kick to midfield. West Point would also try to advance the ball by line plunging and then return the kick. Finally the navy lost the ball on an onside kick, Lange making a pretty scoop and run of fifteen yards to his own 35 yard mark. He followed this up with a 20 yard run to midfield and then the tide of battle turned to the army's side of the field. At this period of the game the only successful forward pass was made. The ball was tossed by Lange and the play gained only ten yards. The navy then began to play desperately to get within striking distance to kick a field goal and top the West Point score, but the army continued to kick the ball away from danger. Thus the contest went until field judge Marshall declared the game at an end.

MASTERPIECE WINS THE ALL-AGE STAKE

Continental Field Trial Club's All-Age Stake Completed Yesterday at Barber Junction—Tonopah Comes in a Good Second and is Thought by Some to Have Given a More Consistent Exhibition. Trials of the Pointer Club of America to Begin To-Morrow at the Same Place.

BY TODD RUSSELL.

Special to The Observer. Barber, Nov. 28.—The Continental Field Trial Club's all-age stake was finished to-day, after a week's running where many very high-class dogs were shown. When the time came for announcing the decision no one envied the judges and yet the consensus of opinion was with them.

The first brace down was Giltedge with Mastodon, a King Wadsworth who ran a good race yesterday, was ill with acute indigestion and so was unfit to start and this changed the order of the second series. Giltedge ran a good race and was always out in his string, was a splendid bird dog, badly at the end, but is a nice going dog. They found no birds.

Navajo and Ransom Tony started next and Tony did not confirm his promise of yesterday. Navajo found two birds and is a splendid bird dog. The next brace was Pride of Whitestone and Rodies Lit. Lit flushed a bevy and chased. Pride was out of sight most of the time in a good count.

Rod Warfield ran alone and was not as good as he was yesterday. He pointed several times where no birds could be raised, and was not going very well at the finish. This dog was handled by Garr and most of the dogs in his string. He is a splendid dog, but has had some trouble for the last few days and has been out of form.

This completed the second series, and after luncheon Dr. Atkins announced the decisions, placing Mastodon first, Tonopah second, Giltedge third, and Navajo fourth. The respective handlers were: Garr, Bishop, and Edwards. There is no questioning the merits of this first dog, except between the two first dogs. On the whole it seemed that Tonopah gave a more consistent exhibition of high-class work in both his heats than did Mastopie, though the latter dog out-birded him in the second series and was magnificently handled. Garr never losing a chance. The trials have been very successful, the attendance large and the enthusiasm great.

The Pointer Club of America stakes promise good sport next week and extra enthusiasm will be added by the winning of Mastopie to the Continental over may of the best setters in the country.

Those who registered at the Thistle during the trials were: Leonard Tuttle, Philadelphia; Russell Perkins, Pomfret, Conn.; E. H. Osthau, Toledo, O.; A. C. Bostwick, New York; W. F. Bryce, New York; William Hammond, New York; M. E. McMichael, Enid, Okla.; J. F. Stewart, Newton, N. C.; Peterson, Homestead, Pa.; Frank Schuyler, Salisbury, Md.; Armstrong, George, Teach, Thiers, Leach, High Point; Irving Hoagland, Udo Fleischman, New York; J. F. McPherson, Jellico, Tenn.; M. E. Etter, Mohawk, Tenn.; G. W. Hinshaw, K. C., Crawford, Mo.; New York, H. E. Atty, Salem; Tom Edwards, Conover; John Gude, Bruceville, Ind.; Jake Bishop, Rutherford, Ala.; Ed Garr, Louisville, Ky.; William Elliot, Cortland, Ala.; C. H. Babcock, Winnepeg, Manitoba; G. P. Parsons, New York; H. E. Atty, New York; E. Crawford, Wilson; R. B. Morrison, J. P. Austell, Shelby; William P. Pachman, Baltimore; J. A. Conover, Raleigh, and Todd Russell, New York.

The club meetings were very enthusiastic and many questions bearing on the good of the bird dogs were discussed. This is the oldest and most prominent club now holding trials in this section and its standards are very high. The club as a whole feels highly pleased with the highly successful running of this annual stake and in the future is confident of helping to produce good bird dogs and fine sport.

The next trials of the club will be held at about the same time next year.

For the Roosevelt Exodus, Thanks, Houston Post.

While the Lord has not blessed us as much as we could wish in the matter of his becoming a President, his name before, in framing up an outgoing function, has done quite so well as the Roosevelt exodus.
