The popular idea of the effect of deadly poisons is that a person who takes poison into the system will be a corpse within a few moments, un

A case of this nature was recently reported by Mr. C. C. Borgres, who makes his home in Birmingham, Ala and who tells an interesting story on his unfortunate condition, and o the manner in which he was saved, in the following words.

Mrs. S. W. Beattle, 807 East Ninth Street, Charlotte, N. C., says 'Since used Doan's Kidney Pills several years ago I have had no trouble from disordered kigneys and I am only too pleased to confirm my former statement in favor of this remedy. I suffered for years from backache and though I used remedy after remedy, could find nothing to re-lieve me. Seeing an advertisement about Doan's Kidney Pills, I decided that they might help me and, pro-curing a box from R. H. Jordan & Co's drug store, began their use. After I had taken the contents of several boxes I was so much lieved that I stopped using them and for more than a year was free from my trouble. At the end of that time I again had an attack of backache, but resorting to Doan's Kidney Pills I was quickly cured as
