Ready to Forego All "Glory and Salary" in Order to Get Place-Slight Changes Made in Rules-Sid Smith Goes Back to Atlanta.

Chicago, Feb. 17 .- President Harry Pulliam, of the National League, made it plain to-day between the assaions the club owners represented in the organization of which he is the offi cial head, that he was willing to fore go the glory and salary attached his position in order to save himsel WOITT.

In substance the National Lesgue president declared that he was ! of warfare and after leaving for Tall fornia next Monday he would not surprised to hear that he had been deposed by those in the league which claims are antagonistic to his ad ministration of a mief executive

Said Fresident Pulliam The job is a thankless one for the

most part and the friction that one has to contend with is not worth the trouble

President National Baseball League is Voting Contest Conducted by Evening Will Be Double Funeral at Jefferson. HAVE JOINED HANDS FOR STUDY

Many of the Terrors That Exist To-Day, While Health of Those Now Living is Neglected. Science and charity are waging an endless battle in an effort to prolong have endowed institutions with millions for the study of special diseases; cheritable individuals and organizations have erected hospitals and sanitariums for victims of consumption. the terrible white plague, from all of which posterity will no doubt reap great benefit, but the present generation can expect but little aid from this source.

it has remained for Col. Frank A. Dillingham, a lifelong student of human ills and their remadics, to devote himself to the discovery of a remedy for the ordinary ills of today. In this particular field of en-deavor, Colonel Dillingham has met with marked success, and has earned the gratitude of thousands of men and women who have been restored to health through the use of Dillingnam's Plant Juice remedies: and it is a real pleasure to them to record their feelings of thankfulness, as expressed by a resident of Charlotte the following statement made 10

Colone) Dillingham's representative "I w'I probably live to praise "I will probably live to praise This is often a disease of the picon. Colonel Dillingham and the Plant though not always. It attacks usuajremedies for many years to ome, although a few weeks ago I was thought to be beyond all hope, deposit of uric acid. In its acute i was a victim of liver complaint, stage it is one of much pain and and cared but little for the spark of life that remained. small Life had no attractiveness for me: I was depressed in spirit, and suffered great Laln. The action of my heart rregular. I suffered with a headache ontinually, had a coated tongue, and bitter taste in my mouth, and my parilla-internally, to eradicate the sleep was irregular and restless; my poison from the blood. Dr. King's urine caused a burning pain in its Nerve and Bone Liniment-external-passage, and deposited a sediment in the vessel: in the lutter stage of the ly, to give life to the stiffened, painlisease, my stomach and involved, and ALGS DR became **HW** 

ppetite gradually left me. This was appetite gradually left me. This was iny condition when I read of Col. F. A. Dillingham and his Plant Juice remedies, and decided to give this medicine a trial, which I did after learning that Plant Juice was guaran-teed to do all that was claimed for the mean taking my fifth bottle t. I am now taking my fifth bottle if this wonderful preparation, and can truthfully say that every trace of the disease hus left me. The powerful natural action of this mediine in the treatment of liver troubles s truly marvelous, and I gladly join the ranks of those who know it to he the greatest medicine over offered for the relief of man."

This is the kind of convincing proof ust accounts for the great demand hat or Plant Juice at W L. Hand & to's, where the remedies are on sale The fame of this great medicine has sprend throughout this section, and has resulted in the receipt of a large number of orders by mail, which are given prompt attention by W. L. Hand & Co., and each of these orders carries with it the same guarantee that the money will be refunded if Plant Juice does not do all that h claimed for it, on the presentation of the unused portion of the bottle.
