Small out see him in his place and you find one with a residu per he if in iting of news or the writing of ing article. He went to Richmond last night.

Fifty Cents a Month

A small bottle of Scott's

Emulsion costing fifty cents will

last a baby a month-a few drops

in its bottle each time it is fed.

That's a small outlay for so large

a return of health and comfort.

Scott's Emulsion

quickly respond to its helpful

action. It seems to contain just

the elements of nourishment a

Ordinary food frequently lacks

this nourishment; Scott's
