Never Give up the Ship When You Can Get Mrs. Joe Person's Remedy

Greensboro, N. C., Jan. 29, 1906. 637 Ashbore St Last August my husband, who is a railroad men, was badly hurt by having a severe blow on the head, caused by a piece of iron falling on it. In a few days he suffered badly from dizziness, and he was not able to walk across the room. Then nauses set in, and he vomited everything he would eat. We became very uneasy about him, as the doctors rould not define the nature of his hurt. His whole system became involved from his condition, the doctors treatment gas, his wall and the condition of the condition. tors trestment gave him no relief and one of the physicians advised an operation. He discharged a great deal of blood from his nose and would frequently vomit blood, but one of the doctors said that came from his stomach and not from the hurt. Then one of my friends, who had unone of my friends, who had un-bounded faith in Mrs. Joe Person's Remedy, begged me to use it. My husband lost his flesh and was greathusband lost his flesh and was greatly reduced, and at that time we did
not expect him to live long. We got
Mrs. Person's Remedy and put him
on it and in twenty-four hours we
could see a change for the better.
The varieties of blood cassed, which ventiting of blood ceased, which made us hopeful. We continued to use the Remody and it made a per-
