WATER NEEDED IN DECWORTH.

Board of Public Safety Recommends the Extension of the Water Mains to the City's Thriving Southern Suburb.

The board of public safety in session last night for its last time dur-ing the administration, passed a resolution giving it as the sense of the members that the water mains should be extended to Dilworth as soon as possible to the end that the citizens in that section of the city could have better fire protection. This was realy the most important recommendation made by the board, its only oth-er duties being merely routine. The report of the fire department

or the month of March showed that there had been ten fires with a total insurance loss of \$4.127. The value of buildings at risk amounted to \$108,800 and of the contents at risk, \$31,050, making a total of \$139,950. The total insurance at risk was \$90,

The report from the police depart-ment showed that 214 arrests had been made during the month and a total of \$1,158.78 had been collected in fines and costs.

With Kuester-Pharr Company. Mr. Charles H. Williamson has accepted a position with the Kuester-Pharr Company, of this city, as traveling salesman and will commence his duties at once. Mr. Williamson was for a number of years connected with the Brown-Williamson Tobacco Company, of Winston-Salem, and has hosts of friends throughout this section. Few more engaging and pop-ular traveling men work in this ter-ritory. The Kuester-Pharr Company is to be congratulated.
