AMUSEMENTS

LOUIS JAMES COMING. Since the announcement was made that Louis James had secured the Richard Mansfield manuscript, 'Peer Gynt,' of Henrik Ibsen's 'Peer Gynt,' and would present the same here, the sale of Ibsen's works has been greater than at any time in the history of local bookstores.

DRESDEN PHILHARMONIC ORCHESTRA. The Dresden Philharmonic Orchestra, of 65 musicians, will give two concerts in this city, at the Academy of Music, to-morrow afternoon.

The following article appeared in The Syracuse Post Standard April 15: 'There is very little that is American about the Dresden Philharmonic Orchestra, and after its three days stay in Syracuse music lovers are inclined to believe that Mme. Nordica was right when she said: "The Dresden Orchestra is the second best in the land, Boston comes first with the Symphony, and then the Dresden."

'Henrik Willy Oisen has done remarkable work here despite the fact that he was sick most of the time. His associate, Victor His Clark, one of three Americans in the aggregation, has been acceptable in his work, and the second concert master, Harry Gilman, of Chicago, plays in fine style. It is likely that America will hear from Gilman in a big role in the group of first violins attracted attention throughout the festival. He has been studying and playing abroad since 1902, and has toured in Europe with the Dresden Orchestra. Julian Haugh, of San Francisco, is the third American in the group. He is a soloist of ability.'

NEW CEMENT SIDEWALKS.

Extensive Improvement Which Was Ordered Some Months Ago Being Completed by Celebration Date.

Work began yesterday on the extensive improvements in the fire limits which were ordered several weeks ago by the finance committee of the board of aldermen, with the approval and ratification of the aldermen. The new paving will be of cement and will necessitate the removal of the old slabs of stone which have served as sidewalks for many decades, or during that period when Charlotte was reaching out from its infancy to its day of greatness.

Under the supervision of the street committee of the board of public service, Mr. T. W. Hawkins, chairman, a large force of hands was put to work yesterday removing these slabs on the west side of South Tryon street, and the improvements will be added just as rapidly as the material can be properly laid.

The total cost of the work will bring about an expenditure of about \$10,000. The aldermen, in their wisdom, provided for this amount to go to this work when the matter was voted upon and made provision in the bond issue to take care of the work. It is believed that the improvement will be completed by the time the big May celebration comes off and will undoubtedly better the general appearance of the streets.

The new sidewalks will be placed in that part of the city known as the fire limits, which includes the territory on Tryon street from Third to Sixth streets and on Trade from the railroad to Church, as well as Church street from Fourth to Fifth, College from Fourth to Fifth, Fifth from College to Church and Fourth from College to Church.

The General Demand

of the Well-Informed of the World has always been for a simple, pleasant and efficient liquid laxative remedy of known value; a laxative which physicians could sanction for family use because its component parts are known to them to be wholesome and truly beneficial in effect, acceptable to the system and gentle, yet prompt, in action.

In supplying that demand with its excellent combination of Syrup of Figs and Elixir of Senna, the California Fig Syrup Co. proceeds along ethical lines and relies on the merits of the laxative for its remarkable success.

That is one of many reasons why Syrup of Figs and Elixir of Senna is given the preference by the Well-Informed. To get its beneficial effects always buy the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists. Price fifty cents per bottle.

SORSBY CASE COMPROMISED.

Wenceslao Aguirre Secured \$250 From Mr. W. B. Sorsby, Former Minister to Bolivia, and the Suit Alleging Malicious Prosecution is Dropped.

Rather than enter into a suit, the consequences of which he did not care to undergo, Mr. W. B. Sorsby, ex-minister to Bolivia, through his attorney, Mr. W. F. Harding, yesterday morning agreed to pay Wenceslao Aguirre, his former valet, \$250 and the costs of the proceedings if the suit alleging malicious prosecution was dropped. This Aguirre agreed to do and so the case was not called in court.

Much has been said of the trouble which this body-servant and his former master have had, and which are of domestic nature and not of public concern save as they touch the precincts of the court. From all the evidence it appears that Mr. Sorsby is suing for a divorce and that his valet has been and still is in the employ of his wife. Suspecting this state of affairs, Mr. Sorsby instituted proceedings through his attorney, Messrs. J. F. Newell and Plummer Stewart, who immediately brought a counter charge of malicious prosecution against his late employer and this was the case compromised.

Registration Books Close To-day.

The registration books for the primary election Thursday close to-day. Those who are desirous of exercising their franchise in the approaching mayoralty contest should not fail to see to it that their names are properly inscribed to-day. Nothing can be done after sunset this afternoon. The balloting Thursday, according to the order of the executive committee, will begin at 11 o'clock, and will last until 8 o'clock. The indications are that a heavy vote will be polled particularly in Wards 2 and 4, where stirring aldermanic contests augment the interest manifested in the mayoralty race.
