One of the delegates bounded over the presidential chair, grabbed the bell and rang furiously...

M. D'Asson climbed the tribune and with the Socialists shouting and singing he tried to harangue the Deputies...

Premier Clemenceau and the ministers summoned the sergeant-at-arms, who ejected M. D'Asson...

Premier Clemenceau, in a brief epigrammatic speech, coolly concluded the exciting session with the declaration that it was merely a case where France must choose between revolution on the one hand and progressive evolution on the other...

Mr. Straus backed up his assertion by official statistics from the New York health department, showing an increase of 33 per cent in two years in cases of tuberculosis in the city...

The reason for this failure to make headway, Mr. Straus declared, was the neglect of the machine wrought by the tuberculosis dairy cow...

Mrs. Joe Person, Dear Madam:— I want to say that your medicine is the best for scrofula in the whole world. My little boy had it and I tried everything else and it failed. One bottle of your medicine cured him and I can't say too much for it. I hope nobody will go without it if afflicted with scrofula. Dear friends, just try it and see for yourself. Thank the good Lord for such a good remedy in this old world.
