IN MEMORIAM. Mrs. Louisa C. Harper. Mrs. Louisa C. Harper, relict of Col. James C. Harper, of Caldwell county, died May 29, 1909, in Hickory, at the residence of her daughter, Mrs. Clinton A. Ciley, with whom she had lived since Colonel Harper's death in 1890. Mrs. Harper was born in Henderson county August 13, 1820—the daughter of Maj. Gen. A. A. McDowell and his wife Anne Gordon. She lacked a little over two months of being 89 years of age. At her mother's death when 3 years of age her step-grandfather, Col. William Davenport, and his wife took the little girl and tenderly reared her. She was sent to Salem Female Academy in 1838 and was the oldest living alumna of the school at the time of her death. She was accounted the best art scholar in the academy and excelled in piano playing; her mind was remarkably bright and of great intelligence from constant reading and thirst for information on current news of the press. She had been a devout member of the Methodist Episcopal church sixty years—and she knew in whom she trusted. Her mind was stayed on God and her desire was to depart and be with Him. Her only son, John Withrow Harper, a Lieutenant in Junior Reserve, Confederate States army, fell at Kingston at the age of 18 years. Mrs. Ciley is her only surviving child. J. H. P. Ciley, Gordon H. Ciley and J. Lenoir Ciley, her only grandchildren, with 9 great-grandchildren, mourn her loss. M. C.

Why is Sugar Sweet? If sugar did not dissolve in the mouth you could not taste the sweet. GROVE'S TASTELESS CHILL TONIC is as strong as the strongest bitter tonic, but you do not taste the bitter because the ingredients do not dissolve in the mouth, but do dissolve readily in the acids of the stomach. Is just as good for Grown People as for Children. The first and original Chilli Tonic. The Standard for 30 years. 50c.

Salley-Morrison, at Statesville. Special to The Observer. Statesville, June 3.—A number of brilliant social functions the latter part of last week and the first of this week, the approaching society social event of the week, which took place last night at the hospitable home of Mr. J. K. Morrison, on East Broad street, when his daughter, Miss May Morrison, plighted her troth with Mr. Alfred Jones Salley. The marriage, the simple, was one of the prettiest of the wedding season witnessed in Statesville, the decorations being usually elaborate and beautiful. The parlor, where the ceremony was performed, was artistically decorated in green, white and gold, the daisy idea, which had been carried out in the decorations at the preceding social event being carried out here.

Shortly before 9 o'clock the invited friends and relatives gathered in the home and were entertained by "Schubert's Serenade," sweetly sung by Mrs. Dorman Thompson, sister of the bride, who always pleases her hearers. Promptly at 9 o'clock the strains of Lohegrin's "Wedding March," played by Mrs. S. Galloway, of Greensboro, pealed out and the bridal party entered from the hall. First came the ribbon bearers—Mary Lorez Cowles and Alwyn Morrison, Ruth Morrison and Stewart Morrison—carrying large bunches of daisies and the pretty white ribbon which formed an aisle to the altar. Next came the ministers, Rev. J. H. Pressly, of the Associate Reformed church and pastor of the bride, and Rev. Harold Turner, of the Methodist church, near the groom. The groom took their positions in the beautiful altar. Following came the groom and the bride, the latter in a beautiful and simple ceremony was performed, the ring service being used. The bride was gowned in white satin with a veil, which was caught up with lily-of-the-valley, and carried a shower of bouquets of lily-of-the-valley and Bride's roses. The maid of honor wore Japanese silk and carried Marguerites. The bride never looked prettier than on this important occasion. Following the ceremony an informal reception was held and the bridal pair received the hearty congratulations of those present. At 10 o'clock the bridal party drove to the railway station and Mr. and Mrs. Salley boarded No. 35, amid showers of rice and good wishes. They will spend their honeymoon at Lake Toxaway.

Mr. and Mrs. Salley are a popular young couple whose many friends wish them all the happiness of the new relation. The bride is a daughter of Mr. J. K. Morrison, one of the town's most prominent business men, and is an attractive young woman of worth. The many social functions given in her honor attest her popularity. Mr. Salley is a son of Mrs. E. MACHINIST STRIKE EXTENDS.

Many of the Baltimore & Ohio Railroad Shops Are Alleged by the Strikers to Be Tied Up—Road Says Only About 25 per Cent. of the Men Have Quit Work. Baltimore, June 3.—The strike of the machinists and their helpers in the Baltimore & Ohio Railroad shops, originating in the Mt. Clare shops, this city, as a protest against the introduction of the piece work system in the erecting department, has now extended to the shops at Cumberland, Grafton, Fairmont, Parkersburg, (Ohio river division shops.) Connellsville, Glenwood, New Castle Junction, Pa.; Cleveland, Newark, Chicago Junction, Ohio and Garrett, Ind., and the men say to other shops.

At the railroad company's offices here to-night it was stated that in the shops named, 48 men have quit work and that 218 remain. The statement was also made that of the total number of machinists, helpers and apprentices employed by the road in the affected district, only about 25 per cent. of the men have stopped work. This differs materially from reports "to the effect" at the headquarters of the strikers in this city, where it was said to-night that up to 6 p. m., telegrams from points along the road show that 85 per cent. of the men have quit work.

Heavy Rains Delay Farm Operations. Special to The Observer. Davidson, June 3.—The very heavy rain that has fallen from time to time throughout the day is not at all to the farmers' liking, certainly it was not desired by those who are still behind in corn planting. For the reason and another much replanting of corn and cotton has been necessary this spring. Complaint is quite general of poor stands of cotton. The flood rains two weeks ago did great damage in packing the soil so that sprouts have been unable to shoot out and get a start before the heavy crust that consequently formed shut them in for good and all. All in all the crop has not made a good or early start in this section, and the excess of moisture, or rather the coming of soaking, not to say washing rains to-day will hardly improve things though showers would have been highly beneficial to many farmers. Bottom lands have not yet been planted to corn in a number of instances and now there is another delay of a week or ten days.

Wilmington Druggist Assigns. Special to The Observer. Wilmington, June 3.—Theodore Schutt, doing business as Schutt's Pharmacy, corner of Second and Prince streets, yesterday made an assignment for the benefit of his creditors. Tuscaloosa, Ala., June 3.—Night superintendent John Snyder, of South Pittsburg, Tenn., was drowned at Lock No. 18 in the Vicksburg river near here this afternoon and his negro freeman, Ramsey Jones, narrowly escaped the same fate. Young Woman Finds Relief After Years of Suffering

Marvelous Cure by Andes' Great Medicines Being Repeated Every Day—Sales Continue Larger Than Ever—Demand Startling Drug-gists in State.

With continuous and sustained demand that is startling the druggists and dealers in many sections of the State the unprecedented sales of Andes' famous remedies continue to increase each day, success unparalleled having already been recorded in the Charlotte campaign, both in point of sales and in cures accomplished. While the continuous stream of purchasers and patrons at the local retail agency, Hamilton-Martin Drug Co., "on the square," was broken yesterday by the heavy downpour of rain, the wholesale and mail order departments were unusually busy, even for this section, and much progress was shown in the introduction of Andes' Great Prescription Oil, Soap and Salve to the dealers and the people of North Carolina. The rain also compelled the postponement of the free entertainments on Brevard street, North Charlotte, but the puzzle contest displays unabated interest and the special offers, (three bottles of Prescription for \$2.50 and three bottles of Oil for \$1.25), are bringing mail orders from every section of the State and adjoining States.

AMUSEMENTS.

SUMMER THEATRE OPENS. The management of the summer theatre at Latta Park take pleasure in announcing to the theatre-going public of this city that on next Monday night, June 7, the summer theatrical season at this popular amusement place, will be informally opened. For the opening week, the management has secured the eminently successful comedian, Mr. James B. Mackie, in a grand revival of that bright, tuneful, musical farce comedy, "Grimes' Cellar Door," which was especially written for him, and has proven the best vehicle that this clever comedian has ever had.

This happy diversity is brimful of funny situations, bright comedy and catchy music and will be produced here on a more complete scale than ever before. Mr. Mackie is surrounded by a large company of well-known players, and his engagement in this city will doubtless prove the biggest treat that the theatre-goers of Charlotte have ever had during the summer months.

Seats are selling rapidly at Hawley's and a crowded house will be on hand when the curtain is rung up on the first performance next Monday.

TRANSIT STRIKE NEAR END.

Those Having Settlement in Charge Contend That Settlement Will Be Reached in Twenty-Four Hours. Philadelphia, June 3.—The strike of the motormen and conductors of the Philadelphia Rapid Transit Company, which began on last Saturday morning, is now in the process of settlement, and those having the matter in charge confidently assert that it will be brought to a close in 24 hours. Serious rioting, which started last night, was renewed to-day in various sections of the city. Most of these disturbances occurred at the noon hour, when workers amused themselves by throwing bricks and other missiles at passing motormen and conductors. For the first time since the strike began, a number of the motormen understood, were some deserted their posts and joined the strikers. This line, however, continued in operation all day. Cars on the other lines of the company ran at intervals until nightfall, when no further attempt was made to continue the service.

Influential political leaders to-day bent all their energies towards a settlement. Senator McNichol, the recognized Republican leader, and Senator Vard, who controls the downtown section, announced that they sympathized with the men and were trying to bring the strike to an end. Senator McNichol submitted to the company the demands of the men. That it is understood, were somewhat modified. Twenty-two cents an hour, instead of 25 cents, originally asked by the men, is said to be one of the new demands. These demands when submitted to the transit company, according to Senator McNichol, assented to with some slight modifications. The modified agreement was returned to the men, who will make their final answer to-morrow.

Heavy Rains Doing Serious Damage in Spartanburg. Special to The Observer. Spartanburg, S. C., Nesbitts Mill, on Tyger river, was badly damaged last night by the dam breaking, the water rushing under the mill and undermining a portion of the foundation. The rainfall in this county has been very heavy, the precipitation being 3.50 inches. All streams in the county are rising rapidly, some of the smaller ones having overflowed their banks. Lands have been badly washed and crops seriously damaged.

Wilmington Has 37 Near-Beer Joints. Special to The Observer. Wilmington, June 3.—With three days of the month gone, 37 near-beer dealers have taken out the license of \$40 per year required by the State and county and about the same number have paid to Senator McNichol in advance for the privilege of doing business. The police complain of much trouble with these near-beer depots and say that much of the real article is being dispensed in some of the places from bottles which bear no label. There is an ordinance now pending before the board of aldermen requiring all bottled goods containing over half of one per cent. alcohol to bear a label, stating clearly the percentage of alcohol, but it is not known whether this will pass.

When you buy Lard you get more than you bargain for—It's heavier in your stomach than on the scales. Lard is a foe to digestion. If you had the stomach of an ostrich you could hardly withstand the ravages of lard-soaked pastry. You have probably found this out and already given up the eating of pastry. 'Tis wholly unnecessary! Any one can eat and digest food cooked with Cottole, the perfect shortening. It is a pure vegetable product, made from the choicest refined vegetable oil. When you buy lard you have no protection as to quality—you simply know you are getting LARD—never mind the grade, it's just L.A.R.D. On the other hand, every pail of Cottole is uniform—the product is guaranteed. You take no chances whatever. In the face of these facts just ask yourself if you can afford to use hog lard when you can get pure, healthful, nutritious Cottole.

S.S.S. PURELY VEGETABLE. The absolute vegetable purity of S.S.S. has always been strongest points in its favor, and is one of the principal reasons the most widely known and universally used of all blood purifiers. Not so with S.S.S.—it is the greatest of all blood purifiers at the same time is an absolutely safe and harmless remedy, entirely of the healing and cleansing extracts and juices of plants and barks, each of which is in daily use in some form by the best medical practice. Years of work and research have proven S.S.S. to be everything necessary to purify the blood and at the same time to system with the purest and best tonic effects.
