TWO THOUSAND EXPECTED. State Confederate Veterans Planning For a Royal Time in Charlotte on the 25th and 26th of August. The most important event of its

sort scheduled for the month of August in Charlotte will be the annual assembling of the Tar Heel Confederate veterans for their regular reunon. About 2,000 soldiers who wore the gray and fought beneath the inspiring folds of the handsome stars and bars are expected to pitch their tents within the borders of this town to make camp here for the space of two days. The executive committee at its meeting the latter part of last week accepted the cordial invitation which Charlotte extended and settled the question definitely.

Mr. J. H. Van Ness is chairman and Dr. J. B. Alexander, Messrs, J. R. Al- it. Messrs, Z. T. Smith and J. F. Mosteller are the other committeemen on arrangements representing Mecklenburg Camp of Veterans. whose members from the start have been enthusiastic over the idea of playing the role of hosts to their one-time brethren in the midst of what Sherman is alleged to have said was not

heaven. August 25 and 26 are the appointed days, these failing on Wednesday and Thursday. A parade early in the morning of the second day before the sun has attained near the meridian, followed by a harbecue will be among the happenings incident to the coming together. The whole affair will be very picturesque. There will be addresses by persons from differ-ent sections of the State who have been associated with the cause of the Confederacy or of the South or are in deep sympathy with these.
