Doubts as to Cause of Death of Chero-kee Indian. Correspondence of The Observer.

Asheville, July 25 .- An Indian. known as Joe Saunocks, who was brought here and placed in the Mishospital one day last week suffering from an injury in the head and a wound under the left ear, died yesterday. It is alleged that the Indian sustained the injuries while at work on railroad construction in Haywood county. He was from the Cherokee reservation in this State and the body which has been prepared for burial by a local undertaking firm, will be sent there for burial. Just how the Indian sustained the injuries that caused his death is not known here. It is a fact, however, that there was severe wound on top of the head. which caused a fracture of the skull and likewise a smooth cut place onder the left ear, the ear being partially severed.

Fortune-Teller Locates Stolen Money While Strong Arm of the Law is at Loss as to Where to Turn. Special to The Observer.

Elizabeth City, July 26.—Through the means of Chief of Police Thomas and a "fortune-teller" old aunt Harriett Griffin, nee Fearing, has recovered the \$980, which was stolen from her home Sunday morning. Aunt Harriett is now praising the wonderful talent of the fortune-teller and is feeling in the best of spiritsquite a contrast from her feelings when she discovered that her roll of nearly a thousand dollars was not in its accustomed place. As soon as the theft was reported, Chief of Police Thomas immediately began work upon the case. His investigations pointed to only one person and that person was the latest husband of the aged woman. It seems that

when Aunt Harriett went to church Sunday morning, she left her husband in charge. There were several callers and suspicion was cast upon the visitors. However, it was proved that the callers did not get inside the house and were not there at any time when the "old man" was not in. Being put through an examination, the old man told the officer that he would look for the money and it might possibly be found, although he. of course, knew nothing of its whereabouts. Chief Thomas left him with instructions for the old man to find that money before 12 o'clock yester-However, when the officer returned to the house, it was found that the old man had not recovered the stolen money, but that Aunt Harriett had gone to consult a fortuneteller in the neighborhood, whom the old man had recommended for the case. Our usual July disbursement will take place promptly on time. Our 45th series will mature with the payment Saturday, July 15th, and we will commence paying it off the following Tuesday.

The series has 1,193 shares, which means we will pay our shareholders \$119,300.00, made up as follows, viz:

Canceled mortgages . . . . . . . . . \$ 48,560.00 Free shares ..... 70,740.00

Total .....\$119,300.00

On these 1,193 shares their owners have paid us in installments \$99,317.25, so we will return to them their entire payments to us, with \$19,982.75 added. This is a fairly good dividend, don't you think? So much for maturing shares.

Our last series, the 57th, was a record-breaker, shares having been actually paid for. We are proud of this and are looking forward to our 58th series, anticipating an equally good or better record.

Books will open August 1st and subscriptions may be made and applications for loans filed any time during August. Payments commence the first Saturday in September. We want you to come in with us.
