Mr. Jno. M. Mull has been receiving this week the congratulations of his friends on his nomination by the President as postmaster at Morganton. That the nomination will be confirmed by the Senate in a few days there is no doubt.

A Mrs. Kimbro, of Rockingham county, who was being brought to the State Hospital here for treatment, died on the train to-day at Connelly Springs. The body was brought to Morganton and prepared by Mr. E. B. Claywell for shipment to deceased's home.

He Wanted the Lord's Signature to It. Uncle Dave Branch brought a load of stovewood to town a few days ago and while looking for a buyer he ran across an insurance agent. The agent began to talk life insurance to Uncle Dave, who took it that the agent meant that a policy in his company was a guarantee of long life. Uncle Dave "broke it off" in the agent when he told him he would have him fill out a policy right then and there if he (the agent) would get the Lord to sign it.

H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by John Tull.

Edmonson-Henderson.

Mr. C. A. Edmonson and Miss Hattie C. Henderson were married yesterday (Wednesday) afternoon at "Cherry Fields," on Upper creek, the home of the bride's mother, Mrs. W. C. Henderson. Rev. Walter Hughson, rector of Grace Episcopal church, Morganton, performed the ceremony that blended the lives of these popular young people. The wedding was quiet, only a few friends outside of the immediate family being present. The happy pair will make their home at the Edmonson homestead, on the Catawba river. THE NEWS-HERALD, in common with a host of other friends, extends congratulations and very best wishes.

A Handsome Donation.

As has been stated in these columns, the ladies' aid society of the Morganton Methodist church will furnish the seats for the handsome new church now in course of erection here. The fund for this purpose will be raised in various ways, and it goes without saying that these ladies will have the money for the seats when the edifice is ready for them. Already the fund is beginning to grow. Mrs. T. G. Cobb, a member of the society, received last Saturday a New York draft for \$25.00 from Mr. W. J. Kincaid, of Griffin, Ga., to be added to this fund. This donation is highly appreciated, not only by these ladies but by the whole church, and the town in general, and is proof that Mr. Kincaid is not unmindful of the home of his youth and young manhood and that his heart is with the people of his native town in their efforts for good.

A Fire Alarm Yesterday Morning.

An alarm of fire was given yesterday morning about half past nine o'clock and there was much excitement on the streets for a little while in consequence. Fire was discovered in the garret of the residence of Mr. T. L. Hemphill, on West Union street, and for a while it seemed that a destructive conflagration was inevitable. The fire had gained considerable headway, but by quick, hard work was extinguished. Not much damage was done beyond the burning of a good-sized hole in the roof. Many of the contents of the house were removed to the street during the excitement. There are several frame buildings near the Hemphill home which would have been in great danger had this dwelling burned. The cause of the fire is unknown, but it is supposed to have originated from a spark from the chimney. The dwelling is owned by Mr. F. M. Scroggs.

GLEN ALPINE NOTES.

Local Items and Personal Mention by Our Hustling Glen Alpine Reporter. Correspondence of The News-Herald.

Mr. Flowers, of Hilderbrand, has rented and moved into Mr. Henry Brinkley's house just below the house Mr. Brinkley formerly occupied as a residence. Mr. Flowers has accepted a position with Mr. J. D. Pitts.

"A delightful german" in the Calvin Academy last Friday night. Quite a number were out from Morganton, and Calvin, Glen Alpine, Burkmount, Chambers and Hennessy were represented. Mr. J. H. Dale and Miss Coleman charpered the crowd. As "the queen of the night" threw her silvery rays over their pathway they repaired to the schoolhouse and there "tipped the light fantastic toe" till "heaven's star spangled dome deepened and the wee wee hours were not far off.

We have had educational rallies. Sunday-school picnic, fishing and Table Rock excursions, prayer, league, class, Methodist, Baptist, Presbyterian, and Lutheran meetings, but never a "Quaker meeting" till several Sundays ago.

Mrs. M. C. Sigmom, of Nebo, is down to see her sick daughter, Pearl.

Messrs. Harbison and Patton closed the public school here last Friday afternoon. There has been a large attendance—about 70. We are convinced that it is best to consolidate schools where it is in any way convenient.

Mr. Orders and Miss Nannie Dale, of Chambers, spent several days last week visiting their uncle, John Dale, in Calvin.

M. N. Hennessy is attending a "quilting" up on Silver Creek to day, Thursday. We suppose the Squire will thread needles for the ladies. March 20, 1902. U No Hoo.

Rutherford College Notes.

The debate given by the Platonic Literary Society in their hall on Friday evening last was a success. The question was ably discussed in a lively, entertaining and instructive manner and the judges decided that the negative side had proved that civil offices should be controlled by political creed rather than by competitive examinations. Many visitors were present. We return especial thanks to the Morganton young ladies who graced the occasion and added much to the social life of our little village with their genial presence. We cordially invite them to return again.

Mrs. J. H. Weaver has been visiting her son, Dr. Chas. C. Weaver, since Friday last. She will spend several days in the village, much to the pleasure of those who are fortunate enough to know this good woman.

Prof. and Mrs. Arthur T. Abernethy spent Sunday here with relatives. They were on their way from Philadelphia to the South.

Rev. W. G. Mallonee preached a strong sermon in the college chapel on Sunday evening last. He is busily engaged soliciting funds for the new building.

Several new students have entered school this week. The total enrollment is now over one hundred and fifty.

That our village is making progress is shown by the fact that two new stores have been opened since Christmas. The fact that all the four business houses are grocery stores tells the tale that Rutherford College students have good appetites.

RUTH R. FORD, Rutherford College, March 19.

COULD NOT BREATHE.

Coughs, colds, croup, grip, bronchitis, other throat and lung troubles are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and liquefies the mucous, draws out the inflammation and removes the cause of the disease. Absolutely safe. Acts at once. "One Minute Cough Cure will do all that is claimed for it," says Justice of the Peace J. Q. Hood, Crosby, Miss., "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family." Leslie's drug store.

Oliver's railroad works near Connelly Spings have been shutdown for several days for repairs to the steam shovel.

A HORRIBLE OUTBREAK.

"Of large sores on my little daughter's head developed into a case of scald head," writes C. D. Isbill of Morganton, Tenn., but Bucklen's Arnica Salve completely cured her. It's a guaranteed cure for eczema, tetter, salt rheum, pimples, sores, ulcers and piles. Only 25c at John Tull's.

THE NEWS FROM FONTA FLORA.

Candidates Not Stirring Much Yet—Young Mr. Rhyne Talks in His Sleep—Mr. McGimsey Offers a Dog for the Best Joke—Notes on other Matters—Personal Mention.

Correspondence of The News-Herald. Mr. Burke McGimsey has had a severe attack of la grippe but is improving.

Mr. Fletch Dobson has another boy at his house.

Mr. Caleb Kincaid, with Mrs. Kincaid and the baby, visited Mr. Kipp Giles last week.

The kids are beginning to rob the hen nests for Easter.

Rev. M. D. Giles, son of Mr. C. D. Giles, will be here on a visit and will preach at Linville church the fifth Sunday in March. We hope everybody will come out to hear him, as he always has something good to say.

On last Sunday morning Noblitt, at Fonta Flora, while walking along the public highway, found a three-cent silver coin, which he thinks, from the date and other marks it contains, may be valuable to some one, and says he will give it to the owner if he can find him.

Rev. Mr. Mock visited in this vicinity last week.

Mr. John Parks has lately caught two large chicken hawks in his poultry yard.

Mr. J. T. McGimsey offers a dog to the man that tells the best joke between now and June the first. We think the contest for the dog, so far, lies between Commissioner Berry and Mr. Haney.

One night last week Mr. Urel Rhyne, while in bed asleep, kept saying "I want Parks," and his brother Howard Rhyne asked him which Parks. He said, "Miss Lizzie." This was talk in his sleep but we believe he was in earnest.

Last Tuesday Mr. Joe Morrison caught three raccoons and gave the fourth one a chase.

Mr. Bill Gowen has moved from Gibbs to Mr. N. Astley's farm on Camoo Creek.

Messrs. Robert and Avery McGimsey are employed on the Western R. R. Mr. Pink Branch is at home from the railroad making arrangements to work on the farm.

Mr. L. C. Parks is employed as fireman on the steam shovel on the R. R. near Connelly Springs.

The farmers in the surrounding vicinity lost no time last week sowing oats, planting potatoes and gardening. Our candidates for Linville township are not out much yet. They are not going to make a long run of it, but we hope they will make a sure one. Some of them say they are too fat to run much and others say it is too muddy, so we are unable yet to say much about what they will do.

Respectfully, FONTA FLORA REPORTER. March 18, 1902.
