Her One Success. In the civil war time a western wo man who had lost her husband in the field and who hoped to win a livelihood for herself and her little ones by writing sent to Harper's Magazine a story which had no special distinction and was returned. In the desperate mood that followed this rejection she sat down with pen aflame and told "why I wrote it," and her story under that title was accepted and published, winning a sympathetic response from all its readers. But this production, the echo of a vital moment, was her one story in the magazine. Oliver Wendell Holmes said that anybody could write one interesting novel if he could truly tell the story of his own life.-Harper's
