RYDALE'S TONIC

A New Scientific Discovery
for the
BLOOD and NERVES.
It purifies the blood by eliminating the waste matter and other impurities and by destroying the germs or microbes that infect the blood. It builds up the blood by reconstructing and multiplying the red corpuscles, making the blood rich and red. It restores and stimulates the nerves, causing a full free flow of nerve force throughout the entire nerve system. It specially cures unstrung nerves, nervous prostration, and all other diseases of the nervous system.
RYDALE'S TONIC is sold under a positive guarantee.

FARRAND ORGANS.

When discussing the subject of high grade organs one's mind naturally reverts to the historic name of the Farrand, which for over twenty-three years has been in the lead of high grade musical instruments. The Farrand possesses a most wonderfully sweet tone and is unequalled for its durable qualities.
My second Car Loan for Lenoir, N. C. has just arrived and I am sure that if you place your order with me for a Farrand you will never regret it. The increasing demand for the Farrand organs is sufficient evidence that they are appreciated.

MCDOWELL.

Marion Democrat, Aug. 19th.
A pretty baby boy came to the residence of Mr. and Mrs. A. Blanton, Saturday night, August 6.
Thomas Carswell and Miss Alice Haskins, daughter of M. A. Haskins, were married at the residence of Joseph Seagle, in Nebo, Sunday morning, Esquire J. K. Craig, of that place, officiating.

Considerable anxiety was felt during the week in regard to the serious illness of Dr. W. P. Jones. His condition Monday and Tuesday was exceedingly critical and at one time all hope for him was abandoned. He rallied somewhat, however, Tuesday evening, and since that he has been able to retain both medicine and nourishment. Stronger hopes of his recovery were entertained when we went to press.

One of the prettiest double weddings ever witnessed at Old Fort took place at 7:30 o'clock last Sunday morning at the home of Mr. and Mrs. J. C. Sandlin. The contracting parties were Capt. W. B. Burgin, of this place, and Miss Jessie Lee Lytle, of Glen Inglis, and Claudius Watkins, of Roanoke, Va., and Miss Nora Belle McCanness, of Old Fort. Rev. W. M. Sikes, pastor of the Presbyterian church, performed the ceremony in a highly creditable and impressive manner. Immediately after the ceremony, breakfast was served and a merry party of friends went to the depot with the young couple and saw that their baggage was checked with the proper ornaments. The bridal party boarded the train, under a shower of rice and with good wishes of their many friends, for Washington, New York and other Eastern cities.

CLEVELAND.

Shelby Star, Aug. 17th.
A series of meetings will be held in the Shelby Baptist church beginning on or about the 28th of August. Pastor Parish has been assisting in several meetings in churches throughout the country.
Rev. D. G. Washburn and T. B. Hamrick conducted a splendid meeting at Pleasant Hill church last week. It closed Sunday and there were about fifteen conversions and the whole church was greatly revived.

A. M. Warlick, of Willis, left last week for Morganton, where he had accepted a position.

Mr. Hill Smith died Tuesday at his home a few miles above Shelby of typhoid fever. He lived on Mr. W. A. Cabahiss' place. His wife is also sick with fever and some of the children are confined to their beds. The family are sorely afflicted and deserve the sympathy of all in their great sorrow.

Mr. C. G. Putnam and Miss Leola Gibson, the accomplished daughter of Mr. J. P. Gibson, of Earl, were happily married at Grover by Rev. T. H. Mullinax on August 7th.

Wallace Black, colored, found a soap-stone pot or tray, near Waco, Sunday. It was about four feet under the soil, in the edge of a branch, and the discoloration made by smoke was still to be seen on the pot. This, it is thought, was used by the early Indian settlers, and the braces and other equipment of the furnace was still noticeable.

Mr. Everett Putnam and Miss Minnie Threat, of Shelby, were united in holy wedlock at Grover on last Thursday.

The Warlick re-union will be held on August 27th, at the home of Mr. North B. Warlick, in No. 10 Township. All the kindred and friends are invited.

A little forethought may save you an end of trouble. Any one who makes it a rule to keep Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand knows this to be a fact. For sale by W. A. Leslie, druggist.

CALDWELL.

Lenoir Topic, Aug. 17th.
The prospects for the local schools are said to be more promising.

In the trial of Clarence Pott at Boone he was acquitted for the killing of Deputy Sheriff Howell.

Rev. J. S. Corpening and family, who have been visiting relatives in the county, left for his home in South Carolina last week.

The following marriage licenses have been issued during the month of August: Columbus J. Beach to Alice McCall, Wm. W. Hoke to Annie Keaver.

Hon. Theo. F. Klutz, accompanied by his wife and daughter, passed through Lenoir Monday enroute to Blowing Rock, where they will spend some time.

The tax books are now computed and show an increase of over \$117,000 over last year.

The hearing of the various cases against W. L. Brookshire, charged with embezzlement, were heard Monday and yesterday before Justices Tuttle and Puett. In each case probable cause was adjudged and the defendant bound to court. The bond was fixed at \$200 and the defendant enjoys his liberty.

CATAWBA.

Newton Enterprise, Aug. 16 th.
Mr. Albert Huffman and Miss Carrie Russell, daughter of Mr. D. H. Russell, were married in Hickory Monday.

Mr. Jay Gantt, near Conover, is very ill with heart disease and is not expected to live many days.

Malanthon M. Poovey, aged about 75, died at his home about three miles south of Newton last Thursday night, and was buried at St. Paul's Saturday morning. He was a modest, hard working man and a good citizen.

Rev. J. L. Murphy of Hickory has accepted an invitation to deliver an address at Ursinus College in Pennsylvania September 14th on the occasion of the installation of the new president.

After three days of sunshine, we had another big rain Monday evening. The three clear days checked the shedding of cotton squares, and if there is not too much rain in the near future, will not be much damaged from shedding. The stalk is the largest ever seen in this country, and it is well balled.

Hickory people are very earnestly discussing the building of an electric car line between Hickory and Newton, and the people of Conover and all along the line are very much in favor of it. Among the attractions of such a line is mentioned the fact that it would make the three towns and all the intervening country one big town and that people could live anywhere along the line, and be in a few minutes' ride of their business anywhere in town.

West Bound Passenger Train Wrecked Near Old Fort.

Asheville Citizen, 17th.
Passenger train No. 35, which runs from Salisbury to Asheville, was wrecked this morning about 12:45 o'clock, a few miles from Old Fort. The train is assisted up the heavy grade at this place by the helper and accident was caused by the train colliding with the help engine. None of the passengers nor the train crew were injured. The mail car on No. 35 was torn to pieces, and the mail clerk was considerably jarred, but was not seriously injured.

THE AFTER EFFECTS OF THE SHOOTING.
Statesboro, Ga., Dispatch, 17th.
Business in Statesboro has resumed somewhat its normal state today, but the lawlessness that prevailed within the town limits yesterday has prevailed the country.

A SWEET BREATH
Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crieck, of White Plains, Ky., writes: "I have been a dyspeptic for years; tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Sold by W. A. Leslie, druggist.

LINCOLN.

Lincolnton Journal, Aug. 19th.
This has been the best season in a long time for watermelons. They have been as low as ten cents per dozen.

Every one who went to Rock Springs camping reports a delightful time, though the crowd was probably not as large as some other years.

Have you heard the latest joke? Well, we will tell you what it is. The Republicans say they are going to carry Lincoln county next fall. It gives us the giggles every time we think about it.

Still growing. There are now being erected some six or eight dwelling houses here, and several more are to be built soon. There is also some talk of two new brick store buildings, to be built on Main street. This is not all. There is to be built a handsome hotel here in the near future, and if present plans are carried out, Lincoln will have a hotel which will be a credit to any town in the State.

TWO NEGROES BURNED AT STAKE.

Correspondence of The News-Herald.
Died, last Thursday night, at his father's home near here, Mr. Robert Dees. The funeral services were held in the Methodist church by Rev. R. D. Sherrill, of Morganton. Robert was happily converted during the protracted meeting held here this spring by Rev. W. G. Mall nee and joined the Methodist church. The interment was in the cemetery here.

Miss Hennie Farspent last Friday night and Saturday with Miss Lola Wilson near Calvin.
Mr. and Mrs. S. B. Scott spent last Sunday with Mrs. Scott's father and brothers, Messrs. De Vault, over the river.
Mr. Gray Brittain, of the U. S. army, has been visiting his brother, Mr. J. T. Brittain. He spent two weeks at the World's Fair.

Mr. and Mrs. William Tate, Mr. and Mrs. Gibbs, Mr. and Mrs. Butler Giles and Mr. and Mrs. Ed Dale took dinner Sunday with Miss Alice Gibbs.
Misses Chiffie Scott, Lillian Giles, Mrs. Lucy Bowers and Messrs. Richard Talent, Walter Giles and Wiloughy Scott attended the protracted meeting at Granite Hill Sunday.
Mr. Joe T. Simpson, of the Southern, returned to his duties Sunday.

Mr. W. R. Killian, of Clyde, N. C., came down on 12 last Saturday afternoon and returned Monday. While here he was a guest of Mr. J. D. Pitts. Mr. Killian was, at one time, agent and operator for the Southern here and holds a similar position at Clyde. His many friends were glad to see him and his special friend was delighted.
Misses Bertha and Bessie Stacy, and Messrs. James Hurbison and Frank Simpson joined a party from Quaker Meadows and spent last Tuesday afternoon on Burke-mont.
Mr. and Mrs. Horace Kincaid, their three daughters, Mrs. Williams, Misses Carrie and Pearl, and little son, together with Messrs. L. M. Scott and Lafayette Epley, went to Norfolk on the excursion.
Services will begin at the Presbyterian church next Sunday to last through the week.
Miss Lucy Giles is visiting her sister, Mrs. Mark Butler.
A car load of very fine poplar lumber was worked up here, at J. D. Pitts' mills, and shipped to London, England.

WOOD'S SEEDS.
Crimson Clover
Sown at the last working of the Corn or Cotton Crop, can be plowed under the following April or May in time to plant corn or other crops the same season. Crimson Clover prevents winter leaching of the soil, is equal in fertilizing value to a good application of stable manure and will wonderfully increase the yield and quality of corn or other crops which follow it. It also makes splendid winter and spring grazing, fine early green feed, or a good hay crop. Even if the crop is cut off, the action of the roots and stubble improve the land to a marked degree.
Write for price and special circular telling about seeding etc.

districts, and men are roaming the country at large, whipping negroes wherever found, who are thought to be in any way implicated by deed or word of mouth in the Be-ford Day Club of Organized Murderers. Negroes are now reported sleeping in the woods, while from along the line of railroads come reports of many boarding trains for other points. The danger to the whites of Bullock county now lies more in the large deportation of labor and the consequent effect on the cotton picking season than from any other cause.
Roving bands of inflamed whites were out last night and during the early morning hours seeking vengeance on the negroes, and several serious affairs are reported as the result. One negro, reported to be Handy Bell, was reported shot to pieces, but parties who know Bell viewed the remains and declared it was not Bell.
Albert Roberts, an old negro living near Register, and his son, were shot while sitting peacefully in their cabin last night and seriously wounded. Roberts was a peaceable citizen, and his white neighbors near Register are greatly incensed over the shooting.

Graded School Items.

School opens Monday, September fifth.
All who intend entering are urged to come the first day.

Lists of books may be had at Gaither's Book Store.
Let each pupil supply himself with proper books before coming on Monday.

The people of the town are cordially invited to visit the School at any time. We will be glad for patrons and town to know and see the work which is being done.

The first, second, third and fourth grades will have the same rooms they had last year.
The fifth and sixth grades will be up stairs in the town hall, the platform having been taken out and a partition having been made.

In the large room down stairs in the town hall, the seventh and eighth grades will be seated together, the eighth reciting in the superintendent's room adjoining. As to our new teachers, we feel that the school is especially fortunate in securing the service of Miss Emma Parker of Durham N. C. She was a teacher in the Oxford Orphanage some time, and has taught in the High Point graded school the last four years. Personally, she is a very charming woman and will lend culture and dignity to any community.
Miss Bertha Kirkley of Smithville, S. C., a graduate of Win-strop College, and has had several years experience as a teacher. She takes the fifth grade, and we feel sure she will prove herself worthy of the many flattering expressions concerning her and her past work. Miss Amelia Kennedy of Yorkville, S. C., will have the fourth grade. She is a graduate of Erskine college and, has had several years experience teaching. She brings a record of most satisfactory and successful work.

We do not need to speak of the other teachers. The town knows them and the faithful work done by them.
With good teachers and the co-operation of the patrons, we feel sure the school will meet with nothing but success the coming year.
Respectfully,
R. L. PATTON.
