> Mr. Robert Fortune, of Shelby, is suffering from a rather peculiar, but very painful injury. Several days ago he stepped on a needle, it entering his foot and working up to the bone. So far the doctors have been unable to get it out. While it may work their rapidly growing nursery out soon and is probably not dangerous, it is causing him intense pain and suffering.

Rev. A. G. Gantt, of Belwood reports greater production o corn to the square inch than any we have had record of. He raised seventy bushels of corn on one and one eighth acres. That is, it shelled out seventy bushels. This may be farming on a small acres is concerned, but considering the production, it is on an extensive scale. Such farming pays.

Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Cacarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflames the mucous membranes lining the stomach and exposes the nerves of the stomach, thus causing the glands to secrete mucin instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestic dyspepsia and all stomach troubles.
