## THE NEWS OF THE NEIGHBORHOOD.

### A Batch of Live Items Culled from the Papers of the Adjoining Counties.

#### MCDOWELL.

Marion News, July 21st.

Mrs. Galan Sparks (nee Miss Nora Butt) died suddenly at her home in Garden City, Tuesday night. Her death was due to heart failure.

Dr. G. I. White, who spent a few weeks at the Maryland seashore, returned home last Friday. He looks much better and is certainly gaining in health.

Last Saturday morning as Will Odom was making his way to work in the Western Furniture Factory, he came in contact with a passing freight train. He was very seriously cut about the head and face and otherwise injured. He was taken to the office of Dr. B. L. Ashworth, where Drs. Ashworth and Justice dressed his wounds. At last accounts he was progressing favorably.

Invitations are out announcing the approaching marriage of Miss Lillian Yancey to Dr. Franklin S. Clark, of New York. Miss Yancey is the widely popular daughter of our former townsman, Col. John G. Yancey, now of Woodlawn. The charming personality of the bride-to-be makes her a great favorite, and she will be greatly missed in her social circle. Dr. Clark is remembered here in connection with his extensive business relations with wood alcohol distillation and pine oil plants. The members of Dr. Clark's family are now in Europe and will not return in time for the wedding, but will tender a reception at Hotel Seymour, New York, after October the first, which is the date of the "at home" announcement.

#### CALDWELL.

Lenoir News, July 21st.

Mr. Ike Palmer, living a mile north of town, sold last week \$6.00 worth of Japanese plums off of one tree.

Mr. John Austin, who lives a few miles east of town, raised and sold last year nearly \$15.00 worth of cucumbers on a plot of ground about 30 by 40 feet square.

A gentleman in Lenoir was offered \$50 to boot in a cow swapp one day last week. That much boot being offered would indicate that Caldwell has some fine cows.

Mr. Avery Powell gave us some pearls last week that grew on a tree perhaps 150 years old. The venerable Nelson A. Powell remembers gathering pearls off the tree 75 years ago and says it was then large and looked to be at least 75 years old.

Bert McDade, a thirteen-year-old son of Mr. Smith McDade, was drowned last Saturday evening in Gun Powder creek a few miles from Hudson. The boy's mother had forbidden his going near the creek, but with some other boys he went in and got into water over his head and was drowned. His body was recovered by Dr. Wright, who found it lodged among some logs in the creek.

The Topic Publishing Company, composed of Dr. C. C. Weaver, Prof. A. E. Waltz, and Mr. J. E. Mattocks, who have been running the Topic for some six months, sold the property this week to Mr. Thos. M. Locke, of Matthews, Va. Mr. Locke is a newspaper man of considerable experience and we are glad to welcome him to our town. He took charge of the office at once and will move his family here later.

#### FORCED TO STARVE.

B. F. Leek, of Concord, Ky., says: "For 20 years I suffered agonies, with a sore on my upper lip, so painful, sometimes, that I could not eat. After vainly trying everything else, I cured it, with Bucklen's Arnica Salve." It's great for burns, cuts and wounds. At W. A. Leslie's and Jno. Tull's drug stores. Only 25c.

#### CATAWBA.

Newton Enterprise, July 21st.

Some people are still planting corn patches, notwithstanding the warning of the katydids that frosts will begin September 26th.

Mr. Albert C. Allen died last Thursday afternoon, aged 83 years. He moved to this county from Davie about twenty years ago.

A trestle was washed away last Wednesday afternoon on the C. & N. W. railroad between Maiden and Lincolnton, and the trains were run by Statesville and Charlotte for two days.

Rev. C. E. Wehler has been elected Superintendent of the graded school and has accepted the position. He is pastor of the Reformed church in Newton and has had experience as a teacher in the schools of Pennsylvania.

Esquire J. H. Moser at his residence in Clarendon last Sunday afternoon, united in marriage Mr. Charlie Bolick, son of Mr. Gerard Bolick, and Miss Sallie Isenhour, daughter of Mr. Wilson Isenhour, both of Clive's township.

The Register of Deeds tells us that the tax lists show a considerable increase in the valuation of property in the county over last year's returns. He is not able to give the aggregate but the increase is a very marked one. The item of cotton on hand the first day of June was in the neighborhood of \$100,000.

A witness in the Mark McCorkle case was asked by Mr. Self: "How wide are the side walks of the city of Hickory?" "About so wide" answered the witness, holding her hands about three feet apart. It was considered a good joke on Hickory, and everybody laughed so loud that the judge had to rap for order.

The people from Maiden this week were full of praise for the innovation introduced by Rev. Glenn at the recent revival meeting in the Methodist church at that place of having the ladies remove their hats during the services. It enabled everybody to see the preacher without so much moving and wriggling in the seats. Ladies take better care of their hats than the men and do not like to stick them under the seats on the floor, and may find it inconvenient to take care of them during the preaching, but it would be a good fashion to introduce in all assemblies.

#### Sentenced to Kiss His Wife.

Charlotte Chronicle.

In Brooklyn, a day or two ago, a man was held before a magistrate's court on a charge of ill treating his wife. The magistrate, after hearing the evidence passed this peculiar judgment. "I sentence you to take wife and baby to Coney Island one day in each week, to kiss your wife once at least each day, and to pay her \$6 each week. I suggest that you take her a bunch of flowers once in a while. You are commanded not to allow your mother-in-law to interfere with your household arrangements. This sentence holds for four weeks, and you and your wife are to report here four weeks from to-day. If you do not obey the sentence you will be in contempt of court, and I will punish you." This, at first blush, would be taken as a piece of cheap humor, but the judgment was given in all seriousness and was so recorded on the court docket. Barring the mother-in-law joke, it must be admitted that there is a good deal of common sense in it.

#### CHOLERA INFANTUM.

CHILD NOT EXPECTED TO LIVE FROM ONE HOUR TO ANOTHER, BUT CURED BY CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.

Ruth, the little daughter of E. N. Dewey, of Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by W. A. Leslie, druggist.

#### CLEVELAND.

Shelby Star, July 19th.

Cleveland Superior Court will convene in Shelby on Monday, July 31st, with Judge Charles M. Cooke presiding.

Mr. William White and Miss Dicie Sweat, of Waco, were happily married a few days ago at the residence of the officiating magistrate, M. P. Harrelson. Mr. John Hamrick, popular young son of Mr. Avery Hamrick, and Miss Gertrude Byers, the charming young daughter of Mr. J. J. Byers, of Ellenboro, were most happily married at the residence of the bride on July 9th, Rev. Z. D. Harrill performing the ceremony.

Mr. Augustus Haynes, of Nanito, died on July 4th and was buried July 5th at Pleasant Grove church graveyard, Rev. Z. D. Harrill conducting the funeral services. Deceased was 60 years old, a member of the Baptist church since he was a boy, a deacon for a long time, and leaves seven children.

Mr. A. W. Stroup, a well known and popular citizen of this county, died Monday at his home near Waco, after a lingering illness of several months. Mr. Stroup had been practically blind for the past year or so, and had also suffered constantly with a serious stomach trouble. He was 67 years old and leaves a wife and ten children—three daughters and seven sons.

Mrs. W. D. Earl, of Earl station, aged 42 years, died Saturday afternoon, after an illness of several months. She was a good Christian woman, greatly beloved by all of her neighbors and acquaintances, and universally esteemed because of her many good qualities. Mrs. Earl was the mother of five children, three of whom, together with her loving and faithful husband, survive her.

Mr. and Mrs. Boyd and daughter were in Shelby Saturday and Sunday. Mrs. Boyd being generally known as the lady evangelist. She preached Saturday night and Sunday afternoon on the square. The family travel in a buggy and Mr. Boyd says they have made their way by private conveyance all the way from Oklahoma Territory, and that they live in Guilford county, N. C. Judging from their talk both Mr. Boyd and his preacher wife seem to think that things are badly out of joint in the world.

#### CATARH CAN NOT BE CURED

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients in what produces such wonderful results in curing Catarrh. Send for testimonials free. F. J. CHENEY & CO., Props., Toledo, O. Sold by druggists price 75c. Take Hall's Family Pills for constipation.

#### Substitutes Worse Than the Real Article.

In prohibition towns it is better not to drink at all than to acquire the substitute habit. All substitutes are bad. The Greensboro Record says: "Corn liquor will end one's days soon enough as a steady diet, but the young bucks around this town who are resorting to Jamaica ginger are helping to dig their graves at a rather rapid gait. Some of these boys have been buying so much of it that the drug stores will not sell it to them, in which case they send some one else after it." In Charlotte, "some of the can't do-without-its are trying to kill themselves on a decoction the basis of which is cinnamon drops.

#### BUY IT NOW.

Now is the time to buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is certain to be needed sooner or later and when that time comes you will need it badly—you will need it quickly. Buy it now. It may save life. For sale by W. A. Leslie.

## Has Mr. Bower Been Offered the Position of Assistant District Attorney?

Greensboro Correspondence Raleigh News and Observer.

While on the subject of politics it may not be amiss to state that whether Hon. W. H. Bower has authorized a denial of his political change of heart or not he will not deny that three weeks ago he was in Greensboro by appointment with Congressman Blackburn and other Republicans, and had a long conference on political matters. He may not be responsible for it, but after the conference this correspondent was authorized to state that "Hort Bower and Lawyer Crauer, of Wilkesboro, had left the Democratic party."

The intelligence was not used from here because the correspondent was unable to see Mr. Bower before he left Greensboro, and did not choose to connect his name in any such important announcement. In the same conversation it was stated that President Roosevelt was continually asking about some reputable Democrat of experience and ability for assistant district attorney since Rollins and Blackburn could not agree on a Republican who suited both, and that Mr. Bower was the compromise man for Assistant District Attorney Price's place. So it may be that Mr. Bower will not join the Republican ranks and that his denial of having left the Democratic party can be explained in this way. Mr. Bower's selection would unquestionably prove a popular one, as he is recognized not only as an able lawyer but a fine man. If Assistant District Attorney Price has to go, and he hasn't gone yet by a long sight, he could have no more able successor than Mr. Bower, who, like Price, is equally popular among both Democrats and Republicans. It is also said that Lawyer Green, of Wilkesboro, will be given the inside track in changing for the nomination for district solicitor next year over "Mose" Harshaw and that Crauer will even contest this with him in Wilkes. It had been said all along that Greene was Blackburn's man for Price's place, but he could not land him, having Cowles, of Wilkes to take care of.

## ONE DOLLAR SAVED REPRESENTS TEN DOLLARS EARNED.

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested like buying seeds for his garden, will save several dollars out of a year later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by W. A. Leslie.

Salisbury is to have a hotel building to cost \$125,000. The new corporation is to be known as the Salisbury Hotel Company, and the hotel is to be as large as any in the Piedmont section.

#### THE DIAMOND CURE.

The latest news from Paris is that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia, it will, however, be best for you to take that great remedy mentioned by W. T. McGee, of Vanleer, Tenn. "I had a cough, for fourteen years. Nothing helped me, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which gave instant relief, and effected a permanent cure." Unequaled cure, for Throat and Lung Troubles. At W. A. Leslie's and John Tull's drug stores; price 50c and \$1.00, guaranteed. Trial bottle free.

#### Farmers' Institute.

A Farmers' Institute will be held in the Court House in Morganton on Monday, July 31st. All farmers who have heard the discussions at farmers' institutes know the benefit these meetings are. They receive hints that they can put to practical use throughout the year. Farmers who have not been attending the institutes should begin this year. We copy the following from the poster sent us by S. L. Patterson, commissioner of agriculture:

"The object of a Farmers' Institute is to bring together the farmers in order that they may discuss the subjects relating to their business, such as the best methods of using fertilizers on various crops, the preparation and cultivation of the soil, stock raising and stock feeding, diseases of stock, grain and grass-growing, trucking, improvement of worn soils, value of cotton seed and cotton seed meal, etc.

In addition to local speakers, Tait Butler, State Veterinarian; C. K. McQuarrie, a successful farmer of Florida; T. B. Parker, of Hillsboro, N. C.; W. F. Massey, Horticulturist N. C. Experiment Station, and Prof. Benton, U. S. Department of Agriculture, Washington, D. C., will be present and discuss questions of interest.

An interesting program has been arranged. All farmers and those interested in farming are invited and urged to come and ask questions and join in the discussions.

Morning session will open at 10 o'clock sharp, and afternoon session at 1:30.

S. L. PATTERSON, Commissioner of Agriculture.
