No 45.

THE NEWS OF THE NEIGHBORHOOD.

A Batch of Live Items Culled from the Papers of the Adjoining Counties.

CATAWBA.

Newton Enterprise, Feb. 15th.

Mr. Daniel Hefner, who died last week, near Catawba Springs, was a member of Company C, 28th North Carolina regiment. The roll-call on next Memorial day of the heroes who have died within a year will be a long one.

Mr. Noah Cook, a Confederate veteran of Bandy's township, a member of company F, 55th North Carolina regiment, died last Thursday, February 8th. This is the fourth death in the ranks of the veterans that we have heard of this week.

The thirteen-year-old son of Mr. James McKee broke his leg just above the knee one day last week, in a very unusual manner. He was walking along leisurely and stepped on something that gave his leg a twist and the bone snapped in two.

The first locomotive engineer anybody in Catawba county ever saw was Tom Aldrich. He pulled the first train on the Western road out of Salisbury, brought the first train to Newton in 1859 when we had that big railroad celebration, and took the first train across the Blue Ridge. He and Ben Marsh, the other veteran engineer, were the two ideal heroes of the boys all along the railroad. The earliest recollections of many men now rounding out the half-century mark, are of running to the depot to see Tom Aldrich or Ben Marsh come flying up the track. These old heroes long ago passed out of our recollection, until we saw last week an account of Mr. Marsh's death. He had for several years been on the retired list with full pay, and died at the good old age of 85.

A son of Mr. Noah Setzer, about three miles east of Newton, while chopping wood Tuesday morning, cut the big toe of his left foot half off, the next one completely off and the third one so nearly off that it had to be removed by the doctors in dressing the wound.

Mr. John A. Whitener died at his home in Hickory last Saturday night, at the age of about 75. He lived for many years on the Newton and Lincolnton road, about mid-way between the two places. About fifteen years ago he moved to Hickory. He was familiarly known as "Black John" Whitener. He used to be known as the man with a "hair tooth." He made his neighbors believe for a long time that he had a hair growing in one of his teeth. Mr. Whitener was a soldier of the Confederacy, and a good one. He was a man of great energy and integrity, and is mourned by a large circle of relatives and friends. He was buried at Salem church Monday.

Mr. M. M. Gabriel died Monday at 12 o'clock. He had been sick about ten days. He was about 70 years old. He leaves a widow and eleven children, nine sons and two daughters, all in this county, except two sons, who are in the West. One of his daughters is the wife of Mr. J. D. Fisher, one of our present county commissioners, and the other the wife of Mr. Clarence Brown, a merchant at Sherrill's Ford. Mr. Gabriel was a Confederate soldier of a record, and one of the best citizens of the county; quiet, unassuming, accommodating and companionable. He was buried at Rehobeth church Tuesday.

COMMON COLDS ARE THE CAUSE OF MANY SERIOUS DISEASES.

Physicians who have gained a national reputation as analysts of the cause of various diseases, claim that if catching cold could be avoided a long list of dangerous ailments would never be heard of. Every one knows that pneumonia and consumption originate from a cold and chronic catarrh, bronchitis, and all throat and lung trouble are aggravated and rendered more serious by each fresh attack. Do not risk your life or take chances when you have a cold. Chamberlain's Cough Remedy will cure it before these developments. This remedy contains no opium, morphine or other harmful drug and has thirty years of reputation back of it, gained by its cures under every condition. For sale by W. A. Leslie.

CLEVELAND.

Shelby Star, Feb. 16th.

Mr. J. J. Palmer, of Polkville, was here Wednesday. Mr. Palmer has been in the hog killing business this season for himself and other people. He has killed 4513 pounds of meat and his services are still in demand. Mr. Palmer has an old British coin, bearing date of 1771, and containing the picture of King George III and Queen Victoria IV. It is quite interesting and consequently much prized.

Mrs. Elizabeth Whisnant, wife of Mr. Albert Whisnant, of No. 8 township, died last Sunday afternoon at 1 o'clock, after an illness of a few days with pneumonia. She was about 42 years of age and a woman of rare goodness of life.

Mr. J. D. Weathers, of R. F. D. No. 6, one of the county's good citizens and progressive farmers, was here Wednesday. He killed a hog the other day that had two hearts, one on each side. They were ordinary size and there was nothing unusual about either except that there were two. Several persons were present and examined the hearts.

On Tuesday, Feb. 13th, at noon, the spirit of Mr. Irvin Watterson, one of King's Mountain's most highly esteemed and respected citizens, passed away at his home after an illness of one week with pneumonia. His body was tenderly laid to rest Wednesday at El Bethel with Masonic honors, the funeral services being conducted by his pastor, Rev. G. F. Kirby. The Shelby Masonic Lodge attended the funeral in a body.

Mrs. Allie Buff, relic of the late Jno. Buff, who lives near The County Corner church in No. 10 township, died on Feb. 9th, and her body was laid to rest in the Buff family graveyard Saturday, the funeral services being conducted by Revs. Queen and Cooke. Deceased leaves two sons and was a good woman.

Mr. Noah Cooke, a former citizen of this county but who has resided in Burke county for several years, died Friday of heart dropsy, and was buried at Hebron church on Saturday, the funeral being conducted by Rev. Burgers. Deceased was 67 years old and leaves several children, and was a brother to Rev. J. H. Cooke, of Lark.

Mr. E. L. Ware, of King's Mountain, has been re-appointed postmaster at King's Mountain for the next four years.

A three weeks revival meeting at Waco Baptist church, conducted by Rev. C. W. Paser, closed on Sunday night, and the results of the meeting were 10 conversions and 21 additions to the church. It was a good meeting and a great deal of interest was manifested.

Rev. A. G. Gantt returned Saturday from an extended western trip. He visited his sons in Texas and Kentucky, and enjoyed his trip immensely.

For Over Sixty Years.

Mrs. Winslow's Soothing Syrup has been used for over 60 years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by Druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

CALDWELL.

Lenoir Topic, Feb. 14th.

The people of Lenoir were aroused from the usual quietude of the town Friday by a small blaze at the Wilson Lumber Co. The fire was put out before it could cause much damage, but it would have resulted in a serious fire had it not been for the prompt action of the citizens and employees.

The final steps were taken and papers signed Saturday by which Edmund Jones, Jr., and J. Chiles, of Charlotte, became the owners of the planing mill and three acres of ground adjacent to the town. They will at once begin active operations looking to the establishment of a large chair factory which they will have running by May 1st. They have the

ITCHING PILES.

If you are acquainted with anyone who is troubled with this distressing ailment you can do him no greater favor than to tell him to try Chamberlain's Salve. It gives instant relief. Price 25 cents per box. Sold by W. A. Leslie.

Consumption

There is no specific for consumption. Fresh air, exercise, nourishing food and Scott's Emulsion will come pretty near curing it, if there is anything to build on. Millions of people throughout the world are living and in good health on one lung.

From time immemorial the doctors prescribed cod liver oil for consumption. Of course the patient could not take it in its old form, hence it did very little good. They can take

SCOTT'S EMULSION

and tolerate it for a long time. There is no oil, not excepting butter, so easily digested and absorbed by the system as cod liver oil in the form of Scott's Emulsion, and that is the reason it is so helpful in consumption where its use must be continuous.

We will send you a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

output contracted ahead and expect to turn out 30 dozen dining chairs a day at first

Word was received here Friday by the near relatives, through Dr. Ivey, that Joseph E. Giddings of this city, was dead, having died in the hospital at Salisbury, while undergoing an operation for tuberculosis of the hip, this being the fourth operation he has undergone for that dreaded disease. Mr. Giddings was born and raised in Williamsport, Pa., and came South some eight years ago. He was a saw filer by trade, and was employed by Bernhardt Lumber Co. at the time he was taken ill. He was married in Lenoir to the daughter of A. J. Conley, and was well known here. He leaves his wife, one child, father, brother, several sisters and a host of friends to mourn their loss.

Marriage licenses have been issued to the following parties since the 1st of February: J. Claude Green, Annie P. Sudderth; Ambrose Powell, Laura Gragg; Jessie Bolick, Mary E. McCall.

Several more new buildings are nearing completion in our city, among the is the business block which Mayor Poe is building. They put the roof on last week, and are now busy finishing the interior. Mr. Poe intends to have it ready by the first of March for the shirt and pants factory. There are also several new dwelling houses being completed one belonging to Mr. Walter Covington, a large, fine brick house, in the southern part of town, a new cottage being built by Prof. Y. D. Moore, Ridge street, also Mayor Poe's new residence on Main street.

A pretty wedding ceremony took place at the home of Mr. P. A. Sudderth Wednesday evening in the presence of a number of friends and relatives when Miss Laura Gragg and Mr. Ambrose Powell were united in marriage, Rev. I. W. Thomas officiating.

FRAUD EXPOSED.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease, for over 35 years. A sure protection to you, is our name on the wrapper. Look for it, on all Dr. King's, or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill., and Windsor, Canada.

A Guaranteed Cure for Piles.
Itching, smart, bleeding or protruding Piles. Druggists refund money if FAVORABLE CURE is not secured in 6 to 24 days. First application, 50c. Second and rest, 50c. If you are troubled with Piles, send 50c in stamps and 50c in cash, and you will receive a guaranteed cure, paid for by Parke, Davis & Co., St. Louis, Mo.

THE BLUE AND GRAY.

First Reunion Ever Held in North Carolina.

There will be a reunion of the Blue and the Gray at Southern Pines on Saturday, the 24th of February, and invitations have been sent to the Confederate veterans of this county to attend, the invitation reading as follows:

"The Association of the Blue and the Gray especially invite you to attend a reception and Camp-Fire of the Blue and the Gray at Clark's Opera House, Southern Pines, North Carolina, on Saturday, the twenty-fourth day of February, nineteen hundred and six, all day. We want you with us, particularly the Veterans of the Blue and the Gray. Let us make this the great day of Old North Carolina.

"Yours for Harmony,
"CAPT. A. M. CLARK,
"President of the Association of the Blue and the Gray, Southern Pines, North Carolina."
"L. H. FRENCH, Sec. and Treas."
It is announced that Governor Glenn, General Julian S. Carr and many others of note will be present, and a special letter sent out with the invitation says:

"It is hoped that all Veterans, their families and friends will join in making this meeting a memorable one, as it will be the first time the Blue and the Gray have met in union within the borders of North Carolina.

"As the years roll by and our fellow comrades are passing away, we should hold sacred the ties of friendship which so strongly bound us together during the war. We greet our late opponents with the glad hand of welcome, and all rejoice that we are again a reunited people. Let the Reunion at Southern Pines be a joyous one, where the memories of our service can be retold, and where oldtime friendships can be renewed. We trust you will urge a full attendance from your part of the State."

AGONIZING BURNS

Are instantly relieved, and perfectly healed, by Bucklen's Arnica Salve. C. Rivenbark, Jr., of Norfolk, Va., writes: "I burnt my knee as dreadfully that it blistered all over. Bucklen's Arnica Salve stopped the pain and healed it without a scar." Also heals all wounds and sores. 25c. at W. A. Leslie's and John Tull's, druggists

depends upon the life-long study and experience of the men who direct this business, and who make a fertilizer which "makes three (often a dozen) blades of grass grow, where only one grew before." The name of it is
Virginia-Carolina Fertilizer.
By its very liberal use, a week or two before, or at planting, as well as second application, multitudes of farmers in the South have "increased their yields per acre," and with the larger profits which these increased yields brought, paid off the mortgages on their farms. Don't be fooled by any dealer into buying a "cheap" substitute.

ROYAL Baking Powder
Absolutely Pure
A GRAPE CREAM OF TARTAR BAKING POWDER
It makes the most delicious and healthful hot breads, biscuit and cake

FREE FROM ALUM, LIME OR PHOSPHATIC ACID
★ ★ ★ ★ ★ ★ ★ ★ ★ ★
Alum baking powders are unhealthful. Do not use them for raising food under any circumstances. So detrimental are alum baking powders considered, that in most foreign countries their sale is prohibited. In many States in this country the law compels alum powders to be branded to show that they contain this dangerous acid, while in the District of Columbia, Congress has prohibited the sale of all food that contains alum.
Alum baking powders are sold to consumers at from 10 cents a pound to 25 ounces for 25 cents, or 25 cents a pound, and when not branded may generally be distinguished by their price.
