FE-NO-PEP-ZONE  
CURES

That splitting headache or any other kind, relieves neuralgia and steadies shaky nerves. Pleasant to take and leaves no bad effects.

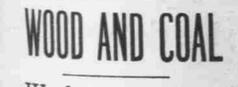

Read from Rev. L. M. Roper, D. D., the Pastor of First Baptist Church of Spartanburg, S. C.:

"I have been looking for several years for a headache remedy that relieves the pain and at the same time removes the cause of pain. Fe-no-pep-zone is such a remedy. Of many good remedies for headache which I have tried Fe-no-pep-zone is much the best. It is pleasant to take. It is a safe remedy even for a person of very sensitive, nervous temperament. It is effective for any headache that results from loss of sleep, excitement, weariness or indigestion, and it leaves no bad effects behind it."

## THE NEWS OF THE NEIGHBORHOOD.

A Batch of Live Items Culled from the Papers of the Adjoining Counties.

### CALDWELL.

Lenoir News, May 11th.  
The horses that were drowned Easter Sunday in John's River with the unfortunate Mr. Epley, have drifted to the Catawba River near the Cliffs; one of them can be seen now in the river there.

The recent cold snap did great damage all through this part of the county. Garden vegetables suffered greatly and wheat and corn were also injured to some extent. The fruit crop was much damaged in some places. The temperature dropped down to 29 Tuesday night and a little snow was seen in the air here Tuesday.

A good deal of interest was manifested in the town election last Monday and some pretty hard electioneering work was done. The struggle was between Messrs. M. E. Shell and E. A. Poe, the candidates for Mayor and they and many of their friends were quite active all day. There was no feeling of bitterness engendered or what is termed dirty work done, but simply a straight air contest between the two candidates. The result was, Shell 175 and Poe 103. The Commissioners' vote was as follows, Mr. Allen being voted for on both tickets: J. A. Allen 271, J. L. Nelson 173, J. J. Gail 172, Jno. W. McCall 103 and C. S. Triplett 113. Nelson and Gail were on the Shell ticket.

### Other Caldwell Items.

Lenoir Topic, May 9th.  
Mrs. A. W. Dula returned Friday from a short visit to relatives in Morganton.

A young man, Claud Gilbert, of Rhodhiss, died Thursday evening from the effects of cigarette smoking and excessive chewing of tobacco.

Freight train No. 268, which leaves here every evening for Chester, ran off the track at Rhodhiss Friday and was delayed about 24 hours.

Aunt Myrah Hayes, the widow of Robeson Hayes, died Friday evening and was buried Sunday morning in Granite Cemetery in the presence of an immense concourse of people. She had a great many relatives and was loved by all who knew her. She was eighty-three years old.

The storm on Sunday night blew down a portion of Mr. John Herman's unfinished house, also blew off a part of the academy roof, which was replaced next morning; it also blew the roof off of the barn at the Col. Hartley place, now owned by Mr. F. C. The wind was severe.

At a meeting of the Democratic Executive Committee of Caldwell county held on the 7th, it was resolved that a convention of the Democratic party of Caldwell county be called to meet in the Court House in Lenoir on Monday, June 4th, 1906 at 12 m., for the purpose of electing delegates to the State, congressional, judicial and senatorial conventions. The township will hold their conventions for the election of delegates to the County Convention on Saturday afternoon, June 2nd.

### FORTUNATE MISSOURI-ANS.

"When I was a druggist, at Livonia, Mo.," writes T. J. Dwyer, now of Graysville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery, and are well and strong today. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence." Suresst Cough and Cold cure and Throat and Lung healer. Guaranteed by W. A. Leslie, and John Tull, Druggists. 50c and \$1. Trial bottle free.

Most men are the better for knowing the worst of themselves.

Have you weakness of any kind—stomach, back, or any organs of the body? Don't dope yourself with ordinary medicine. Hollister's Rocky Mountain Tea is the supreme curative power. 35 cents, Tea or Tablets. W. A. Leslie.

### CATAWBA.

Newton Enterprise, May 10th.  
The Catawba County Stock Improvement Company had quite an imposing street parade in Newton Tuesday.

\*Died, Sunday afternoon, near the Little Mountain, Mrs. David Drum, aged 82 years. She had been an invalid for about a year, and her death was not unexpected.

Mr. M. M. Cline tells us that he has a jug of honey fifty-one years old. If anybody can furnish a jug of apple jack of equal age, a merger of interests may be quickly effected.

The Congressional convention for this district will be held in Lincoln July 2. Hon. E. Y. Webb, in all probability, will have no opposition and will be renominated by acclamation.

Mr. David Drum, the noted blacksmith and story-teller of the Little Mountain section, has sold his farm, which includes part of the mountain, to the Graphite Company operating in that section for \$8,000.

Mr. George Bolick, who led the county last year in the amount of cotton per acre, tells us that he hasn't anything to brag on now but his chickens. He has 125 hens, Brown Leghorns and Black Spanish, that lay him about six dozen eggs a day, and one day he got eight dozen and ten.

On Wednesday night of last week there was a severe wind-storm in portions of Clines township. Orchard trees and forest trees were blown down on a good many farms. At Mr. John Brown, Jr.'s, an oak tree smashed the L of his dwelling house, and but for the stone chimney which held up the tree, the family would have been killed, as they were sleeping in that part of the house. Another tree fell on a two-story granary and demolished it.

### CLEVELAND.

Shelby Star, May 11th.  
The frost Tuesday and Wednesday nights did considerable damage to the gardens and all growing vegetation, and in some sections the young cotton was killed. The extent of the damage to the cotton crop cannot be accurately estimated, but it is very widespread, and the price should advance.

Mr. W. T. Powell, of No. 8 township, was here Monday. He says his ground hog died last week, and he gives notice to the public that he cannot be responsible for the weather any longer. How about the ground hog's death and that cold rain Monday—is it possible that the passing away of the former had such a sudden and decided effect upon the weather?

Mr. Mack Walker, a citizen of the upper part of this county was brought to jail Tuesday night because of his dangerously insane condition. Application has been made for his admission to the State Hospital at Morganton, and he will be sent there as soon as he can be admitted.

Mr. Walker is a son of Jonathan Walker and is 45 years of age, and has a wife and four children. He has been insane for about a month, but only dangerously so for the past few days.

John Cook, Esq., died at his home in Burke county, near Zion Hill, May 2nd, 1906. He lacked only a few days of being 88 years old. The deceased was the father of nine children—eight sons and one daughter, all of whom are living except one son, who died a few months ago. The sons are as follows: Noah, (deceased) of Burke county; A. J.; J. F. and Samuel of Burke; I. A.; Jno. B., J. H. and D. D. Cook of upper Cleveland, and Mrs. L. J. Howell of Shelby. He leaves 49 grandchildren and 26 or more great grandchildren. His remains were laid to rest at St. Paul on May 3rd in the presence of a large number of friends and relatives, his pastor Rev. W. B. Mull conducting the services. His funeral will be preached the 2nd Sunday in June at 11 o'clock.

Cupid takes a day off when the feminine match maker gets busy.

### STOMACH TROUBLES.

Mrs. Sue Martin, an old and highly respected resident of Faisonville, Miss., was sick with stomach trouble for more than six months. Chamberlain's Stomach and Liver Tablets cured her. She says: "I can now eat anything I want and am the proudest woman in the world to find such a good medicine." For sale by W. A. Leslie, druggist.

Strength and vigor always follow their use. Guaranteed by W. A. Leslie and John Tull, druggists. 25c. Try them.

### ONE COLD AND ANOTHER

The season's first cold may be slight—may yield to early treatment, but the next cold will hang on longer; it will be more troublesome, too. Unnecessary to take chances on that second one. Scott's Emulsion is a preventive as well as a cure. Take

### Death of Mr. Geo. F. Thomason.

For The News-Herald.  
Mr. Geo. F. Thomason died at the State Hospital, Morganton, N. C., Wednesday, May 9th, 1906, at nine o'clock in the evening. He had been a great sufferer for near three years with cancer of the jaw, but was most patient throughout it all. He was born in Rowan county February 27th, 1851, and joined the Reformed church when 18 years old, under the preaching of Dr. Clapp, of Newton, N. C., and lived as he died, trusting in the Lord. He was twice married and leaves a young widow and nine living children—seven by his first wife and two by his last. His last wife before her marriage was Miss Cleo Cox, daughter of Mr. C. O. Cox. He also leaves four brothers and three sisters and many relatives and friends. His body was laid to rest at Mountain Grove church Friday afternoon, the burial service being held at his home by Rev. N. M. Modlin.

May the Lord bless his bereaved family in their time of trouble.  
A FRIEND.

### The Twentieth of May at Charlotte.

Charlotte, May 3.—The committee on program for the four days celebration beginning May the 21st, has made its report.

Monday, the first day, the program will consist of an informal reception to all "Come Homers" at the Manufacturers' Club at midday. The ladies consisting of the Charlotte Woman's Club will have charge of this reception. In the afternoon at 3 o'clock there will be a ball on ascension and at night a Carnival of Lights will be the attraction.

Tuesday will be ushered in by a gorgeous military parade at 11 o'clock. The veterans' drill will take place at 1 o'clock and a balloon ascension at 3 o'clock. At 4 o'clock there will be an exhibition drill by Company "E," the crack cavalry troop. At 8:30 o'clock in the evening the Marine Band will give a special concert at the Academy of Music.

On Wednesday the Floral Parade will be the initial feature. At 12:30 o'clock Hon. Champ Clark will deliver his oration at Vance Park. In the afternoon and evening, there will be concerts by the Marine Band, Red Men's Parade, Fire Works and a balloon ascension.

Thursday will be Fraternal Day. In addition to this a tournament and firemen's drill will take place. Charlotte is preparing to entertain comfortably all visitors who come within her gates during the four days of her big celebration.

### NOTICE AS RICH AS ROCKE-FELLER.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened, is pleasant to take. Every family should be supplied with it. Sold by W. A. Leslie, druggist.

Have you pains in the back, inflammation of any kind, rheumatism, fainting spells, indigestion or constipation, Hollister's Rocky Mountain Tea makes you well, keeps you well. 35 cents, Tea or Tablets. W. A. Leslie.

### Bonds For Public Roads.

Many of the counties throughout the State have issued bonds for the construction of macadam and other good roads. The result has been that these counties have become more thoroughly developed and become much more prosperous than those counties which have been contented with poor roads. The issuing of bonds by a county will mean but a very small increase in taxes, which as the years go on, will be more than counterbalanced by the large increase in the value of land and of other taxable property. It is a fair and equitable arrangement that future generations should pay for a portion of the improvements of our public roads, as they derive as great a benefit as the present generation. Too many have an idea that to bond their county will mean a very large increase in their taxes without their deriving any material benefit from the expenditure, not realizing that the increase in the value of property, and the decrease in the cost of maintenance of the roads and wear and tear on horses, wagons, harness is so much money saved. Are you interested in good roads? If so, call meetings in various sections of your county to discuss this important question and also the advisability of bonding your county for the purpose of raising sufficient money to macadamize the principal roads of your county.

### Judges to Retire.

Stateville Landmark, 11th.  
The Lord is always good to us, but it seems He is extending His mercies this year. The Landmark published a statement a few days ago that a certain Superior Court judge, whose term expires with the year, would not be a candidate for re-election, whereat we expressed gratification. The Judge in question is a good man, an honorable man, of correct habits, but he is not suited to the work on the Superior Court bench and this retirement is the best thing for him and the people. Now comes the news that another judge will not be a candidate for re-election, whereat we give an extra whoop or two for joy. He is a good man and we wouldn't hurt his feelings (or the feelings of the first mentioned, either,) but the fact is that he knows little law, lacks decision and is utterly unfit for the work.

Of correct habits, honorable and upright, it is pleasant to say these things, but it is well known, wherever he has held court, that he is entirely unsuited to the work and his retirement is the best thing for him and the people. Now if Bob Peables and a few others we could mention would get down the Superior Court bench would be in very fair shape—provided, always, that Judge Shaw is retained.

A torpid, inactive liver can produce more bodily ills than almost anything else. It is good to clean the system out occasionally, stir the liver up, and get into shape generally. The best results are derived from the use of DeWitt's Little Early Risers. Reliable, effective, pleasant pills with a reputation. Never gripe. Sold by Allison's Pharmacy.

A Yancey county man took his wife to a physician. The doctor put a thermometer in the woman's mouth and after two or three minutes, just as the doctor was about to remove the instrument, the man who was not used the such a prolonged silence on the part of his wife partner, said: "Doctor, what'll you take for that thing?"—Barnesville Eagle.

### Bill Arp Said This.

"I never took a paper that didn't pay me more than I paid for it. One time an old friend of mine started a paper way down South and sent a copy to me and I subscribed just to encourage him and after a while it published an order to sell a lot at public auction. So I inquired about the lot and told a friend to run it up to \$50. He bid off the lot at \$38 and sold it in less than a month for \$60, so I made \$22 clear by taking that paper. My father told me that when he was a young man he saw a notice in a paper that a school teacher was wanted away off in a distant country, and he went and got the situation, and a little girl was sent to him and after a while she grew up sweet and beautiful and he married her. Now if he had not taken that paper what do you suppose would have become of me? I would have been some other fellow, or maybe I would not have been at all."

### POSTMASTER ROBBED.

G. W. Fouts, Postmaster at Riverton, La., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters, which cured me well for eleven years." Sure cure for Biliousness, Neuralgia, Weakness and all Stomach, Liver, Kidney and Bladder derangements. A wonderful Tonic. At W. A. Leslie's and John Tull's drug stores, 50 cents.

### Mr. Merryman Got Gay and Also in Jail.

Stateville Landmark, 11th.  
At Marion Saturday, the States Commissioner Craig, Mr. M. Merryman, of Virginia, the next term of United States court at Statesville, on the charge of impersonating a United States deputy marshal. It is alleged that Merryman secured a boy, subpocna and in the guise of United States officer served same on Bell Clure, of McDowell county, citing her to appear in Asheville and give evidence in certain criminal trial to be held there. It is reported that Clure woman acted upon the summons and got as far as Old Fort before she learned that she had been imposed upon by Merryman in default of bond Merryman is McDowell county jail.

### IT IS DANGEROUS TO NEGLECT A COLD.

How often do we hear it remarked: "It's only a cold, and a few days later learn the man is on his back with pneumonia. This is of such common occurrence that a cold however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts a tendency of a cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cures of this most common ailment. It always cures and is pleasant to take. For sale by W. A. Leslie, druggist.
