NEIGHBORHOOD NEWS.

A Batch of Live Items Culled from the Papers of the Adjoining Counties.

Cleveland.
Shelby Star, May 31st.
Handsome engraved invitations have been issued announcing the approaching marriage of Hon. Odes M. Mull to Miss Montrose Pallen McBrayer, the charming and attractive daughter of Mrs. Victor McBrayer. This happy event will be celebrated in brilliant style on the evening of June the twelfth at half past eight o'clock in the First Baptist church, Rev. M. E. Parrish officiating.

From our farmer friends we learn that the wheat crop will be very much better in this section than was anticipated. The frost and cold weather of recent days made the prospects for a fair crop very unpromising, but the recuperative power of the golden cereal has been indeed wonderful. Mr. A. C. Washburn, one of the county's best farmers, was in town a few days ago and discussing the situation said that just after the frost and cold snap the crop he had planted to produce 300 bushels did not look as if it would yield 50 bushels; now he expects a crop of 250 bushels, which goes to prove the old saying, "you cannot always sometimes tell." The price of wheat is still advancing, it having passed the dollar mark.

An event which will be awaited with most pleasurable interest by their host of friends is the approaching nuptials of Miss Kathleen Fulenwider McBrayer and Mr. W. Hugh Wray on the morning of Tuesday, the eleventh of June, at nine o'clock, in the First Baptist church. Handsome engraved invitations have been sent out announcing the happy event. The bride elect is indeed one of Shelby's brightest and most lovable young women, gifted with rare graces of heart and mind and numbers her friends by the score. The prospective groom is one of our successful and highly esteemed young business men, steady, upright, honorable and deservedly popular, and may indeed count himself fortunate in winning so fair a bride.

That Cleveland county farmers are not only prosperous but that real estate itself is still riding the crest of high values was evidenced by two large land deals which were closed a few days ago. Mr. Thad Allen, one of the county's most intelligent and energetic young farmers has purchased the J. D. Lineberger plantation located about 3 miles northeast of Shelby. This property consisting of 230 acres of splendid farm and timber land brought \$7,000. Another deal was the transfer of something over a hundred acres of fine farm land in upper Cleveland, being the land of Mr. Will Crowder to Mr. John Falls, son of Mr. J. Z. Falls, Jr., the consideration being \$5,000. Mr. Falls has been living in Catawba county, but like the good citizen he is, preferred coming back to the old home county, where a warm welcome awaits him.

EVERY MAN HIS OWN DOCTOR.
The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation. Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough. Chamberlain's Pain Balm (an anti-septic ointment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatic pains. Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles. Chamberlain's Salve for diseases of the skin. One bottle of each of these five preparations costs but \$1.25. For sale by W. A. Leslie.

Dr. W. H. Wakefield, of Charlotte, will be in Morganton, at Hotel Morgan, on Monday, June 17th, for one day. The doctor limits his practice to diseases of the eye, ear, nose and throat, and on this visit his fees for testing eyes for glasses will be reduced one-half.

McDowell.
Marion Democrat, May 30th.
James C. Finley was killed by eastbound passenger train No. 12 about 2 miles east of Marion last night about 7 o'clock. Just how the accident occurred was not learned this morning before we went to press. The remains were brought here on a freight train shortly after the accident and interment will be made this afternoon. Mr. Finley was 67 years of age and is survived by two children, Miss Kate and Wood Finley of this place, one brother, J. H. Finley. Mr. Finley has resided here for many years and is well known throughout the county.

In the account of the court proceedings at Bakersville last week, the Mitchell Observer, referring to the Sorrels case, says: "Massey Sorrels, Emma Sorrels, robbery, not true bill. It will be remembered by our readers that in this latter case Massey Sorrels was killed on May 12th while resisting the officers, not, however, until he had slain one of the officers. Many will understand the cause of this great trouble and many will not. The details would not be decent for publication. The turn it has taken will shield many from public disgrace, as dead men tell no tales."

Another tragedy occurred at Camp No. 4 on the S. & W. Railway Sunday, when four or more negroes attacked a party of Italians and demanded them to "cough-up" with their cash. The Italians resisted and as a result one of the number was shot and killed, while others fared pretty badly. The negroes fled and all made their escape save one Snow, who was lodged in jail here Monday. The negroes were reported to be headed for Cranberry and officers are in pursuit. Snow, who, by the way, is as black as a crow, says one of the escaped negroes did the killing, but he does not deny being implicated in the affair.

The much talked of Fisher estate will be a pretty sure thing to the proper heirs. The amount is said to be \$161,000.00. The missing link in the testimony seems to hang upon the signatures of Adam Stephen and Barnett Fisher, who are sons of Lewis Fisher. These signatures were found last week in the county clerk's office at Harrisburg, Ky., attached to the wills of these men, by Miss Phoebe Rossiter, of Oxfordville, Wis., who is one of the claimants and has been in the search for three years. There are many of the heirs in North Carolina and Georgia—I. J. Holler, Mrs. M. C. Jimerson, Mrs. M. M. Gilbert, and Mrs. Sigmon, of Nebo. Mrs. Jane Curtis in Canyon city, Col., and Zepheniah Kanipe's first wife are also heirs of the Fisher estate. This fortune is in Germany and Attorney McCall, of Charlotte, was there recently to investigate the matter.

Let me mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my book on either Dyspepsia, The Heart, or The Kidneys. Address me, Dr. Shoop, Racine, Wis. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—means Stomach weakness, always. And the Heart and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves". Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write for my free book now. Dr. Shoop's Restorative sold by Burke Drug Co.

Fair Prices at Jamestown.
All sorts of stories have been told about the exorbitant prices charged visitors to the Jamestown Exposition who have tried to obtain accommodations at Norfolk. The stories are not true, as good accommodations can be obtained in Norfolk for prices which obtain in any other town of the same size and importance in the country. We have personal knowledge of two of the best hotels in the Virginia city where excellent quarters can be had at from \$2 to \$3.50 a day, quarters in every way as comfortable as those that could be had for the same money in any other city in the country. There are some people, of course, who would think they were robbed even if they could get their board and lodging free, and it is to be regretted that they are always in evidence when a great enterprise like the Jamestown Exposition is in progress.

REMARKABLE RESCUE.
That truth is stranger than fiction, has once more been demonstrated in the little town of Fedora, Penn., the residence of C. V. Pepper. He writes: "I was in bed, entirely disabled with hemorrhages of the lungs and throat. Doctors failed to help me, and all hope had fled when I began taking Dr. King's New Discovery. Then instant relief came. The coughing soon ceased; the bleeding diminished rapidly, and in three weeks I was able to go to work." Guaranteed cure for coughs and colds. 50c and \$1.00, at W. A. Leslie's drug store. Trial bottle free.

Caldwell.
Lenoir Topic, May 29th.
A light frost was reported in different sections of the county yesterday morning.

Rev. Mr. Terrell, of Morganton, is here attending commencement at Davenport this week. Miss Ethel Terrell, of Morganton, and Miss Ester Brown, of Weaverville, are visiting Miss Helen Shell.

Miss Eva Day, daughter of Mr. David Day, left last week for Welch, W. Va., where she was married on Thursday to Mr. N. H. Forrestor, of that town.

Mrs. J. F. England returned yesterday from Blacksburg, S. C., where she had gone to attend the funeral of her brother, Mr. John Healan, who died last Friday.

News reached relatives here last Friday of the death of Mr. John Healan at his home in Blacksburg, S. C. Mr. Healan was a son of the late Rev. Jas. L. Healan, and leaves a wife, one son, and two daughters.

Mr. F. B. Mitchell, of Game-well, received a message on the 25th announcing the death of his sister at Metamora, Ill. The message was received too late for Mr. Mitchell and his father, who is visiting him, to attend the funeral. Miss Mitchell was in her 27th year and has many friends in this county, who will regret to learn of her death.

For Over Sixty Years.
Mrs. Winslow's Soothing Syrup has been used for over 60 years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Beware of cheap imitations. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

Watauga.
Richard Minton tells us that he made from one tree cut on the land of Jas. Winkler 7,181 fine boards.

Married, on last Sunday, at Poplar Grove, Mr. Hiram Dotson to Miss Virgie, daughter of Mr. F. H. Wike.

The county singings are rapidly growing in favor in Watauga, as was proven by the immense crowd in attendance at Brushy Fork church on last Friday. Four classes were present, and we are told that the singing was fine on the part of all. The next singing will be held with the Mount Vernon church the last of July.

On Tuesday morning the freeze in this section was right reverse, and still again vegetation has suffered, but the devastation in Watauga is not near so great as in other sections, both South and West. It seems that the cold wave from which we have been suffering of late is the result of a severe frost and freeze that has been raging in the West. It is, to say the least, a rather discouraging prospect, but possibly the crops may recover from the awful backset they have received.

Get a free sample of Dr. Shoop's "Health Coffee" at our store. If real coffee disturbs your Stomach, your Heart or Kidneys, then try this clever Coffee imitation. Dr. Shoop has closely matched Old Java and Mocha Coffee in flavor and taste, yet it has not a single grain of real coffee in it. Dr. Shoop's Health Coffee Imitation is made from pure toasted grains or cereals, with Milk, Nuts, etc. Made in a minute. No tedious wait. You will surely like it. Sold by Bristol & Harbison.

A minister was imploring a friend to repent of his sins. "Well," said the sinner, "if you will answer one question I will become a Christian." "What is the question?" asked the man of God. "It is this: Who was Cain's wife?" "My friend," replied the minister, "you will never be able to embrace religion until you quit bothering yourself about other men's wives."

RHEUMATISM CAN NOT BE RUBBED AWAY

It is perfectly natural to rub the spot that hurts, and when the muscles, nerves, joints and bones are throbbing and twitching with the pains of Rheumatism the sufferer is apt to turn to the liniment bottle, or some other external application, in an effort to get relief from the disease by producing counter-irritation on the flesh. Such treatment will quiet the pain temporarily, but can have no direct curative effect on the real disease because it does not reach the blood, where the cause is located. Rheumatism is more than skin deep—it is rooted and grounded in the blood and can only be reached by constitutional treatment—IT CANNOT BE RUBBED AWAY. Rheumatism is due to an excess of uric acid in the blood, brought about by the accumulation in the system of refuse matter which the natural processes of bodily waste, the Bowels and Kidneys, have failed to carry off. This refuse matter, coming in contact with the different acids of the body, forms uric acid which is absorbed into the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. The aches and pains are only symptoms, and though they may be scattered or relieved for a time by surface treatment, they will reappear at the first exposure to cold or dampness, or after an attack of indigestion or other irregularity. Rheumatism can never be permanently cured while the circulation remains saturated with irritating, pain-producing uric acid poison. The disease will shift from muscle to muscle or joint to joint, settling on the nerves, causing inflammation and swelling and such terrible pains that the nervous system is often shattered, the health undermined, and perhaps the patient becomes deformed and crippled for life. S. S. S. thoroughly cleanses the blood and renovates the circulation by neutralizing the acids and expelling all foreign matter from the system. It warms and invigorates the blood so that instead of a weak, sour stream, constantly depositing uric acid and corrosive matter in the muscles, nerves, joints and bones, the body is fed and nourished by rich, health-sustaining blood which completely and permanently cures Rheumatism. S. S. S. is composed of both purifying and tonic properties. Just what is needed in every case of Rheumatism. It contains no potash, alkali or other mineral ingredient, but is made entirely of purifying, healing extracts and juices of roots, herbs and barks. If you are suffering from Rheumatism do not waste valuable time trying to rub a blood disease away, but begin the use of S. S. S. and write us about your case and our physicians will give you any information or advice desired free of charge and will send our special treatise on Rheumatism.
