

Looking for a Candidate for Hackett to Beat.

The Asheville correspondent of the Greensboro Industrial News sends the following:

A gentleman here to-day from the Eighth congressional district, says that the political pot in that section has already commenced to simmer, and that the Republicans are casting about for a candidate for Congress from the Eighth. The Republicans believe that the Eighth is Republican normally, and that with a strong candidate they will overcome the present Democratic majority and next fall elect a member to Congress to succeed Representative Hackett, Democrat, who is now serving his first term, having defeated former Representative Bickburn, Republican, in 1906.

It is understood that already the names of four prominent Republicans of the Eighth are being mentioned in connection with the Republican nomination. Chief among these are former Representative R. Z. Linney, and also Frank Linney, a son of R. Z. Linney. Mr. Linney, it is said, is making his fight for the nomination in opposition to the establishment of the Appalachian forest reserve. It is said that he has done no little "missionary" work in Watauga county and, says the gentleman from the Eighth to-day, the man who runs for Congress in the Eighth and advocates the forest reserve bill won't get 300 votes in Watauga.

Gov. Glenn Declines to Speak in Wilmington.

Wilmington Correspondence Charlotte Observer: In a local publication by Rev. Dr. Hale, pastor of First Baptist church, who is recognized as the leader of the prohibition forces now at work in the city, he says that it had been planned to have Governor Glenn here the past Sunday to speak in two of the churches and address an open air meeting last night in the interest of the prohibition campaign, but the Governor not desiring to take any part in the present breach between the churches in the city, wrote that he would not come unless at least two churches including the Baptists would join in the invitation to him. Dr. Hale said it was impossible to get another church besides the Baptists to join in the invitation, therefore, the city had to forego the pleasure of a visit from the Chief Executive. Later it is proposed to have other speakers and it is announced that the fight will be kept up to the finish.

Editors Deserve Sympathy.

All country editors will deeply sympathize with the editor who received the following letter: "Dear Sir—I hereby offer my resignation as a subscriber to your paper, it being a pamphlet of such small consequence as not to benefit my family by taking of it. What you need in your shete is branches and someone to russell up news and rite eddy-torials on sensible topics.

No mention has been made in your shete of me butchering a pig weighin 369 pounds, or of the gaips in the chickens out of this way. You stenjusly ignore the fact that the dry rot is eaten things up out here, and say nothing about Bill Simpson's durham bull calf breakin its legs fallin down a well, or of grandma Sipes having the sore legs.

Too important weddings here has been utterly ignored by your kolums, an two kolum obitichary writ by me on the deth of grandpa Henry was left out of your shete, to say nothing of a alfabetical poem beginning with "A is for Anny and also for Ark," writ by my darter. This is why your shete is unpopular here. If you don't want eddy-torials from this place and ain't goin to put in no news your shete we don't want said shete.

Changes in the Southern Time Table.

Salisbury Special, 5th, to Charlotte Observer.

Several changes in the Southern time table came into effect today. On the main line No. 29 will arrive at 8:45 p. m. instead of 9:15, as heretofore. With the exception that 39 and 40 are cut off this is the only change on the main line.

On the Asheville division former No. 11 will be made up at Greensboro as No. 111, will arrive at Salisbury at 8:35 a. m. and leave as No. 11 for Asheville at 9:35. No. 11 will arrive from Asheville at 9:40 p. m. and proceed to Greensboro as No. 112 at 9:45 p. m. In the case of these two trains there will be a complete change of crews at Spencer. It is expected that in a few days this arrangement will be altered so that the crews will change at Salisbury.

Salisbury people are well satisfied with the changes, as they will not necessitate the removal of the railroad men's families to Greensboro and the hour's stop-over here of No. 11 in the morning will give travelers an opportunity to visit the city and incidentally benefit the merchants.

Can't Miss It

So many ailments are purely nervous affections, that you can hardly miss it if you try Dr. Miles' Nervine. It restores nervous energy—and through its invigorating influence upon the nervous system, the organs are strengthened. The heart action is better; digestion improved, the sluggish condition overcome, and healthy activity re-established.

"Dr. Miles' Nervine is worth its weight in gold to me. I did not know what I was doing when I got it, but I got no relief. I could not eat, and I was nearly crazy. One day I picked up a paper and the first thing that met my eyes was an advertisement of Dr. Miles' Nervine. I concluded to try it and let the doctor go, and I did so. After taking two bottles I could drop myself. Then I began taking Dr. Miles' Heart Cure and now I am well and strong. After having told many the benefit I have received, I have received the benefit of it. Several of them have been cured by it. I have used it for nine years and I feel good yet."

Dr. Miles' Nervine is sold by your druggist, who will guarantee that it will refund your money.

An Unprovoked Killing in Watauga.

The Boone Democrat tells of an unprovoked murder in Watauga county on the day before Christmas. The killing occurred at Windy Gap, near Watauga Falls. Ben Guy, 15 years old, and Alex. Harmon, a grown man, were together at the store of Lewis Glenn and started home in the afternoon. About the time they reached Harmon's home, the latter, who was drunk, pulled his pistol and fired several times at a dog which belonged to Guy. The boy protested and Harmon threatened to shoot him. The boy went on his way and when he was some distance from Harmon the latter ran after him and shot him dead. Harmon then fled and has not been taken.

The Democrat says there is much feeling on account of the cruel murder. The boy was the sole support of his widowed mother and when he was killed he had in his pocket a fashinator which he had bought for a Christmas present for his mother.

Southern Reduces Rates in South Carolina.

South Carolina will get the benefit so far as the Southern railway is concerned, of the reduction in rates made by legislative enactment in other States of the South, but without the turmoil of legislative agitation and without the expense of prolonged litigation. President W. W. Finley, of the Southern railway, at a conference in the Governor's office to-day, stated that on April 1st, 1908, the Southern railway would put into effect in South Carolina the following rates: For straight tickets, 2 1/2 cents a mile; for 1,000 mile and 2,000 mile mileage books, 2 cents a mile.
