SINCE APPOMATTOX.

A General Slaughter of Dogs-A Burke | The Victory the South Has Won in Defeat.

This is the South forty-four years after Appomattox. The men of the old South went to their homes after the surrender and set to work in grim earnest. They laid the foundations of restoration firmly and deeply. Their sons and grandsons have carried on the work with intelligence, energy and efficiency. To-day the South is the tentiary from Iredell county for went through the country and most American part of this Union of forty-States. There are no outward evidences of the havoc and ruin wrought by four years of civil conflict. The economic regeneration of the South is one of the most amazing achievements of modern times. Aided substantially as it has been by other sections, the result is nevertheless an enduring monument | Correspondence of The New-Herald. to the invincible spirit and the inflexible determination of the men who many years ago at Appomatox accepted the results of war in good faith, and guided by the wise counsels of their leader, General Lee, buckled down to work on the farms and in business and in the professions in the spirit of brave and true men. Peace hath its victories no less renowned than war. One of the finest pages in the history of the United States is that which records the work of the Southern men and women after Appomat-
