## NEIGHBORHOOD NEWS.

### A Batch of Live Items Culled From the Papers of the Adjoining Counties.

**Caldwell.**  
Lenoir Topic, October 14th.  
Master Joe Cowles, who is a great great grandson of Generals Joseph Dickson and Charles McDowell of Revolutionary fame, in company with his mother, Mrs. Amelia Cowles, attended the unveiling of the battle of Kings Mountain monument last week.

Rev. W. K. Houck, of Morganton, will begin a gospel tent meeting next Sunday, Oct. 17th, near the home of his brother, Mr. H. L. Houck, one mile west of Lenoir. Mr. Houck is a successful evangelist and a good revival is anticipated.

Mr. W. L. Tuttle died at 6:30 o'clock Saturday morning at his home here, after several months' illness. The funeral services, conducted by Rev. D. P. McGeechy, were held from the Presbyterian church, of which he was a member, at 4 o'clock Sunday afternoon and the interment was in Bellevue cemetery. Deceased was about 53 years of age and is survived by a son and daughter. He was a brother of the late R. M. Tuttle, captain of the famous company F, 26th North Carolina Regiment, and a brother of C. A. Tuttle, Esq., of Lenoir.

Mr. and Mrs. J. C. Seagle are off on a visit to Washington City, New York and other points north.

Mr. J. W. Bradshaw, of Mortimer, lost by fire one night last week a portion of the equipment of his saw mill, the entire loss amounting to about \$200.

Mr. F. R. Tilley, of Granite Falls, is not only a successful merchant but an excellent stock raiser as well. He has two pigs, nine months old, which weigh each 350 pounds. This is another illustration of the value of keeping good stock.

Mrs. Monroe Lingle, after three months illness with a complication of diseases, died at her home near Adako Wednesday night at 8 o'clock and was buried Friday at Fairview church, in Burke county. Deceased was 63 years of age and is survived by a husband and five children, three sons and two daughters. She was a sister of Mrs. W. W. Bush and the mother of Mrs. Jas. Rash, of Lenoir.

### Other Caldwell Items.

There is a lot of mountain produce coming into our town these days. Cabbage, apples, Irish potatoes, buckwheat flour, chestnuts, etc. Everything is bringing a fair price except cabbage. A lot of this produce goes from the mountain wagons to down the country wagons, but the great majority of it is bought by our merchants, crated and shipped.

Married last night at 8 o'clock, by Rev. I. W. Thomas at the home of the bride, Mr. Carl W. Clarke, son of Mr. and Mrs. G. R. Clarke, to Miss Nellie Austin, daughter of Mr. and Mrs. J. J. Austin. Only a few of their intimate friends were present.

Rev. C. A. G. Thomas, of Monroe, has accepted the call of the Lenoir Baptist church and will be

here on the third Sunday in November to begin his work as pastor of this church.

Died, at his home in Oklahoma, on the 8th inst., Mr. Nifong Harshaw, aged 31 years. He was a son of Jacob J. Harshaw, and a nephew of M. N. Harshaw, of Lenoir. Nifong's father, with his family, moved to Kansas in 1891. About four years ago his father died near Manhattan, and this year Nifong, with his mother and one sister, moved to Hominy, Oklahoma, where he died. He had many relatives and friends in Caldwell, who were shocked at the news of his death.

Mr. J. R. Ervin, the engineer in charge, tells us that the new graded road from Edgemont, to the Yonahlosse, four or five miles east of Linville, was completed last Wednesday. This is a fine road and opens up some magnificent scenery that is entirely new, as it traverses a section of country through which no road has heretofore penetrated.

### Catawba.

Newton Enterprise, October 14th.  
Invitations have been received by friends in Newton to the marriage, October 20th, of Mr. James Bolick, of Conover, to Miss Koerner, of Waynesboro, Va.

The sweet potato farmers say the crop is not a big one this year. There are some fine potatoes, but not many in a row. Some say that there is not much over a half crop.

Cotton is beginning to open quite rapidly, and the farmers are selling it as fast as they can get it picked. There is still a fair greater portion of the bolls not yet opened than usual at this season of the year. A hard freeze would do a great deal of damage, but a slight frost would not be a disadvantage.

The South Fork Baptist Association will meet with Corinth church, October 26th, at one o'clock. This church is in the western part of Catawba county, one mile from Henry postoffice and about 14 miles from Newton, Hickory and Lincolnton. Rev. C. A. Caldwell is pastor of the church.

Mr. J. A. Martin, principal stockholder and manager of the Newton cotton mill, has made a bid of \$144,000 for the Elk Mountain mill near Asheville, and the Asheville papers think the sale will be made to him. The Elk Mountain is a weave mill exclusively, and is said to be equipped with very fine machinery. But it has not been a profitable investment to the stockholders and was recently sold to a receiver for \$96,000. The court declined to confirm the price and opened the matter for new bids. Mr. Martin's bid is expected to take the property.

### Cleveland.

Shelby Star, October 14th.  
Saturday was a red letter day in reality matters at the thriving little town of Patterson Springs, it being the occasion of a large and successful auction sale of fine building lots. The promoters of this sale were Messrs. John J. and Charles Wilkins of this place, and the auctioneers were the famous Penny Bros., the twin auctioneers. A large crowd was on hand and the bidding was brisk and spirited. Ninety-two lots were sold at good prices, ranging from \$20 to \$95.

Strange things happen in these piping times of various activities when everybody is hustling for number one. We have "heer'n tell" of cats adopting chickens—of turkey gobblers mothering puppies, but it remained for the editor's cow to adopt a pig and care for it as tenderly as if it were her own offspring. But

**THE BEST PLASTER.**  
A piece of flannel dampened with Chamberlain's Liniment and bound on the affected parts is superior to any plaster. When troubled with lame back or pains in the side or chest give a trial and you are certain to be pleased with the prompt relief which it affords. This liniment also relieves rheumatic pains and is certain to please anyone suffering from that disease. Sold by all druggists.

such is the case. And our testimony on the subject has corroborated.

The friends of Superintendent Woodward of the Shelby and R. Mont Cotton Mills will learn with regret that he is confined to a home by illness.

Revival services are being held this week at the Sacred Mount church. J. Thompson is the capable able pastor. He is being assisted in the meeting by Revs. J. P. Rogers and E. N. Crowder, as much interest is being manifested.

### McDowell.

Marion Democrat, October 14th.  
The Democrat is glad to announce that S. E. Whitten, business manager of this paper, who has been sick with fever, is recovering and we hope will soon be at his place of duty.

Judging from the announcements already made there will be about eight candidates in the race for Congressman Grant's job in the tenth district. Asheville is furnishing most of them.

Spartanburg has again honored Marion by inviting Mayor H. W. Dysart to make a speech there on the day of the C. C. & O. celebration. Others who have been invited to speak are Gov. Kitchin, Mayor Rhett, of Charleston, and the mayors of Johnson City, Rutherfordton and others.

Poor Mr. Sears, of the firm of Sears, Roebuck & Company, has retired from business after twenty-five years of hard labor. He only made twenty-five million dollars in the mail order business. How much did the people of McDowell county contribute to this colossal fortune?

### Watauga.

Boone Democrat, October 14th.  
Judge Council, of Hickory, came over last Friday and while here exchanged his Rich Mountain lands with Dr. Little for his Catawba county farm. The exchange will doubtless be a very great convenience for both parties.

We have heard of many, yes very many, heavy yields of buckwheat, but evidently James Hodges, of Sands, has by odds the best report so far. Off of 1½ gallons of seed sown he threshed 12 bushels of fine grain. Any better paying crop than that?

The meeting which has been going on for several days in the Methodist church closed on Saturday night last, but was continued at the Baptist church on Sunday, and up to this time services are still going on in the afternoon and night, right much interest being manifested.

The Industrial School at Valle Crucis was opened by Bishop Horner on Tuesday, Oct. 5, with 4 teachers and 35 students, the faculty as follows: Mrs. E. D. Tongue, Prin.; Mrs. Holcombe, Matron; Miss Medford, Miss March, Miss Phelps and Rev. J. C. Seagle, teachers; Rev. H. A. Dobbin at the head of the farm and dairy department; Mrs. Finley Mast instructor in weaving and its branches. On Wednesday, Oct. 6, the Bishop dedicated the new dormitory, naming it Auchterny Hall, in memory of his wealthy lady in New York who gave the most of the money for its erection and fitting as a modern building in all its equipment, heated by steam and fitted with bath rooms.

### Greensboro Female College Endowed With \$100,000.

Raleigh News and Observer.  
People all over the State will be glad to read the following announcement that the \$100,000 endowment fund for Greensboro Female College, made this morning by Mr. Charles H. Ireland, secretary of the board of trustees, who says: "I have just received from Mr. Andrew Carnegie his check for \$25,000, his gift to the endowment fund of Greensboro Female College. A few days ago I received from Mr. B. N. Duke his check for \$10,000. These two contributions brought our fund up to \$100,000, the goal for which we have been striving for the past three years. About one thousand persons from all parts of the State have contributed to this fund, and we are deeply grateful for every gift. Greensboro Female College is now, with one exception, the only woman's college in the M. E. Church, South, that has an endowment of \$100,000.

### Candidates for Congress and Judge.

Newton Enterprise.  
Mr. H. E. C. Bryant writes an interesting letter from Asheville to the Charlotte Observer on the prospective political contests of next year. Nearly all the Congressional districts and some of the Judicial districts are reviewed by Mr. Bryant. The following quotations are most interesting to this particular section:

"A week has brought about a different state of affairs in the ninth. The indications are that Mr. Webb will not have serious opposition, unless it comes from Judge W. B. Council. Mecklenburg is almost ready to stand pat. Friends of Mr. W. C. Dowd do not believe that he will run. Col. W. C. Maxwell, who is very strong with a faction of the party in the county, is too busy to worry much about political honors. There are some latent aspirants who will not likely bob up at this time. The clouds that hovered about the head of Yates Webb are passing.

"It is said that Messrs. E. B. Cline of Hickory, Edmund Jones and Lawrence Wakefield of Lenoir and Mr. Thomas B. W. Finley of Wilkesboro would like to succeed Judge Council. The friends of J. L. Gwaltney of Alexander may urge him for the nomination, believing that he has the ability, the character and the temperament for the position; they would rather see him on the bench than have him go to Congress."

### The Law as to Scarlet Fever.

Raleigh Cor. Charlotte Observer.  
At the meeting of the Wake County Medical Society to-day a question of very great importance to Raleigh and the entire State was settled, this being the power and right of physicians in cases of scarlet fever. The matter was brought up by a leading physician here, who took the view that mild cases were more dangerous to the community than severe ones, for the reason that patients on an average, took very slight precautions, while in well developed cases extreme precautions were taken, the fact being that the disease can spread from a mild case as well as from the well developed and severe ones. Secretary Rankin of the State Board of Health, and Dr. Lewis,

the former secretary of that board, appeared before the meeting, upon special request, and set forth the law with perfect clearness. The law is mandatory that all cases of scarlet fever, whether mild or severe, without exception are subject to 49 days quarantine, and no person except the superintendent of health can raise this quarantine or shorten it by even one day. The family doctor has no right in the matter further than to be able to report to the superintendent that in his judgment the patient is well. Some physicians who took the view that there was or might be a difference in the quarantine in mild and severe cases, expressed their pleasure at the ruling of the official and said they were entirely satisfied and would act in complete accordance with it. This settles the entire question; not only for Raleigh but for all North Carolina.

### ACTUAL STARVATION.

### W. A. Leslie Gives Facts Regarding Dyspepsia.

Although indigestion and dyspepsia are so prevalent, most people do not thoroughly understand their cause and how to obtain relief. There is no reason why people should not eat anything they desire—if they will only chew it carefully and thoroughly. Many actually starve themselves into sickness through fear of eating every good-looking, good-smelling and good-tasting food, because it does not agree with them.

Dieting cannot cure dyspepsia. If we refuse every article of food that disagrees with us, before long we have nothing left, and find ourselves chronic dyspeptics. We are so confident that we can furnish relief for indigestion and dyspepsia that we promise to supply the medicine free of all cost to every one who uses it according to directions who is not satisfied with the results. We exact no promises and put no one under any obligations whatever. Surely nothing could be fairer.

We are located right here where you live, and our reputation should be sufficient assurance of the genuineness of our offer. We want every one who is troubled with indigestion and dyspepsia in any form to come to our store and get a box of Rexall Dyspepsia Tablets. Take them home, and give them a reasonable trial, according to directions. They are very pleasant to take; they soothe the irritable stomach, strengthen and invigorate the digestive organs, promote a healthy and natural bowel action, almost immediately relieve nausea and stomach irritation, produce healthy digestion and assimilation, and promote nutrition.

### HER PHYSICIAN ADVISED

Taking Lydia E. Pinkham's Vegetable Compound  
Columbus, Ohio.—"I have taken Lydia E. Pinkham's Vegetable Compound during change of life. My doctor told me it was good, and since taking it I feel so much better that I can do all my work again. I think Lydia E. Pinkham's Vegetable Compound a fine remedy for all women's troubles, and I never forget to tell my friends what it has done for me."  
Mrs. E. HANSON, 304 East Long St., Columbus, Ohio.  
Another Woman Helped.  
Graniteville, Vt.—"I was suffering through the Change of Life and other annoying symptoms. Lydia E. Pinkham's Vegetable Compound restored my health and strength, and proved worth mountains of gold to me. For the sake of other suffering women I am willing you should publish my letter."—Mrs. CHARLES BANCLAY, R.F.D., Graniteville, Vt.  
Women who are passing through this critical period or who are suffering from any of those distressing ills peculiar to their sex should not lose sight of the fact that for this year Lydia E. Pinkham's Vegetable Compound, which is made from roots and herbs, has been the standard remedy for female ills. In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound.

### Royal Baking Powder is the greatest of time and labor savers to the pastry cook.

Economizes flour, butter and eggs and makes the food digestible and healthful.  
**ROYAL BAKING POWDER**  
Makes most healthful food  
No alum—no lime phosphates  
The only baking powder made from Royal Grape Cream of Tartar

### Money Comes in Bunches.

The Lancaster News, the Charlotte Observer, and, if memory serves us right another paper or two have referred to the fact that the small boys are crazy about the pictures of noted baseball players which are sent out in cigarette packages and gamble for them openly by "matching" pictures. A citizen of Monroe calls our attention to the fact that the same conditions exist here and suggests that something ought to be said about it. Take one of these little fellows up who is flipping his picture cards in hope of winning and send him home with a report concerning his doings, and the chances are that his mammy will be off somewhere playing with cards for a prize or will have a

### DR. FRANCIS S. PACKARD

OF GREENSBORO, N. C.

Expert Physician, Surgeon and Specialist

Will visit Morganton, 3rd Visit, on Monday, October 25th, Hotel Morgan, and every month regularly thereafter.

One Day Only—Returning Every Four Weeks

Hours: 8:00 A. M. to 6:00 P. M.

Medical Expert in Treatment of Chronic Diseases of Men, Women and Children.

Dr. Packard has made more remarkable cures than any living physician in the Southern States.

No incurable cases taken for treatment. His assistants employed or trusted.

I see all patients in person. No consultation by letter.

Minors without their parents or husbands will not be permitted to consult with their local physician.

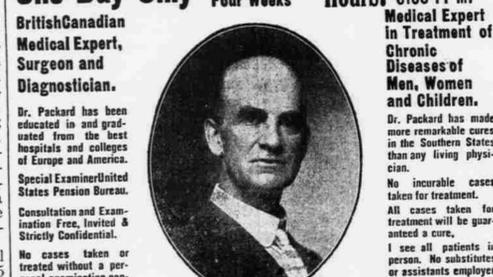

Consultation and Examination at all times FREE and Invited.

Medically replaced in a very few minutes. Diseases peculiar to men, or any complicated trouble beyond the aid of the general Practitioner, and if you have tried everything else and failed, and if you care to get well again, then go and see this advanced and progressive Specialist of experience and reputation. Who, if there is a cure for you, will bring it about and produce it with the aid of the greatest scientific methods of modern times, which he has mastered and has at his command.

NO MATTER—What your ailment may be; NO MATTER what others may have told you. No matter what your experience may have been with other Physicians, Hospitals, Sanitariums, Institutions or Patent Medicines, it will be to your advantage to see this remarkable Doctor of Science, who is a specialist in all diseases of the human system, and who is the greatest center of knowledge in the world today. Go to him, and have it forever settled in your mind that, if your case is curable, he will put you on treatment at once, and give you all the best medicines or remedies and preparations needed to effect your cure. If incurable, he will tell you so, and give you such counsel and advice as may prolong your life, or cure you with a view to a cure.

Remember—There is not a scheme or catch often the case. This is a legitimate profession and you deal with your Doctor Yourself. Do not let any one else take your money and your health, and give you a cure that is not what you need. Every Statement here made is guaranteed as True. A visit for Consultation and examination will cost you nothing, and implies no obligation on your part. If treatment be decided on and given you, it will restore you to the fullness of your life. A Nominal fee will be charged if the Case can be treated with a view to a cure.

Do not put off this duty you owe to yourself, your Family, your Friends and your relatives who are now or may later be suffering because of your neglect of this Disease and procure Health without which life is a mere torment and a painful burden. Remember the Date and Place.

### Low Fares

On the 1st and 3rd Tuesdays of each month, very low fare round trip tickets will be sold via the Cotton Belt Route to points in Arkansas, Louisiana, Texas and Oklahoma. Take advantage of these low fares and investigate the wonderful opportunities now open in the Southwest. The 25 day return limit gives you ample time, and you can stop over both going and returning.

### The Direct Line to Texas

The Cotton Belt is the direct line from Memphis to the Southwest, through Arkansas. It operates two daily trains, carrying through sleepers, chair cars and parlor-cars. Trains from all points make direct connection at Memphis with Cotton Belt trains for the Southwest.

Do not delay your trip to the Southwest until the big opportunities are gone—write me to-day where you want to go and I will show you how cheap you can make the trip and give you complete schedule, etc. I will also send you free our books on Texas and Arkansas, with County map in colors.

H. H. SUTTON, District Passenger Agent.  
H. E. ALLEN, Passenger Agent.
