## THE NEWS-HERALD CORN CONTEST.

Let the Farmers of Burke Get Ready to Enter  
The News-Herald's Corn Contest, in Which  
Handsome Prizes Are Offered.

THE NEWS-HERALD is poor, but feeling an interest in the welfare of the Burke county farmers, (and their prosperity means prosperity for the whole county,) we are going to offer as a prize to the farmer who raises the most corn on one acre this year a Burkemont Steel Range Cook Stove. To the Burke farmer making the next largest yield of corn on one acre we will give a \$15.00 Suit of Clothes. To the farmer making the third largest yield on one acre the best Hat to be found in Morganton. To the farmer making the fourth largest yield of corn on one acre a Nice Pair of Shoes.

So make your preparations and get in the contest, which is open to the whole county—men, boys, women and children. These are expensive prizes for the county paper to offer; but we have faith that the venture will be appreciated and, best of all, that many thousands more bushels of corn will be raised in Burke county this year than last as a result. Then we will all be rewarded.

In ample time judges will be selected to measure the ground, see the corn and make the awards. All desiring to enter the contest will be required to register at THE NEWS-HERALD office and the names and addresses of all contestants will be published. It is desired that it be a square deal all around and we shall endeavor to make it so.

We are authorized by the Morganton Hardware Co. to say that in addition to THE NEWS-HERALD'S first prize they will present to the farmer making the best yield of corn on one acre a No. 13 Oliver Chilled Plow. The Quaker Meadows Dairy, Mr. C. M. McDowell, proprietor, will also add to our prizes as follows: First, a fine Jersey or Guernsey Calf; second, a fine Poland China Pig; third, two dollars in cash; fourth, one dollar in cash.

Here are nearly a hundred dollars in prizes to go to the four farmers making the best yields of corn on an acre. Begin now and win one of them. And in the meantime, if you are not already a subscriber to THE NEWS-HERALD, bring or send in your subscription that you may keep up with the corn contest, and also keep posted on the general news of the day.

Linville for Judge.

Our people are all for J. F. Spainhour for Judge. Joe is one of us. He was raised among us and we like him. He was raised on Upper creek on the farm and without money or influential friends. W. G. Randall, who was raised in the same neighborhood, he has, by his own energy and that of his mother with which God endowed him, forged his way to the front. He is a man of fine character, a noble lawyer, has made us an able and impartial Solicitor and I'm sure will make us a fine Judge. I see no reason why we may not nominate him. If we will go to the convention with a strong delegation determined to nominate Joe for Judge and willing to give the solicitorship to some other county, we will succeed; but if we go to the convention asking for both Judge and Solicitor—for everything the convention has to give—then we will fail to get anything, and we ought to fail.

LINVILLE.

Rev. C. C. Brothers Insane.

The following from the Hickory Democrat of Jan. 27th will be read with interest and sorrow in Burke, where Rev. Mr. Brothers is well known, having worked in this county while a member of the W. N. C. Conference: "There is much sympathy for Rev. C. C. Brothers, a superannuated Methodist minister who had the Catawba circuit in 1897 and 1898, over the loss of his mind. He recently returned from Fairview, Buncombe county, to live, and then his mind gave way. As he was being taken from there to Morganton those on the train were startled when he said: 'A wire has just gone around the earth that the world will be saved by the grace of God and Japallac.' Mr. Brothers is said to be suffering from spinal neuritis."

IT SOOTHES the CHILD'S SOFTENED GUMS, ALLAYS ALL PAIN, CURES WIND COLIC, and is the best remedy for DIARRHOEA, and is given in every part of the world. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. Twenty-five cents a bottle.

Young Men in Politics.

Should young men take interest in politics is a question asked. We are one of those to believe that they should. The destiny of our country now lies in the hands of our young men. They will be called on through the ages to come to shoulder the burdens of life and in a large way shape the policies of the people. Young men are wanted in politics and no man should frown down on any ambitious young man who has the mind for politics and who will take a deep interest in it all the while. Strong young men are wanted in the political life of our country to-day. We pity the man who takes no interest in politics.

### A STARTLING STATEMENT.

New York Medical Authorities Claim  
Dyspepsia to be a Pre-Disposing Cause of Consumption.

The post mortem statistics of the big New York hospitals show that some cases of consumption are due, at least indirectly, to unchecked dyspepsia, especially when the victim was predisposed to tuberculosis.

Dyspepsia wears out the body and brain. The weakened, irritable stomach being unable to digest food, the body does not receive the required nourishment, and the victim becomes thin, weak and haggard. As a result, the body becomes a fertile field in which the germs of disease may lodge and flourish.

Therefore, the person who permits dyspepsia to progress unhindered is guilty of contributing toward the development of one of the most insidious and fatal disorders known to mankind. Dyspepsia may be completely eradicated if properly treated. We sell a remedy that we positively guarantee will completely relieve indigestion or dyspepsia, or the medicine used during the trial will cost the user nothing. This remedy has been named **REXALL DYSPEPSIA TABLETS**. Certainly no offer could be more fair, and our offer should be proof positive that **REXALL DYSPEPSIA TABLETS** are a dependable remedy.

Inasmuch as the medicines will cost you nothing if it does not benefit you, we urge you who are suffering with indigestion or dyspepsia to try **REXALL DYSPEPSIA TABLETS**. A 25-cent box contains enough medicine for fifteen days' treatment. For chronic cases we have two larger sizes, 50 cents and \$1.00. Remember you can obtain **REXALL REMEDIES** in Morganton only at our store.—The Rexall Store. W. A. Leslie.

## Afraid of Ghosts

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terrors it would appear more terrible than any fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a hollow cheek, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed.

"Golden Medical Discovery" contains no alcohol, whiskey or habit-forming drugs. All its ingredients printed on its outside wrapper. It is not a secret nostrum but a medicine of known composition and with a record of 40 years of cures. Accept no substitute—the least is nothing—"just as good." Ask your neighbors.
