Local and Personal.

The State Hospital had strawberries from their garden last Saturday.

Miss May Murphy has returned home from a visit of several weeks in Georgia and Florida.

Mr. John W. Martin has been attending a meeting of Shriners in New Orleans the past week.

Quite a number of Morganton people attended the Morganton-Lenoir debate at Lenoir last Friday night.

Rev. W. L. Sherrill, assistant editor of the Greensboro Christian Advocate, was a visitor in Morganton Tuesday and Wednesday, the guest of Rev. W. F. Womble.

Joseph Ervin, young son of Mr. S. J. Ervin, was taken to Dr. Long's hospital, in Statesville, a few days ago for treatment for an affection of one of his legs.

Miss Mabel Miller, daughter of Prof. John Miller, has returned home after five months' treatment in the University Hospital, in Philadelphia, for her eyesight, which is very much improved.

Although from recent occurrences it seems to be dangerous to mention "Postoffice" in Morganton, it is understood that at last temporary quarters for the office have been selected, in the Haskins building, on Union street.

Mr. Thornwell Anderson, of Middlesboro, Ky., visited his mother and other relatives here the past week. He is one of the many old Morganton boys who have met with success in other fields.

Let everybody remember the Laymen's Convention this week. The first meeting on Friday night will be a rousing one. A great many people from the county are expected for the two meetings on Saturday and Sunday.

Henry Moore, colored, formerly of Morganton, who shot and killed Henry Hawkins, also colored, in a card game at Lexington on March 20th, was tried in the superior court in that town yesterday and convicted of murder in the second degree.

The weather of the past week has been very cold for April, and as vegetation is farther advanced than usual, owing to the warm weather the last of March and the first of April, our people have naturally been very anxious about the wheat, the fruit and the gardens.

Advice to Men About Speculate. Chicago Correspondence in New York Evening Post.

"What shall I do with my money?" was the question put to a broker this week by a new investor who had saved \$500 and wanted to get into the wheat market and make some easy money.

The Proposed Public Building.

A telegram from Congressman E. Y. Webb, replying to a request that he arrange for a hearing before the House Committee on Public Buildings and Grounds on the bill for a public building in Morganton—the bill printed in this paper last week—says that he has arranged for a hearing in Washington on Wednesday, April 27th.

Mr. S. J. Ervin has expressed his willingness to be present and make a speech for the bill before the committee. Mr. W. C. Ervin says he will also go to Washington in the interest of the bill. It is hoped that as many other citizens as can make it convenient will go for the hearing on the 27th, as it is believed that with the proper interest shown from Morganton a favorable report on the bill and its passage at the present session of Congress is assured.

The Morganton-Lenoir Debate.

The joint discussion, between Oliver Webb and Edgar Kirksey of the Morganton graded school and James Pritchett and Ed. Cloyd of the Lenoir graded school at the Lenoir graded school last Friday night was a very interesting and enjoyable occasion. The auditorium was filled with interesting spectators and friends of the opposing parties. Much interest centered in the discussion because it was the second of a series between the schools, Morganton having won the victory a year ago.

THE MORGANTON CORNET BAND. The boys have nice new uniforms and make a fine appearance, and not only that, after hard work during the past winter they now make excellent music.

Lend Your Aid to the Burke County Poultry Association and Show.

Now that the Burke County Poultry Association has been organized and there is positive assurance that the Association will hold a poultry show this winter let us all pull together and make the association and the show a grand success.

Now is the time to lay the foundation for prize winners in this show. If you are already a breeder of pure-bred poultry look carefully to the development of your young stock that you may properly bring it to maturity.

The aim of the association is to encourage the breeding of standard-bred poultry and to this end the association urgently asks your co-operation.

Another thing—whether or not you are a member of the association, you can enter your poultry in the show to be held this winter, but I would urge every breeder to become a member of the association.

by popular vote in this country. The Morganton boys, while presenting good grounds for their contentions, were however outclassed by the Lenoir speakers and the judges after considerable deliberation rendered the verdict in favor of the negative.

From Linville.

The most of the farmers of our neighborhood are through planting corn and are now spending the spare time talking politics and other important matters.

We read in the last issue of THE NEWS-HERALD a short account of the Linville-Morganton base ball game which was not exactly to our satisfaction. It seems that Morganton thinks we don't want to play any but the team we did. Right here we want to invite the first team of Morganton to the Linville ground, and they need not wait until it rains.

Respectfully, SHORTOFF, Fonta Flora, N. C., April 18, 1910.

from the garments of one who had been immured for some time in Mint Pie. Yes, they hate to attack Yates Webb's record—the dear magnanimous Republicans do.

"Dear, darling sugar-plum, honey, sweet-heart people, we love you. Not that we love Yates less but you more. Dear people, we Republicans will play Ruth to your Naomi—if you will marry us to a nice Boaz job."

"We have one advantage over our Democratic friends. We are not good haters. If in the coming campaign we attack Mr. Webb and his record, it will not be through a spirit of hate but through love for the people.

This is a beautiful sentiment—just such as we would expect to drip, like honey from a bee tree.

Mr. Thomas Lowdermilk Entertains at a Birthday Supper.

The following from the Gastonia Gazette of the 8th will be read with interest by the many friends of Mr. Lowdermilk in Morganton and Burke county, his old home: "Wednesday night Mr. Thomas Lowdermilk gave a birthday supper in honor of his friend, Rev. A. S. Anderson, the occasion being a celebration of Mr. Lowdermilk's forty-fourth birthday.

SAVED FROM THE GRAVE.

"I had about given up hope, after nearly four years of suffering from a severe lung trouble," writes Mrs. M. L. Dix, of Clarksville, Tenn. "Often the pain in my chest would be almost unbearable and I could not do any work, but Dr. King's New Discovery has made me feel like a new person.
