ADS HAIR REVIVER

This is one of the best preparations made by the American Drug-Syndicate at its laboratory in New York, and it has proved to be the greatest tonic for the hair ever compounded by modern pharmacy. It is guaranteed to contain nothing that is in any way injurious to the hair or scalp, but is simply a scientific preparation which, when faithfully applied, does away with dandruff, cleanses and heals the scalp, strengthens the roots, stimulates the growth and adds beauty and lustre to dull, dry, lifeless hair which is fading in color and slowly dropping out.

A. D. S. Hair Reviver aims to prevent baldness by removing the disease germs which affect the roots and vitality of the hair. In short it revives. It acts as a germicide, and has a tendency to produce a thick head of beautiful hair, full of life and color, which greatly adds to the attractiveness of any man or woman.

A. D. S. Hair Reviver is not an experiment—it is not an ordinary mixture of merely pleasant smelling ingredients—it is not a wash which removes the dirt and grease and stops there, but it is a medicinal remedy which penetrates the hair through its antiseptic action upon the very roots and scalp in which they grow, and it is sold to you by the 12,000 responsible druggists who compose the A. D. S., with the distinct understanding that if it disappoints you your money will be promptly refunded.

You can get A. D. S. Hair Reviver at any A. D. S. drug store.

A GREAT SCHEME.

Let Us Connect With the Automobile Line from North to South at Salisbury, Bringing It Up the Western Road Via Morganton to Asheville and Knoxville—Would Work Wonders to this Whole Section—Meeting at Hickory Sept. 1st.

An automobile road from North to South, to give the great host of pleasure-seekers an opportunity to find rest and diversion, is now fully assured. Through the beautiful Shenandah Valley, where was heard the roll of musketry and the boom of cannon, when our two sections met in deadly conflict in the terrible days of '61 to '65, there now echoes nothing more terrifying than the "honk! honk!" of the automobile as it flies along at its happy go-lucky forty-mile gait, introducing its occupants to fields of waving grain and as fine a country as can be found, except our own here.

This line of road will pass through Salisbury in connecting the rich cities of the North and South, and what greater scheme can be imagined than for us to connect with this road there and bring these sight-seers on through our beautiful mountains to Asheville, Knoxville, &c.? This plan is now being considered and a meeting will be held in Hickory on Sept. 1st for the purpose of pushing this project, which, if carried out, will work great wonders to this whole section, especially along the line of the road.

What greater incentive could be offered us than the benefits of this great scheme? Just think of the many advantages this would give us in advertising our country and drawing desirable immigrants and offering them the benefits of the best climate on earth, a country of great natural resources, producing fine wheat, oats, corn, rye, hay, Irish and sweet potatoes. We have the Iso-thermal belt, where Jack-frost fails to fall and the love of the everbearing fruit tree. We have the purest Anglo-Saxon blood that can be found in the whole United States, in our veins, and let us work together and build this very important road and attract such men as have built the Tannery and Furniture Factory.

How can this be accomplished? By concentrated action on the part of the counties and townships through which this road would run and by having such laws passed as will enable them to accomplish this end. Burke county would have about 30 miles of this road, passing through Icard, Lovelady, Morganton and Silver Creek townships, and when this is completed collateral branches will soon follow and open up the whole county. As for issuing \$200,000.00 of bonds to build roads generally in the county, this will hardly meet the approval of the people, as they fear incompetent and inexperienced hands may be elected to expend this great amount of money and their hard earnings improperly applied, as such men as Mr. Jno A. Dickson, a man of splendid business ability, is very hard to keep in this position—Chairman of the Board of County Commissioners—as he gets but little else than the consolation of knowing that he has done his best and the blame of those he fails to satisfy.

Do you favor building this road? If so, let's build it.

Truly,
JOS. ERNEST ERWIN.

North Carolina Gems at Spruce Pine.

Messrs. Wolfe Brothers are today sending to New York to be cut and polished some fine native North Carolina gems which were found at Spruce Pine. The region about Spruce Pine on the new Carolina & Clinchfield Railroad yields nearly every kind of gem known. In the collection which was sent off today by the local jewelers were beautiful specimens of topaz, garnet, golden beryl, aquamarine, amethyst and rhodolite. In this same region are found some of the clearest and most perfect diamonds in the world and the mining of these different gems become quite an industry in that section, together with the mining of monazite, of which North Carolina supplies a large part of the world's supply.

C. & N. W. Sheds Burned.

The Carolina & North-Western Railway shops on Walnut street, this city, were completely burned to the ground by fire which was discovered at four o'clock this morning. The fire department reached the scene shortly after the alarm was turned in, and rendered valiant service, but the fire had gained too much headway, and all that could be accomplished was to prevent the flames from reaching adjoining buildings.

The C. & N. W. shops were in a large frame building and were well equipped. The machinery and appurtenances were new and up-to-date, and the little road would be badly crippled as a result of the disastrous fire. The loss included the buildings, all of the machinery, two locomotives and

one passenger coach that had just been repaired. The loss will figure up something like \$75,000 with insurance possibly about one-fourth the amount.

[Later reports place the loss at \$50,000 with \$22,000 insurance.]

Dysentery is a dangerous disease but can be cured. Chamberlain's Colic, Cholera and Diarrhoea Remedy has been successfully used in nine epidemics of dysentery. It has never been known to fail. The Monument to the Confederate Soldiers of Burke to Be Placed in Court Square.

In THE NEWS-HERALD of Sept. 5th, 1907, giving an account of the Confederate veterans' reunion of the month previous, we find the following: "Just before dinner C. F. McKesson, in a short talk, urged that steps be taken to erect a monument to the Confederate dead of Burke, and the sentiment was warmly applauded." In furtherance of this idea a committee was appointed, and at its first meeting the Hon. A. C. Avery was elected chairman and Miss Sue Tate, secretary and treasurer. The seed thus sown has yielded splendid fruitage in the shape of the handsome monument which will be unveiled this month and the picture of which is here presented.

The committee selected for and charged with the duty of contracting for the building of a monument in the court house square at Morganton to the Confederate soldiers of Burke county and of providing plans for the collection of the funds necessary to erect the same, have entered into a contract with a leading firm of Spartanburg, South Carolina, who are bound not only to finish the monument in imposing and handsome style, but to place slabs around the base of the same on which will be inscribed the

name, rank, and regiment of every soldier who went out from Burke county to fight the battles of the Confederacy. The total cost of this monument, including a handsome railing around it to protect it from defacement, will be about three thousand (\$3,000.00) dollars.

The committee expect the member of the House of Representatives to be elected this year for Burke county to see that an act is passed requiring the county to pay one-half of this sum, the remaining half, fifteen hundred (\$1500.00) dollars, they expect you and other patriotic descendants and relatives of our veterans and persons wishing to honor the heroes of the lost cause to bestir yourselves and with the aid of one or two general canvassers for the whole county, to collect by the first of August, next.

The committee expects you to approach the descendants, male and female, of all veterans, living and dead, to the fourth generation and insist upon a subscription for a monument on which the name of an ancestor,

father or grandfather, or kinsman will be inscribed as a lasting memorial to his bravery and patriotism.

All contributions collected by you for the monument will be paid to Miss Susan Tate, Treasurer, Morganton, N. C.

A list of the names of contributors and the amount contributed by each will be placed in the corner stone, and one preserved by the Daughters of the Confederacy.

The people of Burke are a brave, noble, patriotic people, a people loyal to their past, a people held by heart traditions, and we appeal to them to arouse their pride, to awaken their patriotism and contribute liberally of their means to pay for this monument. It must be paid for, and every man and woman in Burke ought to feel it a pleasure as well as a duty to lend a helping hand. Don't wait to be asked again.

NASAL CATARRH.

Henry L. Britton Says it is Easy to Get Rid of.

"My head, nose and glands leading to my eyes and nose were stopped up and swollen, I tried several so-called catarrh cures, but Hyomei, used thoroughly did the curing. There is nothing too good to say in favor of Hyomei. It cured my nasal catarrh."—Henry L. Britton, Frost St., Eaton Rapids, Mich.

Hyomei (pronounced High-o-me) cures catarrh, because it gets where the germs are, and destroys them. It is made of Australian eucalyptus, mixed with other healing antiseptics. When breathed over the irritated and inflamed membrane, it gives relief in two minutes.

Used regularly for a few weeks it will build up and heal the germ-infested membrane and drive out catarrh.

If you own a small Hyomei pocket inhaler, you can get a bottle of Hyomei at druggists everywhere, or Leslie's drug store for only 50 cents. If you do not own a Hyomei inhaler, ask for a complete outfit, the price is \$1.00. It is guaranteed to cure catarrh, coughs, colds, croup or sore throat or money back.

STATE COMMITTEE MEETS.

A. H. Eller Re-elected Chairman—W. E. Brock Succeeds A. J. Field as Secretary—Will Investigate Sixth District Situation—Resolution for State Primary Law Offered.

The state democratic executive committee to-night re-elected A. H. Eller, of Winston-Salem, chairman by acclamation and named W. E. Brock, of Anson county, secretary instead of A. J. Field, who found it impossible to serve longer owing to his duties as private secretary to Governor Kitchin.

The attention of the committee was directed to the conditions in the sixth congressional district where both O. L. Clark, of Bladen, and H. W. Codwin, of Harnett, claim the nomination for congress.

After a lengthy discussion the committee adopted a resolution directing the chairman to appoint a committee of five good democrats to investigate the situation, decide first as to the jurisdiction of the committee to take action and then as to whether there has been a nomination, who the real nominee is, if any, and if there is none then to recommend what course should be pursued.

This action was taken after a lengthy discussion in which the necessity of some action to unify the divided forces in the district was especially emphasized. The chairman is to announce his committee later.

A. J. Field offered a resolution declaring that in the opinion of the executive committee the time has come when a uniform primary law to apply to all parties and all state elections should be enacted and recommending such legislation for the next general assembly. Action was postponed as to this until the next meeting of the committee, which will probably be when called together to hear the report of the special committee on the sixth congressional district situation.

Drowned Himself in Court Square Fountain.

Asheville Dispatch, 21st.

John Morrison, aged 72 years, an agent for the Virginia Life Insurance company, committed suicide some time last night by drowning himself in the fountain in the rear of the county courthouse grounds. His body was found floating in the four feet of water this morning by Janitor Dan Smith, of the county courthouse. He had left his cap on the bank near the fountain and Smith saw him floating under the water. When taken out he was found to be in his stocking feet, his shoes being found in his room. He was apparently feeling gloomy and downcast Wednesday. He came here from New York about a year ago and lived with his wife and sister. He was a member of the First Presbyterian church, and had a number of friends who were shocked to hear of the rash deed.

To keep your health sound; to avoid the ills of advancing years; to conserve your physical forces for a ripe and healthful old age, guard your kidneys by taking Foley's Kidney Remedy. W. A. Leslie.

ANSWERS EVERY CALL.

Morganton People Have Found that This is True.

A cold, a strain, a sudden wrench. A little cause may hurt the kidneys. Spells of backache often follow. Or some irregularity of the urine. A certain remedy for such attacks. A medicine that answers every call. Is Doan's Kidney Pills, a true specific. Many Morganton people rely on it. Here is Morganton proof. Mrs. M. M. Piercy, Green St., Morganton, N. C., says: "In my case Doan's Kidney Pills proved to be a very reliable remedy. I suffered for over ten years from weak kidneys and when I caught cold it was sure to settle in these organs, causing my back to ache intensely. I tried a number of remedies, but nothing gave me relief until I used Doan's Kidney Pills. They proved of great benefit and therefore, I recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Resolutions.

Whereas, it has pleased the Supreme Ruler of the Universe, in His Allwise Providence, to call from us to His eternal home, our friend and brother, George Shurforsj Abernethy.

Resolved, That while we bow in humble submission to Him who giveth and taketh away, Bridgewater Lodge, Number 169, K. of P., has suffered an irreparable loss.

Resolved, That the wise counsel of the deceased in the administration of the affairs of the Lodge, his high personal character, his courteous demeanor, and his genial companionship, will ever serve to perpetuate his memory among the members of our order. His death leaves a noble memory in lieu of a useful life.

Resolved, That to the bereaved father and mother, brothers and sisters and his other relatives, we extend our deepest sympathy, and pray that the balm of the Great Physician may be applied to their wounded hearts.

Resolved, That these resolutions be spread upon our minutes, that a copy be sent to the family of our deceased brother, and that copies be furnished the Hickory Democrat and THE MORGANTON NEWS-HERALD with a request that they be published.

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

WE DO NOT RECOMMEND

Sutherland's Eagle Eye Salve for anything but the eyes. It is a speedy and harmless cure for granulated lids, scrofulous sore eyes, styes, weak eyes and dimness of vision. Sold everywhere 25c.

Her Troubles.

Single Man (to himself)—I am sure that darling little angel loves me. She takes me into her confidence and tells me all her troubles. Same Man (some years later)—Confound it all! From morning till night and night till morning when I'm at home I hear nothing but tales about the servants, the butcher, the butler, the baker, the candlestick maker and all the rest of 'em.

STAGGERS SKEPTICS.

That a clean, nice, fragrant compound like Bucklen's Arnica Salve will instantly relieve a bad burn, cut, scald, wound or piles, staggers skeptics. But great cures prove it's a wonderful healer of the warts, sores; ulcers, boils, felons, eczema, skin eruptions, as also chapped hands sprains and corns. Try it. 25c. at Leslie's Drug Store.

WANTS HER LETTER PUBLISHED

For Benefit of Women who Suffer from Female Ills

Minneapolis, Minn.—"I was a great sufferer from female troubles which caused a weakness and broken down condition of the system. I read so much of what Lydia E. Pinkham's Vegetable Compound had done for other suffering women I felt sure it would help me, and I must say it did help me wonderfully. My pains all left me, I grew stronger, and within three months I was a perfectly well woman."

"I want this letter made public to show the benefit women may derive from Lydia E. Pinkham's Vegetable Compound."—Mrs. JOHN G. MOLDAN, 2115 Second St., North, Minneapolis, Minn.

Thousands of unsoftened and genuine testimonials like the above prove the efficiency of Lydia E. Pinkham's Vegetable Compound, which is made exclusively from roots and herbs.

Women who suffer from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Mrs. Pinkham, at Lynn, Mass. She will treat your letter as strictly confidential. For 20 years she has been helping sick women in this way, free of charge. Don't hesitate—write at once.
