Prohibition in Kansas.

For a conclusive answer, as to the effects of prohibition in Kansas, read the following summary of a paper by Governor Stubbs, of that State:
The death-rate in Kansas is the lowest of any State or Nation on earth—only 7 1/2 per thousand.
Under prohibition the population has increased 100 per cent, while the number of convicts has only increased 17 per cent.
More than 50 per cent of the county jails are without a prisoner under conviction, and last year 49 out of 105 counties did not send a prisoner to the penitentiary.
The ratio of convicted prisoners is one for every 7,000 inhabitants, while 75 per cent of the jail prisoners have been convicted for violations of the prohibitory law.
Fifty-four counties are without an idiot, and 87 without an insane person in the asylums.
The first few years of prohibition showed a decrease of 4 per cent of divorce cases.
Ninety-six counties have not an inebriate. Six of the nine counties furnishing inebriates were counties bordering on the wet section of Missouri.
In education this is the status: Kansas has a permanent school fund of \$10,000,000, most of it invested in municipal bonds of the cities of Kansas, which offer the safest kind of investment. There are normal schools established in 100 of the 105 counties.
During the last nine years the enrollment of the State University has increased from 1,150 to 2,063, the normal from 1,630 to 2,860, the Agricultural College from 870 to 2,192, besides 9,000 young people attending denominational institutions and 4,548 attending business colleges. School property is worth \$16,000,000.
There are 7000 newspapers and magazines and 98 per cent of them will not admit liquor advertisements to their columns.
The first twenty years of prohibition reduced illiteracy 40 per cent.
The increase of wealth within the last ten years has been in bank deposits from \$69,000,000 to \$189,000,000. The per capita increase has been from \$60 to \$113.
The increase of taxable property has been \$120,000,000 a year for that period. The total assessed valuation of property in Kansas is \$2,435,691,859, which far exceeds the assessments of most of the States with equal opportunities. The State tax is 90 cents per \$1,000, a very low rate.
The garnishment courts that ran continuously under liquor conditions have been put out of business.
Forty-nine of the county poor farms have been turned into experiment stations with the State Agricultural College, because there were no paupers to be cared for.

ENDS WINTER'S TROUBLES.
To many, winter is a season of trouble. The frost bitten toes and fingers, chapped hands and lips, chilblains, cold sores, red and rough skins, prove this. But such troubles are before Bucklen's Arnica Salve. A trial convinces. Greatest healer of Burns, Boils, Piles, Cuts, Eczema and Sprains. Only 25c at Leslie's Drug Store.

THE DOCTOR'S QUESTION.

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent. of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.
Rexall Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.
Rexall Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or any other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c and 10c. Sold only at our store—The Rexall Store. W. A. Leslie.

SAVED FROM AWFUL DEATH.

How an appalling calamity in his family was prevented is told by A. D. McDonald, of Fayetteville, N. C., R. F. D. No. 8. "My sister had consumption," he writes, "she was very thin and pale, had no appetite and seemed to grow weaker every day, as all remedies failed, till Dr. King's New Discovery was tried, and so completely cured her, that she has not been troubled with a cough since. It's the best medicine I ever saw or heard of." For coughs, colds, lagrippe, asthma, croup hemorrhages, and all bronchial troubles, it has no equal. \$1.00 Trial bottle free. Guaranteed by Leslie's Drug Store.

North Carolina Wins.

The record made by North Carolina at the national horticultural congress at Council Bluffs, Ia., has attracted the attention of the entire Union, and is one that every citizen of the state should be proud of. There were three purple championship ribbons offered, and North Carolina won two of these, though there were 32 states competing. Besides this, six silver trophies, 20 gold medals, 48 blue ribbons, 11 second, and six third prizes were captured, more than any two states, the total value being more than \$1,000.
North Carolina excelled in the general display, in the apple exhibit, in the collection of nuts, in English walnuts, in vegetables, and even won second on citrus fruit. The winning of all these prizes, and many others, in competition with the whole Union will be of inestimable value to this state. It shows what can be done in the Old North State.

\$500 For a Kiss.

District Court Judge A. J. Murf held at Shreveport, La., last week that the kiss of a young widow was worth \$500. The decision was rendered in the case of Mrs. Grace Hunter against J. K. Norman, formerly postmaster at Oil City, La. It was at the post-office that the alleged offense was committed. Mrs. Hunter alleged that Norman kissed her while she was in the office. She sued for \$2,000. Judge Murf admonished Norman that he looked old enough to know better.

When in the need of a cough medicine, if you buy Dr. Bell's Pine-Tar-Honey we guarantee you get the best.

HIDDEN DANGERS.

Nature Gives Timely Warnings That No Morganton Citizen Can Afford to Ignore.
DANGER SIGNAL No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular in passage.
DANGER SIGNAL No. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Morganton proof: J. M. McCallister, of Morganton, N. C., says: "I suffered from weak kidneys for several years. At times there was a dull ache across the small of my back and accompanying this, was a difficulty with the kidney secretions. I finally began using Doan's Kidney Pills and they gave me great relief. I now feel stronger in every way and my kidneys are more normal. I heartily recommend Doan's Kidney Pills in return for the benefit I have derived from their use."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Mr. Eddy, Christian Science Leader, Dead.

Mrs. Mary Baker Glover Eddy, the discoverer and founder of Christian Science, is dead. Announcement of the passing of the venerable leader, which occurred late last night at her home, Chestnut Hill, a suburb, was made at the morning service of the Mother church in this city to-day.
"Natural causes" explains the death, according to Dr. George L. West, a district medical examiner, who was summoned a few hours after Mrs. Eddy died. Later Dr. West added that the more immediate cause was probably pneumonia.
[Mrs. Eddy was a native of New Hampshire and was probably 90 years old. She had been married two or three times and was the mother of children. She at one time lived at Wilmington. Estimated value of her estate \$2,000,000.]
