NEWS OF THE NEIGHBORHOOD

A Batch of Live Items Culled From the Papers of Our Neighbor Counties.

CATAWBA.

Newton Enterprise, Feb. 12th.

Mr. John Lutz, a prominent farmer west of Newton, died last Friday night and was buried Sunday at New Jerusalem Lutheran church. He was the father of the Lutz Bros., prominent in the dairying business of the county.

Mr. J. H. C. Huitt, of Catawba, R. F. D. 1, who was in Newton Saturday, told us that a number of negroes was brought to Catawba Friday night to begin work Monday morning on the Southern Power Company's railroad to Lookout Shoals.

Capt. P. W. Carpenter died at his home in Conover Saturday night, February 7th, at 11 o'clock. He had been in feeble health for several months and his death was no surprise to his family and friends. He reached his eightieth birthday on January 19th.

The widow of Engineer William M. Eagle, through her attorneys, has begun suit against the Southern Railroad and Eugene E. Bumgarner, of this county, for \$75,000 damages on account of the death of her husband in the wreck last March between Conover and Hickory.

Mr. John M. Arndt, who recently sold his farm on the Catawba river to the Southern Power Company, has bought Mr. G. E. Bollinger's farm near Claremont. Mr. Bollinger, we learn from a Statesville news letter, has bought a 78-acre farm from the Henkle Live Stock Company on the eastern edge of Statesville, paying for it \$10,000.

Hickory Democrat, Feb. 12th.

Miss Willie May Winters and Mr. L. M. Westmoreland, both of this city, were married at the Methodist parsonage in Newton Monday.

McKinley Sigmon, who was tried in Newton court last week on the charge of killing Terry Shell in this city New Year's eve, was acquitted by the jury. No direct evidence showing that he was the person who fired the fatal shot was introduced and he was given the benefit of the doubt.

Mr. Ed Clinard, a former Hickory man, and a son of Mr. Frank Clinard, of Happy Valley, was killed in a railroad accident in Tucson, Arizona, last Sunday. No particulars as to how the accident occurred could be learned. Arrangements were made immediately after the message announcing his death was received here, to have his body shipped to Hickory for burial.

WATAUGA.

Boone Democrat, Feb. 12th.

Dogs have been making serious depredations upon the flocks of sheep on the Winkler farms east of Boone.

Solicitor Frank Linney continues to "deal in dirt" occasionally, his last purchase being the Richard Gragg place (the Bingham old farm) the price paid being \$2,000. It is a nice piece of property and is located just a little more than a mile west of the village.

Mr. Will Holsclaw, of Roseland, Florida, sends us the following, which is really enough to make a mountain man hungry, at this season of the year especially: "We are having beautiful weather; plenty of new tomatoes, cabbage, turnips and lettuce to eat every day."

Married, at the Baptist parsonage in East Boone on Wednesday evening of last week, Mr. Wade Norris, of Boone, R. F. D., to Miss Ora, the cultured daughter of Mr. and Mrs. John L. Tatum, of Brookside, the Rev. J. M. Payne performing the ceremony. Both the bride and groom are former students of the Appalachian Training School and are among the county's most proficient school teachers.

RUTHERFORD.

Rutherford Sun, Feb. 12th.

Messrs. J. F. Spainhour, of Morganton; J. W. Pless, of Marion; and Clyde R. Hoey, of Shelby, were among the visiting lawyers here this week attending Superior court.

Rutherford can soon boast of one of the best bands in the State. Since the last issue of the Sun an organization composed of some of the town's best musical talent has been perfected and Prof. R. J. Herndon, of Yorkville, S. C., has been engaged to teach it and is now here giving lessons daily.

Mr. Devault Koon, one of the county's oldest and best citizens, died at his home in Morgan township Saturday morning last after a thirteen days illness of pneumonia. Mr. Koon was 91 years old and had been a remarkably strong man up to the time of his death. He was well read with a most remarkable memory, and could, possibly, relate more history than any man in this section of the State.

Mr. C. D. Geer last Thursday began his five and one-half miles contract on the Chimney Rock road beyond Cove creek and will push it to completion as rapidly as possible. The chaingang force will continue the work on this road up to where Mr. Geer's contract begins. It is the intention of the road authorities to put the Chimney Rock in first-class condition for summer travel. Messrs. J. F. and J. D. Blankenship also began their eight-mile contract on the Twitty road Tuesday morning.

LINCOLN.

Lincolnton News, 12th.

Lincolnton is now the home of a hustling, wide awake Chamber of Commerce. The progressive business men of Lincolnton have put their shoulders to the wheel, united, and they are enthusiastic.

A marriage that is of considerable interest to numerous friends in this city was that of Miss May Campbell, of Hickory, and Mr. L. T. Heavner, of Lincolnton, which occurred last Wednesday night at 8 o'clock, the ceremony being at the home of the bride's father, Mr. S. D. Campbell, in the presence of friends and relatives. The bride is one of Hickory's charming young ladies while the groom is a prominent young Lincolntonian and is engaged in insurance work.

Give That Puny Child This Guaranteed Remedy.

If your child is under-weight, listless, ailing, liable to get sick easily, it needs a medicine to build its weight and strength. For this purpose there is nothing else we know of that we can so strongly endorse as Rexall Olive Oil Emulsion. The remarkable success of this splendid medicine is due to the fact that it contains ingredients that tone the nerves, enrich the blood and furnish to the entire system the strength, weight and health-building substances it needs. And, it does all this without injuring the stomach. In fact, Rexall Olive Oil Emulsion is not only pleasant to take, but even the most sensitive stomach is benefitted by it, and the digestion improved. On the other hand, it contains no alcohol or habit-forming drugs, which most parents object to giving their children. It does its good work by taking hold of the weakness and builds the body up to its natural strength, at the same time making it strong to resist disease.

If Rexall Olive Oil Emulsion doesn't build your child up, feed the stunted, puny muscles, and make the little one lively, strong, well, and full of the animal spirits children are meant by nature to have, come back and tell us and get your money back. We don't want you to lose a cent. We think this is no more than fair, and it leaves you no cause to hesitate. For old people also—for convalescents—for all who are nervous, tired-out, run-down, no matter what the cause—we offer Rexall Olive Oil Emulsion with the same guarantee of entire satisfaction or money-back. Sold only at the 7,000 Rexall Stores, and in this town only by us, \$1.00—W. A. Leslie, Morganton, N. C.

THE KING OF ALL LAXATIVES

CLEVELAND.

Shelby Star, Feb. 12th.

Mrs. Sallie Martin, whose desperate condition was noted in Tuesday's Star, died at her home four miles north of Shelby on the edge of No. 6 township about 8 o'clock Monday night. She was the wife of Mr. Weldon Martin and leaves her husband and two children.

Having discovered the fact that the date for the bond election in the Falston-Belwood railroad district conflicts with the date of the county commencement, the election has been ordered postponed one week by the County Commissioners. Instead of the election, therefore, being held April 4th, 1914, it will be held April 11th.

Mr. Monroe Wellmon was making up a shipment of cats yesterday morning. He says a plague killed all of the cats in a certain section of McDowell county eight months ago and since that time the rats and mice are increasing and doing damage at an alarming rate. Mr. Wellmon had a sack full of cats and will make a shipment to restock his farm.

Webb Protests Against Negro Railway Mail Clerk.

Washington Correspondence Charlotte Observer.
The race question has bobbed up again. This time Representative Webb is protesting against continuing the service of a negro mail clerk between Salisbury and Knoxville on the Southern Railway.

It has been reported to Mr. Webb that the negro is obtrusive, and he washes where the white clerks do and uses the same towels, etc. A vigorous protest was made to Second Assistant Postmaster General Stewart, Republican, against the situation created by the employment of this negro by Representative Webb to-day.

A SURE REMEDY FOR LAZY LIVER.

Go to Leslie's Drug Store for This Safe, Reliable Remedy and Get Your Money Back if it Fails.

There are very few remedies that gain the confidence of druggists as Dodson's Liver Tonic does. Leslie's Drug Store sells it and backs up the sale of every bottle with the money back guarantee that the price will be refunded if it fails to give complete satisfaction.

Dodson's Liver Tonic costs 50 cents a bottle. It is the safest and best remedy for torpid liver, constipation, biliousness, etc., that has ever been sold in this city. It takes the place of dangerous calomel and does not lay you up as a dose of calomel often does. A bottle in the house is as good as fifty cents in the bank. If you or your family need a liver tonic you have the medicine ready. If it fails you get your money back. Be sure you get Dodson's Liver Tonic when you ask for it. There are imitations of it that may disappoint you.

Golden Jubilee.

The golden jubilee celebration by the supreme lodge, Knights of Pythias, will be held at Washington, February 19, in observance of the 50th anniversary of the founding of the fraternity. The occasion will also be observed in some manner by many local lodges throughout the country.

WEAK, WEARY WOMEN.

Learn the Cause of Daily Woes and End Them.

When the back aches and throbs, When housework is a torture, When night brings no rest nor sleep, When urinary disorders set in, When a lot is a weary one, Doan's Kidney Pills are for weak kidneys. Have proved their worth in Morganton.

This is one Morganton woman's testimony. Mrs. D. A. Rich, Old Mill Hill, Morganton, N. C., says: "I was nervous and dizzy, my head ached and I did not sleep well. The kidney action was also irregular. Finally, I used Doan's Kidney Pills, procured from the Burke Drug Co., and they made me entirely better. Another of the family suffered from kidney trouble and backache. Doan's Kidney Pills made him strong and well."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

County Commencement

In our Teachers' Association, in the early fall, it was decided to have a County Commencement this spring just before the schools of the county closed. About all of the teachers voted for it and none against it. The date has been set for TUESDAY, MARCH 17th, unless there is some reason for changing. The following prizes will be awarded:

Declarations (one boy each from Morganton and Glen Alpine High Schools.) First prize, \$10 Gold Medal; second prize, \$3 Gold Medal.

Recitations (one girl each from Morganton and Glen Alpine High Schools.) First prize, \$5.00 Gold Medal; second prize, \$3.00 Gold Medal.

Declarations (one boy from each township.) First prize, \$10.00 Gold Medal; second prize, \$3.00 Gold Medal.

Recitations (one girl from each township.) First prize, \$5.00 Gold Medal; second prize, \$3.00 Gold Medal.

Compositions (one girl and boy from each township.) First prize, \$2.50 Gold Medal.

Drawings (as many as want to enter.) First prize, \$2.50 Gold Medal.

The money for the above medals has been subscribed, and the names of the gentlemen will be given later. It is up to the boys and girls to see who can do the best to get them.

There will be no township prizes offered, as it will be honor enough to any boy or girl to represent their township at the County Commencement.

Any school in the county supported wholly or in part by public school funds may enter the contest.

Only one boy and one girl from each township will be selected, except on drawing and composition work.

On Saturday, Feb. 28th, a preliminary contest will be held in each township to decide who shall represent the township in the County Commencement.

We hope to have competent judges at the township and county contests to decide who wins. These judges to be selected outside the township if they can be had.

While the county is so large that only one boy and one girl from each township can take part directly in the County Commencement, we want as nearly every school child in the county to be present at the County Commencement as it is possible to have.

Dr. J. Y. Joyner will be present and deliver the address of the day. It will be an opportunity for all the children to see and to hear the State Superintendent of Public Instruction.

Let all the schools come prepared to sing together "America" and "Carolina."

I shall ask the teachers to have the children in the different grades to prepare some of their very best work in maps, writing, figure work, language, etc., with name of child, age and school all on paper. I shall ask that this work all be sent to Miss Carnelia Carter, Morganton, N. C., not later than March 7th.

We want to make this the most profitable of all our school days in this year, and we do trust that the teachers will get busy and interest themselves, and in doing so, they will interest the children and patrons of the schools. Talk commencement to your people.

The Morganton Cornet Band will furnish music for the occasion. Athletic contests for all the boys, 100 yards dash. A running long jump. A running high jump. A broad jump (standing.) A high jump (standing.) Suitable prizes will be awarded to the winners.

The following persons are appointed as committees in the various townships:

Prof. R. B. Bush, Miss Lizzie Hood and Walter Harbison for Quaker Meadow township.

Joe Duckworth, Misses Jennie Smith and Louise Reid for Lower Creek township.

H. C. Smith, Misses Carey Taylor and Winnie Smith for Smokey Creek township.

J. B. Cooper, Misses Buena Laxton and Willie Cherry for Lovelady township.

\$10 REWARD \$100.

The readers of this paper will be pleased to learn that there is at least one disease known to science that has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists. Take Hall's Family Pills for constipation.
