

The Captain of Plymouth.

A delightful comic opera based upon Longfellow's "Courtship of Miles Standish" will be presented Friday night, March 6th, in the auditorium by students of the Morganton graded school.

Glen Alpine News.

Sunday morning good and early King Boreas started out on his 30-day reign. Shades and fruit trees and trees of the forest all paid tribute to his strength and might by bowing in the dust.

R. L. HUFFMAN RESIGNS.

Retires as Judge of County Court and Mr. C. F. McKesson Elected as His Successor.

On last Monday, March 2nd, Mr. R. L. Huffman, who has been Judge of the County Court of Burke for about a year, tendered his resignation to the Board of County Commissioners, effective April 1st, 1914.

It is but simple justice to say that Judge Huffman, a man above reproach in his private life, bore himself most worthily and well on the bench. A good lawyer,

R. L. HUFFMAN

quick to catch the main points in any case, clear in conception, fair and impartial in his rulings, he made a fine impression on the public and will, on his retirement, leave behind him a most enviable record.

He and Mr. A. C. Avery have formed a partnership for the practice of the law, and both of them have in a marked degree the respect and confidence of the people. We wish them the rich success that their character and ability merit.

The resignation of Judge Huffman having been accepted, the Commissioners went into the consideration of a petition for the appointment of Mr. C. F. McKesson to fill the vacancy. This was the only application presented to the board and was

C. F. M'KESSON

signed by quite a number of leading citizens of the county, both Democrats and Republicans. Mr. McKesson was unanimously elected.

This court was created by a bill of Republican Representative Jno. M. Mull and provides that a vacancy on the bench shall be filled by the Board of County Commissioners.

Mr. McKesson will go out as postmaster of Morganton on April 1st.

Local Woman Now a Big Advertiser.

When one of our woman customers recently bought five bottles of Harmony Hair Beautifier to give her friends for Christmas, she started by herself a mighty big advertising campaign, because not only does each one of the women to whom she gave a bottle of the Beautifier now consider it indispensable for the proper care of the hair, but each of them has been the means of getting several of her friends to use it.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall stores, and in this town only by us—W. A. Leslie, Morganton, N. C.

April 1st and will be succeeded in that position by Mr. Hamilton Erwin.

Mr. McKesson is an able lawyer as well as an all round fine man, and his numerous friends are confidently trusting for a creditable administration of the County Court with him as Judge.

Morganton Hardware Co.

Keep Your On This Space W. A. WORTMAN Watchmaker and Jeweler. Twenty Years Actual Practice in Morganton.

I have 46 acres of land in less than 2 miles of the corporate limits of Morganton, with a fine water-power on 14 1/2 acres of bottom; about 25 acres cleared and in cultivation; ample driveway to last a family (with economy) a lifetime. Will make an ideal location for a dairy with a corn mill run in connection. The land is well watered and has a few fine lumber trees on it. Three-room dwelling on the property. About 50 horse-power can be developed on the land, enough to run any small factory; such as a hosiery mill, pants factory, etc. will be ample power to light a modern hotel, run a saw-mill, a laundry and wood saw. In fact, if the power is developed, and a generator placed down there, every bit of the current now generated right here in town to parties having fans and other electric machinery. Owing to a change in business, I have decided to sell this property or exchange it for other real estate in town or country. It can be divided in small lots, in order to turn it into ready cash. Good investment for parties having money, as such property will be sure to advance in price. See or address me at once, as I mean to sell. W. A. WORTMAN.
