and you miss that fine feeling of exhilaration which follows a copious morning operation, you should put a small quantity of **Simmons' Red Z Liver Regulator** (The Powder Form) on the tongue and wash it down with a little water.

W. N. C. Methodist Conference.

Closes on Monday With Reading of Appointments—The Final Reports.

Shelby Dispatch, 16th.

With the reading of appointments by Bishop Waterhouse and the selection of Reidsville as the next meeting place, the annual meeting of the Western North Carolina conference of the Methodist Episcopal church, south, closed here this afternoon, and to-night most of the delegates had departed for their homes in various parts of the district. Preceding the reading of the appointments, Bishop Waterhouse delivered a short address to the members of the conference in which he exhorted his hearers to make the coming year an even better year than the one just ended.

A Tithe League was reorganized with E. A. Cole of Charlotte president and G. C. Brinkman secretary and treasurer. The report of the Conference Brotherhood was called for and C. M. Pickens secretary and treasurer, read the report. This brotherhood has nearly 200 members and is making rapid growth. It is a mutual insurance association and is of great value to the members.

The financial report of the statistical secretary shows 11 districts and 235 pastoral charges. There was paid to presiding elders during the year just closed \$20,532, and to pastors \$181,376 and for all purposes \$584,652. This is an average of about \$6 per member. It gives an average salary of \$825 throughout the conference and has 209 parsonages which the preachers occupy free of charge.

A new organization was perfected this morning, known as **Asbury Mousing Brotherhood** with C. S. Stone president and E. A. Cole secretary and treasurer. The purpose of this organization is to secure horses for the circuit riders of the conference.

Reidsville was decided on as the next meeting place over Gastonia which put in a strong bid for the conference in 1915.

A motion to change the time of holding the conference to the first of December was voted down on the table.

E. A. Cole of Charlotte was elected conference lay leader with W. R. Lynch secretary and treasurer. The following district lay leaders were elected: Asheville, L. B. Myers; Charlotte, J. W. Gullage; Greensboro, J. N. Lure; Morganton, F. J. Chapman; Mount Airy, W. R. Lynch; Shelby, C. W. Hoyle; Statesville, R. L. Snow; Waynesville, C. A. Reynolds; Winston-Salem, R. B. Crawford.

This afternoon before the appointments were read Rev. Frank Siler raised \$1,074 for Payne Institute, a Methodist institute for the colored race in Augusta, Ga.

NEIGHBORHOOD NEWS.

Extensive improvements are being made on the Presbyterian church in Marion.

Last week at Hickory, J. W. Brown fell under the wheels of a freight train and both legs were cut off. He was trying to beat a ride to his home in West Hickory.

Bishop Waterhouse took occasion to say before Conference after Mr. R. M. Hoyle had made his district report, "From the echoes of the brethren, Brother Hoyle is one of the best loved men in the Conference."—Shelby Star.

Mr. M. S. Fulbright of Newton, Route one, had thirty hens from which he sold 17 dozen eggs for \$13.26 during the month of October. In addition to the eggs sold the family used a couple of dozen eggs.—Newton News.

The feed barn of J. W. Peoples of Yadkin county was burned on the night of the 7th with a quantity of feed, about 40 bushels of wheat and a calf. Fire believed to have originated from lighted matches carelessly cast aside by smokers.

Squire Ford, of Blowing Rock, R. F. D., made an unusually fine record in raising cabbage this year. From one-half acre of land he has marketed over 21,000 pounds of first-class cabbage, from which he realized over \$130.00. It was an extra large headed variety.—Lenoir Topic.

County Superintendent Prof. B. B. Dougherty, tendered his resignation to the Board of Education which was in call session Monday. It was not acted upon, and the matter was laid over until the next regular meeting of the board, when it will be taken up and disposed of.—Watauga Democrat.

The body of Mrs. Charlotte Johnson, of Cove Creek, Watauga county, arrived in Lenoir by express Tuesday night from Morganton, where she had died early in the day. Mrs. Johnson was the wife of Mr. H. C. Johnson, and had been in the hospital for about three months. The body was taken on to Watauga Wednesday for burial.—Lenoir News.

The home of Mr. and Mrs. Claude Deal, who live about two miles from the city, was destroyed by fire Sunday afternoon about 4 o'clock. The house was a three-room one and was built about three years ago. A very few of the household effects were saved. Mr. Deal had a small amount of insurance on the building. The fire originated from a defective kitchen flue.—Newton News.

At a regular meeting of the city Council Tuesday evening the applications of many different parties for city manager were presented to the council, and after due consideration the board selected Mr. S. C. Cronwell of Shelby, at a salary of \$2,000. Mr. Cronwell is a married man and comes to us highly recommended as a citizen, business man and civil engineer. Mr. Cronwell will take charge on or about the 25th of November.—Hickory Democrat.

It is an unusual thing to gather strawberries from a garden in Caldwell county on the 9th of November, but Rev. V. M. Carter, of Patterson, an honored Confederate veteran, can boast of this accomplishment, and he brought a few berries to town yesterday an exhibited them in proof of his claim. It was a second crop and the berries were fully mature. Mr. Carter also reports an extraordinary record in pumpkin raising. From one seed he says he raised 175 pounds of pumpkins.—Lenoir Topic.

Mrs. Coma Gragg, widow of the late Wm. H. Gragg, lost her home and contents by fire last Saturday morning. Her invalid son, Claud Gragg, aged about 18 years, also perished in the flames. The origin of the fire is unknown, though it is supposed to have started in the room where the helpless son was confined. The daughter who was at work in the kitchen when the fire started gave the alarm as soon as she discovered it. Everything possible was done to rescue the invalid boy in the house, but the fire was too far advanced. The house was a large, two-story building and was well furnished, everything being consumed. Fortunately, Mrs. Gragg was carrying \$1,000 insurance on the house and \$300 on the furnishings.—Lenoir Topic.

Bought No War Horses in Statesville—Prices Too Low.
Statesville Landmark.

The advertisement of Mr. C. R. Knight of Springlake, N. J., for "500 horses for the war," brought a large number of horses to the stables of the Henkle-Craig Live Stock Co., Saturday, but Mr. Knight did not purchase a single animal. Mr. Knight gave as his reason for not buying any horses that few of the animals offered met the requirements of the people for whom he was buying, and finding that he could not get enough to fill a car or two he decided not to purchase any at all. Persons who brought horses to town for sale claim that there were plenty of animals in the lot which fitted the advertisement requirements, but that Mr. Knight wanted to buy the horses too cheap. It is said that he did not offer over \$130 for the best horses shown him.

Solicitors For the Dear People.

It was touching to see, near the close of the campaign, how the representatives of corporations became so concerned lest the people would have to pay more taxes under the proposed amendment to the Constitution; owners of city blocks, assessed at anywhere from 25 to 50 per cent of their value, were also afraid that the owner of the humble cottage, who is now paying taxes on 75 to 100 per cent of its value, might have his taxes increased; and the owner of much cash and solvent credits, who overlooked them when he made his tax return, was also afraid that the taxes of the poor man might be increased. This consideration for the poor folks was so touching that it almost moved one to tears—or to profanity.—Statesville Landmark.

TWENTY-FIFTH YEAR AS CHIEF JUSTICE.

Last Monday quarter Court Mark For Judge Walter Clark—is Nearing Record.

Raleigh Dispatch, 13th.

Chief Justice Walter Clark of the North Carolina Supreme Court, celebrates to-morrow the twenty-fifth anniversary of his service on the Supreme Court bench. He was appointed November 18, 1889, by Governor Fowle, to succeed Judge Merriam, who became Chief Justice on the death of Chief Justice Smith. Judge Clark was elected in 1890 to fill out the remaining four years of the unexpired term and in 1894 was nominated by the Democrats and endorsed by the Republicans and Populists, gaining unanimous election, and being the only Democrat elected that year. In 1912 he was nominated for Chief Justice over Thomas N. Hill and elected, and in 1910 was renominated and elected without opposition for an eight-year term that expires in January, 1919.

If Chief Justice Clark lives to the end of his term he will have served longer than any other judge on the Supreme Court bench, surpassing Chief Justice Pearson by a few weeks. He has already served longer than Justice Ruffin, who was on the bench 24 years, and he has served longer than any elective judge in the country, except Justice Beatty of California, who died recently after 25 years' service.

Chief Justice Clark has served with 17 different judges. He served five years on the Superior Court bench and during his 30 years has been absent only one day, that being on account of a funeral in his family. He modestly insists that "this 'merely shows good health'."

Judge Clark has rendered numbers of very important opinions, especially notable being Alsbrook against Railroad, in which his vote made the court hold as invalid the tax exemption of the Atlantic Coast Line Railroad, this position being sustained in subsequent appeal to the United States Supreme Court, also the noted office-holding cases in which he asserted against his four Republican associates his dissenting opinion, which since has become the law.

DEBATE AT RUTHERFORD COLLEGE.

The Newton Literary Society of Rutherford College had its fifteenth open debate in the chapel Friday night, Nov. 13th. The stage was beautifully decorated and the house was packed. Quite a number of Morganton people were in attendance.

Those who took part in the program were Messrs. Robert L. Forbis, Jesse H. Lanning, and Perley H. Scarborough. "Resolved, That war is, and has been, an indication of the advancement of civilization."

Those representing the affirmative were, Mr. Girard Richardson and Mr. Parks Gwaltney (a Burke boy.) Those defending the negative were, Mr. Harvey Hinshaw and Mr. LeRoy Shaver.

The decision was rendered in favor of the affirmative.

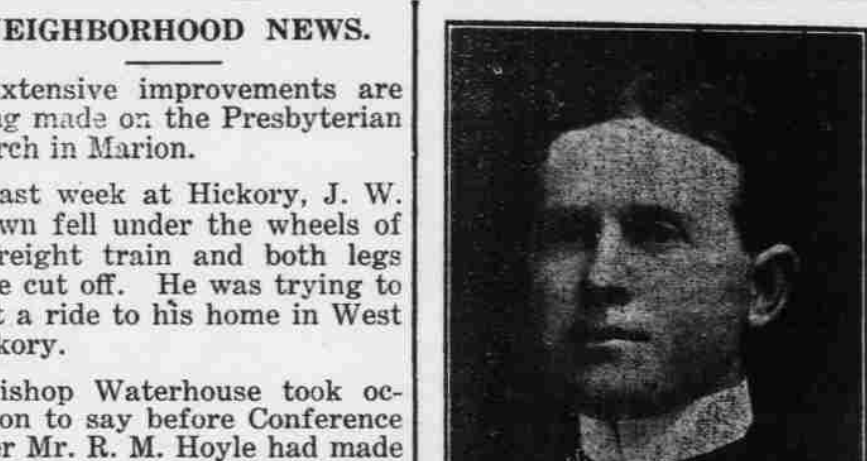

The program was on a high order and those taking part acquitted themselves in such a manner as to be a credit to both themselves and the school.

A Word For the Orphan.

This would be a cold, bleak world if there were no sentiment in it. And it would be an existence that did not rest upon sound business principles.

Sentiment is the great driving force in the world to-day. It is the mainspring that makes possible and insures the happy homes, and it does credit to every heart that cherishes it.

It is business that regulates and promotes the good work that sentiment brings to life, giving strength and success without violating its beauty of conception, and proves true the great wisdom that is its very core. It is business that corroborates the dictations of sentiment that lead to the care for children who are destitute. It tells us that it is not only beautiful to do this but that it is a financial investment that pays a big dividend. It tells us that it is better, it is cheaper, it is more economical, to maintain a child for a few short years at a small expense, than it is to allow it to undergo the ultimately expensive and heart-breaking experience that is the unhappy lot of nearly every homeless, destitute child.

In giving you greetings and wishing you a happy Thanksgiving, may we not ask you to mediate upon the condition of the innumerable orphan children that are crying out in great need? Can you not find a greater interest in the big business of child saving and partially express your thanks for the many good things that have befallen you by helping the orphan?

IT REALLY DOES RELIEVE RHEUMATISM.

Everybody who is afflicted with Rheumatism in any form should by all means keep a bottle of Sloan's Liniment on hand. The minute you feel pain or soreness in a joint of muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's Liniment acts almost immediately right to the seat of the inflammation. It soothes, tender, soothes feeling and making the part easy and comfortable. Get a bottle of Sloan's Liniment for 25c. If you have any Rheumatism in the house—against colds, sore and swollen joints, rheumatism, neuralgia, money back if not satisfied, but it does give almost instant relief.
