### Sallow Complexion

comes from bilious impurities in the blood, and the fault lies with the liver. It is torpid.

## SIMMONS RED Z LIVER REGULATOR

(THE POWDER FORM)

Is the greatest of all liver medicines. Its powerful purifying and strengthening influence is at once apparent in an improved appetite, good digestion and a feeling of strength and energy in the body. When the system has been put in order the yellow cast in the skin gradually disappears and the complexion becomes clear and healthy.

Sold by Dealers. Price, Large Package, \$1.00.

Ask for the genuine with the Red Z on the label. If you cannot get it, remit to us, we will mail it by mail postpaid. Simmons Liver Regulator is put up also in liquid form for those who prefer it. Price \$1.00 per bottle. Look for the Red Z label.

## Over \$125,000 Loss in Threatening Fire at Winston-Salem.

Fire discovered at 6:15 tonight gave the city firemen hours of hard work and resulted in the complete loss of the old Casper building, occupying a position in the heart of the manufacturing district. The fire reached such threatening proportions at one time that the Greensboro department was asked to have help ready to leave on moment's notice, but after two hours of fighting the flames were confined to the building in which they started, with the exception of several dwelling houses close by which were partially destroyed.

The fire was the most spectacular in years and, coming at the supper hour, drew fully 10,000 people to the scene, lighting the heavens for miles around. Stored in the building, which was five stories high, brick construction and running through from Church to Depot streets, was 30,000 pounds of leaf tobacco, all of which was consumed. The tobacco was the property of Coleman Brothers, extensive buyers on the local market, and their day's purchases had just been added to the stock when the fire was discovered on the top floor. The building was owned by John Jasper of Jacksonville, Fla., and C. O. Smith-deal and was valued at about \$60,000. The tobacco was worth a like amount, while damage to surrounding property will run the total fully \$10,000 or \$15,000 more.

On the lower floor were the mail order offices of R. C. Click, local merchant, whose loss was complete. All the property was partially insured, the exact figures not being obtainable tonight. Adjoining the burned property was the extensive factory building of P. H. Hanes & Co., manufacturers of underwear, and only the hardest kind of fighting with favorable wind, saved them from catching and probably communicating to the Reynolds tobacco plant, close by. The private fire department of the R. J. Reynolds Company was called out, and did splendid service in assisting the city department. The origin of the blaze is unknown.

### The Outlook for 1916.

Statesville Landmark.

The election is a closed incident, but it is just as well to have in mind the facts as to the result. The Democrats have 31 majority over the Republicans in the House of Congress and a majority of about 15 in the Senate—an increase over the present majority. This year United States Senators were elected by the people for the first time. It is reasonable to assume that the States that elected Democratic Senators or gave a Democratic majority for State officers would have cast their votes for President Wilson had he been a candidate this year. On that basis, had this been a presidential election year, the Democrats would have had 307 votes in the electoral college, the Republicans 220. The claim of the Republicans that the result indicates a Republican victory in an analysis of the votes on the 3d; the result in 1916 will depend on the prosperity of the country at that time. If the country is prosperous it will be generally conceded that Democratic policies have made good; if it is not, the Democrats will be held responsible, whether they are to blame or not.

### A Billion of Money and a Million Men For the War.

The House of Commons of the British Parliament granted on Monday, the 16th, without a dissenting vote, Premier Asquith's request for a vote of \$225,000,000 pounds (\$1,125,000,000) and another 1,000,000 soldiers. The Prime Minister characterized the crisis as "the greatest emergency in which the country ever has been placed." He said 1,200,000 men already were under arms; that the war was costing nearly \$5,000,000 a day and that the government proposed to lend Belgium \$50,000,000 and Serbia \$4,000,000 without interest, until the end of the war.

WE have Grates from \$1.50 up. Wilson Heaters have no equal. Everyone who uses them is pleased.

## HEMPHILL-SILLECK MARRIAGE.

### Social Events in Morganton in Honor of Mrs. Hemphill.

From the Ridgewood Herald of Nov. 19th, published at Ridgewood, N. J., the home of the bride, we take the following account of the marriage of Mr. J. J. Hemphill, son of Mr. and Mrs. T. L. Hemphill, of Morganton, and Miss Alice Silleck:

"On Saturday evening, at the home of the bride, in the presence of 130 guests, were married Miss Alice Silleck, only daughter of Charles Dayton Silleck, of 117 Spring avenue, and J. J. Hemphill, of Schenectady, N. Y., the Rev. J. A. Van Neste, pastor of the First Reformed Church, of which the bride has long been a member, officiating.

The house had been decorated by Floriet Barkham with a profusion of palms, Southern smilax, pink chrysanthemums, snapdragons and roses. The verandas were enclosed, and decorated with autumn leaves and evergreens.

At half after seven o'clock, to the nuptial music from "Lohengrin," the bridal party descended the stairs and entered the living room where the ceremony was performed.

The ushers, Howard R. Lawrence of this village, and Lenoir Avery, of New York City, were followed by the two matrons of honor, Mrs. Howard R. Lawrence of Ridgewood, and Mrs. David Stuart Hamilton of Paterson, attired in pink satin trimmed with Oriental lace, and carrying pink chrysanthemums. Following them came the maid of honor, Miss Ada Taylor, of Brooklyn, cousin of the bride. She was gowned in pale pink satin with chiffon of the same shade, and Oriental lace, and carried pink chrysanthemums. R. Henry McLain of Schenectady acted as best man.

The bride was given away by her father. Her gown was of white satin, trimmed with duchesse lace, and her veil was of tulle and duchesse lace, caught with natural orange blossoms. She carried a shower bouquet of bridal roses and lilies of the valley.

A reception followed the ceremony, and supper was served by Maresi of New York. The music, consisting of piano, violin and cello, was furnished by Mr. Rosenberg of New York. Assisting the bride party in receiving the guests were Mrs. George Silleck, of Greenwich, Conn., the grandmother of the bride, who wore a black gown with white lace; Mrs. Mortimer F. Smith, of New Canaan, Conn., an aunt of the bride, who was in black satin and chiffon, trimmed with white lace; Mrs. Ira Preston Taylor, of Brooklyn, an aunt of the bride, who was in white satin draped with black Chantilly lace, and Mrs. Edward Moss, of Concord, North Carolina, the sister of the groom, who was gowned in white taffeta, with lace.

Mr. and Mrs. Hemphill left after the reception for a wedding journey of several weeks in the South, after which they will be at home in Schenectady where Mr. Hemphill is connected with the General Electric Works."

On Friday afternoon Mrs. T. L. Hemphill entertained in a most gracious way in honor of her daughter-in-law Mrs. J. J. Hemphill, who was married the previous Saturday. In the receiving line with Mrs. Hemphill and Mrs. J. J. Hemphill were Mrs. Edward Moss, of Concord, Mrs. Everett, of Laurinburg, Mrs. A. E. Hicks and Miss Katharine Claywell. Those assisting in the hall were Messdames W. A. Harbison, B. Bristol, Derr Boger, Kate Bellmer, James Innes, and Mamie Collett. In the dining room, where delicious cream, cake and mints were served, were Mrs. W. A. Leslie, Mrs. Matthews, Misses Margaret Bristol, Flora Kibler and Mary Bellmer. The color scheme in the parlor was red, and red roses added much to the effect. Pink was used in the halls and in the dining room, lovely pink roses and carnations being used most effectively, and the color scheme also carried out in the refreshments.

Morganton ladies were delighted with the opportunity of meeting Mrs. Hemphill and welcoming her to the home town.

## TOO MANY CHILDREN

are under-size, under-weight

with pinched faces and poor blood; they do not complain but appetite lags, they have no ambition and do not progress.

Such children need the rich medicinal nourishment in Scott's Emulsion above everything else; its pure cod liver oil contains nature's own blood-forming, flesh-building fats which quickly show in rosy cheeks, better appetite, firm flesh and sturdy frames.

If your children are languid, tired when rising, catch cold easily or find their studies difficult, give them Scott's Emulsion; it supplies the very food elements that their systems lack.

Scott's Emulsion contains no alcohol and is so good for growing children it is a pity to keep it from them.

Scott & Bowne, Bloomfield, N. J.

## STATE AND NEIGHBORHOOD NEWS.

Editor J. B. Sherrill, of Concord, has announced that he is a candidate for the Concord postoffice.

The Progress Publishing company of Gastonia, publishers of the Gaston Progress, has been closed by creditors and will be sold at auction at an early date.

Hon. Champ Clark, speaker of the National House of Representatives, delighted a large audience in Shelby last Saturday night with his famous lecture, "Richer than Golconda."

Mr. C. L. Lawrence brought the Star two fine turkeys yesterday. Together the two weighed 7-12 pounds and were as sound as a dollar. Mr. Lawrence says he hauled four one-horse loads of pumpkins from his bottoms this week and the heaviest weighed 87 pounds.—Cleveland Star.

The North Carolina Conference of the M. E. Church, South, which met in Washington, N. C., closed Monday with the reading of the appointments by Bishop Waterhouse. The next meeting will be held in Wilmington. From the reports given all departments of the work of the denomination were shown to be in a flourishing condition.

Mr. W. H. Jones, accompanied by R. B. Boger and others captured a distillery about one mile from Plateau and 13 miles from Hickory yesterday afternoon. It was a 35 gallon copper still and was running in full blast. There was two men at the place but they made good their escape. About 800 gallons of beer and the still was destroyed.—Hickory Democrat, 19th.

Mr. and Mrs. James Lazos have returned home from New York. Mr. Lazos having gone there a week ago to meet his wife, who has been on a visit in Greece for about ten months. Mrs. Lazos says she was on the water 28 days and was stopped this day in the way for inspection of the ship. She also says the ship which she came over on was shot twice on the way between Greece and America.—Hickory Democrat.

Our people are right hopeful now that the Watauga & Yadkin road will be pushed to completion just as soon as possible as far as Rogers' two miles down the mountain from Cook's Gap. With this road completed within nine miles of Boone for a Southern outlet, and the Virginia and Carolina within 10 miles for another and western connection, it will certainly be a very great improvement on our present facilities.—Watauga Democrat.

We understand that Mr. Oscar Sherrill, of Catawba, who was elected County Judge at the recent election, finds that he cannot afford to give up his business as manager of the J. U. Long & Co. store at Catawba to accept the office. He will probably tender his resignation to the new Republican board of county commissioners as soon as the board is organized on the first Monday in December. It is rumored that the new board of commissioners will elect Mr. C. H. Mebane, of Newton, to the office.—Newton Enterprise.

## How the Next Legislature Will Stand.

The Raleigh News and Observer publishes a list of members of the next Legislature. It says the Senate will contain 43 Democrats and 7 Republicans. The Senate of 1913 contained 47 Democrats and 3 Republicans, the Republicans having made a gain of four seats.

The House will be composed of 97 Democrats, 21 Republicans, two Independents. The 1913 House contained 101 Democrats, 16 Republicans, two Progressives and one Independent. The Democratic membership shows a slight loss, while the Republicans have gained a few seats and the Progressive membership has disappeared entirely.

Of the 50 members of the 1913 Senate six of them will be members of the 1915 body, these being H. W. Stubbs, H. A. Gillam, George B. McLeod, F. P. Hobgood, Jr., Lordman Thompson and Zebulon Weaver. Others elected to the Senate have been members of a former body, but not the past session.

In the House 27 members of the 1913 body are returned as representatives in 1915.

DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional treatment. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running or itching ear, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous lining of the Eustachian Tube.

We will give you One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Take Hall's Family Pills for constipation.

A slight cough often becomes serious. Lungs get congested. Bronchial Tubes fill with mucus. Your vitality is reduced. You need Dr. Bell's Pine-Tar-Honey. It soothes your irritated air passages, loosens mucus and makes your system resist. Colds, Give the Baby and Children Dr. Bell's Pine-Tar-Honey. It's guaranteed to help them. Only 25c. at your druggist.

LOCKE CRAIG, Governor.

DON'T DELAY TREATING YOUR COUGH.

## FLANDERS FIGHT STOPPED BECAUSE OF WEATHER.

Troops on Both Sides Rest—Allies Unprepared to Attack.

London Dispatch, 21st.

The extreme cold weather and the exhaustion of the troops have virtually brought the battle in Flanders and France to a standstill. A desultory artillery duel continues at some points along the wide front and there has been an occasional infantry attack, but for the last three days the fighting has been mild compared with the fierceness of that which for more than a month preceded it.

The Germans, it is thought, have sent their best troops to the eastern front and even in big battles the Allies appear to have the advantage. There are no signs however, of an offensive on a large scale on the part of the Allies, who doubtless are as busy in need of rest as their opponents. In fact, it is stated that officers and men who have borne the brunt of the fighting in the trenches are being given a short leave.

This together with the cancellation of the order for the removal of shipping from Dunkirk, is taken to indicate that the Allies consider their position safe and that they do not contemplate an immediate forward movement.

For this reason, and because the result will have an important bearing on the war, interest still centered on the battles of Poland. As has been the case heretofore when important events were impending, little news is coming from either Petograd or Berlin. It is known, however, that the Germans are offering stubborn resistance to the Russian advance in East Prussia.

## County Progress Day and Community Service Day.

There will be a Community Service Day held in each school district in the county by the teachers, committeemen and patrons of the school on Friday, December 4th. The object and purpose of this meeting and social gathering has been explained in bulletins and letters sent out to the teachers and committeemen.

We sincerely trust that the committeemen and patrons of the various schools will heartily co-operate with the teachers in making this one of the most profitable school days in the history of the county.

We desire to make special mention of the fact that we hope to have the good mothers of each school district to spend this day in a social way at the public school building and give their support to the teacher and the school.

On Saturday, November 28th, the County Board of Education is very anxious to have the following persons meet in their office (Board of Education) at 10:30 o'clock to discuss and arrange a program for "County Improvement Day" to be held on Saturday, December 5th, in the town of Morganton. The old and newly elected Board of County Commissioners, the Mayor and Town Council of Morganton and Mayor and Town Council of all other incorporated towns of Burke county, Sheriff Berry, Clerk of the Court, and Register of Deeds, and editors of the county papers.

We trust that the above gentlemen and all other citizens that are interested in the improvement of their county will be present at this meeting and give us the benefit of your suggestions and experience.

By order of the Board of Education,

J. H. GILES, Chm.  
T. L. SIGMON, Sec.

## The Teachers in Charlotte.

It is safely assured from reports already to hand that the meeting of State teachers in Charlotte the coming week will be the largest North Carolina has known since the organization of the State society. The circumstances justify large attendance, from some of the most noted educators of the country will be present and addresses of a more than ordinary helpful character are in store. The social side of the Teachers' Association is still retained to a desirable extent, but in recent years the association has resolved itself into an organization for work, rather than for play, which is all the better for the association and for the State. Charlotte may be depended upon, however, to keep the social side of the event in hand as far as may be possible without interfering with the morning program of the teachers.

## AN ACTIVE LIVER MEANS HEALTH.

If you want good health, a clear complexion and freedom from Dizziness, Constipation, Biliousness, Headaches and Indigestion, take Dr. King's New Life Pills. They drive out fermenting and undigested foods, clear the Blood and cure Constipation. Only 25c. at your druggist.

## Scrub Fatten Quickly

You want your pigs to eat as much as possible when you fatten them. Give them a great variety of feed, keep the appetite keen and the digestion in good order, and you will obtain the desired result, especially if you mix with the grain ration a dose of

## Bee Dee STOCK MEDICINE

Whets the appetite—Helps digestion.

I put some scrubby-looking pigs in the pen to fatten and give them Bee Dee in their feed. I soon had six healthy-looking pigs which acted me over 500 pounds.

H. Kinner, Danville, Va.

25c, 50c and \$1. per can. At your dealer's. P. B. 4

## What the Farmer Did.

A city man recently visited his "country cousin." The man from the city, wishing to explain the joys of metropolitan life, said: "We have certainly been having fun the last few days. Thursday we autoed to the country club, and golfed until dark, then trolleed back to town and danced until morning." The country cousin was not to be stumped in the least, so began telling of some of the pleasures of the simple life: "We have had pretty good times here, too. One day we buggied out to Uncle Ned's and went out to the back lot, where we baseballed all that afternoon. In the evening we sneaked up into the attic and poked until morning." A sturdy old farmer who was listening, not to be outdone took up the conversation at this point, and said: "I was having some fun about this time myself. I muled to the cornfield and ge-hawed until sundown. Then I suppered until dark, and piped until 9 o'clock, after which I bedsteaded until the clock five'd, after which I breakfasted until it was time to go mulling again."

## IT REALLY DOES RELIEVE RHEUMATISM.

Everybody who is afflicted with Rheumatism in any form should by all means keep a bottle of Sloan's Liniment on hand. The minute you feel pain or soreness in a joint of muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's penetrates almost immediately right to the seat of the pain, relieves the hot, swollen feeling and making the part easy and comfortable. Get a bottle of Sloan's Liniment for 25c. of any druggist and have it in the house—against colds, sore and swollen joints, rheumatism, neuralgia, money back if not satisfied, but it does give almost instant relief.

## MORTGAGE SALE.

Under and by virtue of the power of sale contained in a certain mortgage executed by Adam Kennedy and wife, Mary Kennedy, to the undersigned on the 28th day of January, 1913, and upon default made in the payment of the debt thereby secured, I will, on

Monday, December 21st, 1914, during the legal hours of sale, expose to sale and sell for cash at the highest bidder at the Court House door in the town of Morganton, a certain tract of land in Burke county, North Carolina, in the town of Morganton, at the Fleming Ford road, known as part of the Clara Bettis lot, fronting on Fleming Ford road, adjoining and surrounded by the lands of W. J. Gaston, T. L. Gintner, Anna Bristol, containing 1/2 acre, more or less.

Reference is hereby made to said mortgage which is recorded in the office of the Register of Deeds of Burke county, in Book X, No. 2, page 379.

This 14th day of November, 1914.

CHARLIE C. CALDWELL, Mortgagee.

A. M. KISTLER, Assignee.

## TRUSTEE'S SALE.

Under and by virtue of the power of sale contained in a certain mortgage deed of trust executed by Julia S. Avery to the undersigned trustee, on the 29th day of October, 1908, and upon default made in the payment of the debt thereby secured, I will, on

Monday, December 21, 1914, during the legal hours of sale, expose to sale and sell for cash at the Court House door in the town of Morganton, all that certain piece, parcel and lot of land in the town of Morganton, Burke county, North Carolina, adjoining the lands of Jones Avery and Jim Lynch, beginning on a rock in the road, a corner of F. M. Laxton's 60 acres tract, to wit: the line of said tract south 60 degrees east 5 poles to a rock; thence with said line south 2 degrees east 5 poles and 8 links to a rock in Lynch line; thence with Lynch's line south 70 degrees east 12 poles to a stake about 6 feet east of the branch; thence north 44 degrees west 14 poles to the branch; thence up the branch as it meanders 7 poles to a stake in the branch under the bridge; thence south 34 degrees west with the road 20 poles to the beginning, containing 1 1/2 acres, being the lot and land conveyed by Jones Avery and wife, Susan Avery, to Julia S. Avery, by deed dated the 19th of August, 1907, reference being hereby made to deed of trust recorded in the Register's office of Burke county, in Book E No. 3, page 481.

This 14th day of November, 1914.

E. B. CLAWWELL, Trustee.

## PUBLICATION OF SUMMONS

In the Superior Court, December Term, 1914.

Maggie Fleming.

Ernest Fleming.

It appearing to the court that the defendant above named can not be found in the county, and that his whereabouts are unknown, it is therefore ordered that publication be made for four successive weeks in the Superior Court of Burke county, N. C., by his wife, Maggie Fleming, and the complaint filed in my office, and that he must answer or demur to said complaint on or before Dec. 1st, 1914, or plaintiff will demand the relief as prayed for in her complaint. Given under my hand this Nov. 2nd, 1914.

L. A. BRISTOL, Clerk Superior Court for Burke Co.

W. S. PEARSON, Plaintiff's Att'y.
