Correspondence of The News-Herald.

There is a goodly amount of talk through this section about "preparedness" and the increase of taxes. The two questions are "cussed" and discussed in every crowd or knot of folks you get in. I believe in adequate preparedness and taxes are necessary when properly collected and judiciously expended. I predict the time will come inside of five years that the commissioners will appoint a man of good business judgment for each township who will visit each farm and put a fair valuation on all lands and this would lower the tax rate and increase the volume of money. What we need in this county is an increase of the holdings of small farms, and a decrease of tenant farming. Preparedness to face conditions that will arise after the world war terminates are necessary. Proper restrictions to control immigration, and a sufficient embargo on all foreign-made goods, otherwise they will conflict with American made goods to the detriment of the manufacturer and laborer of our country.

Mrs. J. H. White was buried here a short time ago, Rev. George Hilton, of Morganton, holding the burial services. Mrs. White was in her 83rd year and leaves several children to mourn her loss.

Mr. John Carter came near losing his house by fire. The roof was in a blaze and in a few minutes would have been beyond control, when Dr. Long, going by, saw it and gave the alarm and report has it that the Doctor is a good sprinter, was on the top of the house in a short time and assisted in getting the fire out.

Mr. Durant Gibbs, who has been sick with a severe case of grip, is out again.

Mrs. Charlie Ward has returned from a visit of several days to Chattanooga, Va.

Giles Bros. have bought out the Long Drug and Mercantile Co. and have cut an arch throwing the two stores in one and will run a department store, Dr. Long retaining his interest in the drug department. This is a new departure for our town.

Mr. P. C. England has bought a house on Catawba street and moved his family from the Pitts water mill to give his children the advantages of the school here. Mr. England is a good citizen and we are glad to have him and family with us.

Mr. R. J. Gibbs has accepted a position with the Hardaway Construction Company and is at Fishing Creek, S. C.

Mrs. London has moved from Catawba street to the former residence of Mr. B. A. Giles.

Mr. Gus Setzer has moved from here to Granite Falls.

CORROBORATION.

Of Interest to Morganton Readers.

For months Morganton citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Morganton residents. Would these prominent people recommend a remedy that had not proven reliable? Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement? The following statement should carry conviction to the mind of every Morganton reader.

Mrs. A. E. Payne, Green St., Morganton, says: "I suffered from pains in the small of my back and my kidneys were irregular in action. Finally, I got Doan's Kidney Pills at the Burke Drug Co. and they relieved the pains and made me feel much better in every way." (Statement given January 18, 1908.)

OVER SIX YEARS LATER Mrs. Payne said: "I am never without Doan's Kidney Pills on hand. Whenever my back gets lame, I use them and they relieve me right away."

Price 50c., at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Payne has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
