**NO LOOKING BACK IN MORGANTON.**

**New Evidence Constantly Being Published.**

Since the long succession of Morganton reports were first published in the local press there has been no looking back. Morganton evidence continues to pour in, and—better still—those whose reports were first published many years ago, verify all they said in a most hearty and unmistakable way. Read the experience of Mr. J. M. McGalliard, Sterling St. He says:

"I suffered from weak kidneys for several years, along with a dull ache across the small of my back. I didn't seem to have much strength and the kidney secretions were unnatural. Finally I went to the Burke Drug Co., and got a box of Doan's Kidney Pills. They strengthened my kidneys and gave me relief in every way." (Statement given January 17, 1908.)  
**OVER SIX YEARS LATER** Mr. McGalliard said: "Doan's Kidney Pills so greatly benefited my kidneys that I have had no kidney trouble for years."

Price 50c., at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McGalliard had. Foster-Milburn Co., Props., Buffalo, N. Y.

**CORRECTING A FALSE REPORT.**

To the Editor of The News-Herald: Please publish in next issue of your paper that the report now being circulated in Burke county that I do not live in the county is not true. I have lived and voted in Burke county for seventeen years.

**GREENE REPLIES TO NEWELL'S CIRCULAR LETTER.**

To the Voters of the Ninth Congressional District: I notice that Mr. Newell is sending a circular letter over the district calling upon the voters to support him in the primary, stating that he can be elected this fall and that I cannot be elected. If we are to judge the future by the past we would at once come to the conclusion that Mr. Newell could not win; but I won't say that. He might win, but I say to the voters of the district that I stand a much better chance of winning. I speak this advisedly. I have been over the district and I think I know the sentiment in the district.

Mr. Newell prefaces his letter by saying that he is opposed to the primary, and that the Democrats are responsible for it. Mr. Newell is responsible for this congressional primary. He can't deny this. For at the Congressional Convention I insisted that we avoid the wrangle in the primary by agreeing to let the delegates assembled say who the nominee should be. The delegates were in attendance from every county. Mr. Newell would not agree to nominate a candidate in the usual way, but demanded the primary, and he, together with the Democratic law, has forced me into this primary. The people know the facts, and in Mr. Newell's circular letter he very studiously conceals the facts.

He tells us in his letter that he has done a great deal of work for us since he came to the party. Others of us have been working for the party before we were old enough to vote. I never knew anything politically speaking, but Republicanism. We all consider it an honor to work for our party. The Republican party doesn't depend on any one man. That party will live if Mr. Newell and I were both eliminated. No one man is wholly responsible for Republican gains.

Now, I don't want to make this letter too long, but I want to say that I will serve my party wherever it calls. Many of the voters all over the district have asked me to run for Congress and I have this right. It is also a right Mr. Newell has, notwithstanding the fact that he has been defeated twice. I feel that I am entitled to the nomination for reasons of which the voters know. Mr. Newell claims that he can get certain support in Mecklenburg county. We have heard of these claims and promises before.

Doesn't it stand to reason that if the men of whom he speaks will help him, they will help me? If they want a Republican they know I am one of long standing. Why wouldn't they give me the support they would give Mr. Newell? His own people would give me better support. I have been told this by his own people high up in the party.

Mr. Voter, think the proposition over and mark a cross in the square before my name on the ticket, give me your support, and after the nomination we will organize and try to carry the district. The mountain part of the district ought to be recognized and I believe the voters of the district will do it.

Sincerely,  
CHAS. E. GREENE.  
Bakersville, N. C., May 29, 1916.

Democratic Candidate for Corporation Commissioner of North Carolina.

D. L. He has had more than twenty-five years' experience in actually building railroads, and has an intimate knowledge of the values of land, public utility properties, and theories of taxation. He is a candidate against W. T. Lee, a member of the present Corporation Commission, which increased the assessment in Burke county.

To the Voters of Burke County: At the solicitation of many friends from different parts of the county I have consented to allow my name to go before the Democratic primaries on June 3rd for the House of Representatives. I have delayed making this announcement to this late day hoping thereby that some one else representing a united democracy might offer. I consider the success of the Democratic ticket paramount to any local differences there may be in the party and shall loyally support any man on the ticket from constable to President. I take it from those who have called on me to enter this race there is some strength behind the movement and I have no reason to believe I am any weaker today with the people than in 1896 when I defeated one of the strongest men the Republican and Populist parties had. Gentlemen, the matter is before you on Saturday, June 3rd. Take the case.  
Respectfully,  
JNO. H. PEARSON.

The undersigned asks for the support of the Republican voters of the district, and all other voters who propose at the coming election to vote for protection and prosperity. I ask your support on the grounds that the western end of the district has had the nomination but one time since the district was formed, the nomination having gone to Charlotte a number of times, and upon the ground that a majority of the delegates at the Newton convention were in favor of nominating me, and upon the further ground that if a man is nominated from the west end of the district it will stir the mountain counties will go their limit in the coming fight. This is an appeal to every Republican and every other voter in the district who expects to support Republican policies this fall. Your support in this contest will be greatly appreciated.  
Sincerely,  
CHAS. E. GREEN.
