The biggest thing we have on hand is the bond election to build an up-to-date schoolhouse, which will come off in a short time. North Carolina from the bottom of the ladder has become the 45th State. The crying need of this country and age is education and no one who has at heart the welfare and promotion of their children can have the heart to vote against it. We are satisfied that a majority of our good citizens are heartily in accord with it.

Glen Alpine, February 23.

ICARD.

Mr. W. Y. Frazier and daughter, Elizabeth, of Asheville, were the week-end guests of Mr. and Mrs. D. B. Mull.

THE BEST INSURANCE AGAINST INFLUENZA

PROMINENT EDUCATOR BELIEVES THAT VAPOMENTHA IS A SURE PREVENTIVE

Dr. R. M. Brame, discoverer of Brame's Vapomentha Salve, has a letter from C. C. Wright, Superintendent of the Wilkes County, N. C., Public Schools, in which he says: "We have used Brame's Vapomentha Salve for nearly all the ills for which it is prescribed and have always secured satisfactory results. If used in time it has never failed to break up colds, usually the forerunner of Grippe, Influenza and Pneumonia. I speak from personal observation. I believe if this preparation is used in time it will prevent the development of pneumonia in every instance, if used according to directions." These strong statements are fully justified by the remarkable recoveries that follow. Brame's Vapomentha Salve is applied freely over the chest and throat and inserted
