**When So Many Morganton People Are Pointing the Way Out**

You may be brave enough to stand backache or headache or dizziness. But, if, in addition urination is disordered, look out! If you don't try to fix your sick kidneys, you may fall into the clutches of dangerous disease before you know it. But, if you use more carefully and help your kidneys with Doan's Kidney Pills, you can stop the pains you have and future danger as well. Don't experiment—use the remedy Morganton people are publicly endorsing. This case:

Mr. R. Bridgers, jeweler, 401 Lenoir Street, Morganton, says: "I have used Doan's Kidney Pills off and on for several years and have always received fine relief from their use. I always take them when I have a tired and languid feeling or when my kidneys aren't working just right. I always get the desired relief."

Price 60c., at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bridgers had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

**Do Yours Look Like These?**

Ruddy-cheeked, vigorous, healthy youngsters—sickness never troubles them. Their glowing health is a joy to everyone.

Nourishing food keeps their little bodies sturdy and strong, but the waste product of this food is dangerous, if not gotten rid of thoroughly and effectively.

Nujol is particularly valuable for relieving constipation in children as well as in grown-ups, as it does not upset the stomach, cause diarrhoea or form a habit.

Nujol works on an entirely new principle. Instead of forcing or irritating the system, it simply softens the food waste. This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system.

Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

Nujol is absolutely harmless and pleasant to take. Try it.

Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger".

The Wonderful Seed Clover

Sow it in your corn and cotton at the last working, and next year you can plant these two crops on the same land and make bigger crops. It is considered worth \$20 to \$30 per acre in the increased productivity and improved mechanical condition of the soil.

CRIMSON CLOVER also makes an excellent winter and spring grazing crop, the best of early green feed and a good hay crop.
