

FORD RELEASES 100,000 FOR INDEFINITE TIME

Many of the Idle Factory Workers Casting About For Jobs To Tide Them Over.

An industrial army of upwards of 100,000 persons Monday entered upon a period of idleness and the mammoth Ford Motor Company plants were deserted except for caretakers, for the first time in months. This was the first working day since the complete suspension of operations due to the coal situation.

As many of the idle factory workers were casting about for jobs to tide them over, their employer, Henry Ford, renewed his efforts to solve his fuel problem. His task, Mr. Ford maintained, was to obtain fuel at what he considered a reasonable price. To accept coal at prices quoted him, Mr. Ford previously declared would be a "submission to profiteers."

A statement had been made by the manufacturer as to the probable duration of the suspension of work at his plants, but Edsel B. Ford, president of the company, voiced the hope that a way out of the fuel difficulty might soon be found.

Whether the reported plan of the chamber of commerce of the United States for a nation-wide co-operative agreement among manufacturers would aid the Ford company still was in doubt. As outlined here the plan is in agreement with Mr. Ford's stand in the coal situation, to the extent that it would provide against undue price inflation as well as for transportation to all industries, large and small, of enough fuel to keep them in operation. The plan is being considered by local manufacturers as well as the chamber of commerce fuel committee.

TRUTH TRIUMPHS

Morganton Citizens Testify For the Public Benefit.

A truthful statement of a Morganton citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, use a tested kidney medicine.

A Morganton citizen tells of Doan's Kidney Pills.

Could you demand more convincing proof of merit?

John H. Potteet, blacksmith 214 Greene St., says: "Some time ago my kidneys were in a badly disordered condition. My kidneys were never regular in action, at times too free, but the secretions scanty in passage. My back was lame and ached a lot. I used Doan's Kidney Pills and they soon fixed me up in good shape. My kidneys were regulated and the backache left."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Potteet had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

The Key That Unlocks the Door to Long Living.

The men of eighty-five and ninety years of age are not the rotund, well-fed, but thin, spare men, who live on a slender diet. Be as careful as he will, however, a man past middle age will occasionally eat too much or of some article of food not suited to his constitution, causing indigestion or constipation and will need a dose of Chamberlain's Tablets to move his bowels and invigorate his stomach. When this is done, there is no reason why the average man should not live to a ripe old age.—Adv.
