CHAUTAUQUA IN LILLINGTON

HIGH CLASS CONCERT AND LECTURE PROGRAM

Next Week, November 5, 6, 7, Will Witness Notable Entertainment Under Auspices of Radcliffe-Seat Sale Going With a Rush.

Buy a Blue!

Buy a Red! Chautauqua is in the air-everywhere. School lassies are vying with each other in disposing of tickets, and anyone who has been slighted by these diligent solicitors may yet find tags by simply whispering "Red" or

"Blue." Since Miss Hughes, advance agent, struck Lillington last Friday, the Chautauqua spirit has "taken on. The whole town is interested now and signs point to a capacity audience, and as some would say, a "representative" gathering in the big tent

next week. Three concert companies are on the program, and these alone will be well worth the admission price. Three days, Wednesday, Thursday and Friday, November 5, 6, 7, will be taken up with some of the most splendid entertainment that has ever visited Lillington. People residing the great need felt by mrchants for in surrounding territory near the countyseat will do well to come into town and get seats reserved early, as the sale of tickets already points

to a regular city audience. The surplus after paying expenses will go to equipping the dormitory what ordinarily would be a single at the High School.
