We Are Cutting Prices

We are marking reduced prices on all our goods where it is possible to do so. We are not cutting prices on some articles of merchandise in our line for the simple reason that our cost price will not allow it.

But-we are making

Honest Reductions

When we tell you we cut prices we mean to live up to what we say. We are striving to meet the nationwide re-adjustment and are cutting off every cent of profit we can possibly stand-and continue in business. We will not sell you an article at a reduced price and then make up the difference on something else. We will sell everything reducible at an honest reduction. We invite your inspection of our price reductions, because
