STUPENDOUS SIXTEEN DAY JANUARY CLEARANCE SALE

Don't Fail to be Here Wednesday, January 5, at 9 A. M.

The Greatest Sacrifice Sale Ever Attempted.

It is not necessary to go into long detail about this sale, as all of our old customers know just what our January Clearance Sale is. We hold it every year, and it is the biggest merchandising event of the year. We can truthfully say that this is positively going to be the biggest sale we have ever had. Every article in the store has been reduced. Some things are marked as low as one-half the original cost price, others are marked at cost. Everything is marked lower than you have been able to buy it in four years. Make it your business to be here on the opening day.

We Are Cutting Prices

We are marking reduced prices on all our goods where it is possible to do so. We are not cutting prices on some articles of merchandise in our line for the simple reason that our cost price will not allow it.

But—we are making

Honest Reductions

When we tell you we cut prices we mean to live up to what we say. We are striving to meet the nationwide re-adjustment and are cutting off every cent of profit we can possibly stand—and continue in business. We will not sell you an article at a reduced price and then make up the difference on something else. We will sell everything reducible at an honest reduction. We invite your inspection of our price reductions, because
