You've Struck it Right when you Light a CAMEL

Your taste will tell you that! For Camels have the flavor and fragrance of choicest tobaccos, perfectly blended. They're smooth and mellow-mild.

And there's NO CIGARETTE AFTER-TASTE.

We put the utmost quality into this one brand. Camels are as good as it's possible for skill, money and lifelong knowledge of fine tobaccos to make a cigarette.

That's why Camels are THE QUALITY CIGARETTE.
