"If It Concerns Harnett, It's In THE NEWS"

## Expenses Held Down To Keep Tax Rate At \$1.35

### BOARD DENIES MANY REQUESTS FOR MORE MONEY

DETERMINED TO HOLD RATE AT  
PRESENT LEVEL, EXECUTIVES  
ADOPT RATE AND TELL  
AUDITOR TO "FIGURE"

"Figure as you've never figured before," the Board of Commissioners told County Auditor Herbert Carson last Thursday as they handed him their unswerving decision to hold the countywide tax rate for the fiscal year 1948-49 at \$1.35. Numerous requests had come to the board for increases in appropriations, but the executives were adamant in their refusal to be so generous that the tax rate would necessarily be increased. And so, when they gave their ultimatum to Auditor Carson that under no consideration must the rate be increased above \$1.35, they also told him to do some whittling if necessary. Somewhere around \$14,000 had to be chipped off the tentative budget in order that the rate level be retained.

After working away on the budget for a week, the Auditor finally fitted the total appropriations to the amount that can be anticipated from a levy of \$1.35 on the valuations which run around twenty-eight and a half million dollars for 1948 listings.

For general county purposes the levy is 77 cents, and for the schools 58 cents. Township road levy rates vary according to the requirements to meet bond obligations. Each of the 13 townships issued bonds for roads before the county assumed the burden, and each township must now pay for its bond interest and retirement.

Following are the rates fixed by the board:

General county fund 15c; poor fund 10c; health fund 10c; bond fund 18c; county accountant 03c; county agent 03c; veterans service officer 02c; old age assistance fund 10c; aid to dependent children fund 06c—making a total of 77c.

For schools: current expense 19c; capital outlay 19c; debt service 20c—making a total of 58c.

Township levies:

Anderson Creek 08c; Aversboro 07c; Barbecue 06c; Black River 08c; Buckhorn 30c; Duke 08c; Grove 25c; Hector's Creek 10c; Johnsonville 10c; Lillington 18c; Nell's Creek 10c; Stewart's Creek 25c; Upper Little River 06c.

Roll tax \$2 plus three times the special rates.

### LEE PROPOSAL IS TURNED DOWN

Lee County Wants To Share Harnett's Health Department, But Board of Health Says No

"Not interested" is the way Harnett County's Board of Commissioners received the proposal from Lee county for a coalition health department for the two counties. The Commissioners supply the funds for the operation of the health department. "No" is the answer from the County Board of Health when it came to consider the proposal turned over to it by the Commissioners.

For about ten years Harnett county has had its own full-time health department, of which Dr. W. B. Hunter has been the head since its beginning. The department has made an enviable record with its highly efficient operation in protecting and furthering the health interests of the citizens.

### Judge Burgwin To Hold Sept. 2 Term

As a result of an exchange of judges for some of the Fall terms, Judge W. H. S. Burgwin of Woodlawn in Northampton county will preside over the September term of Harnett Superior Court for the trial of criminal cases, in lieu of Judge John J. Barney of Wilmington, who would have been the regular judge for the term.

The criminal term will convene September 2 and continue for one week.

Judge Walter J. Bono of Nashville will preside over the September civil term of one week commencing September 16.

Opening of the criminal term falls on Labor Day, but the court has not heretofore observed it as a holiday.

### CONFERENCE OF S. S. WORKERS

Supt. Page Calls Gathering at Lillington on Sept. 8 At 2:30 P. M. Of Officers And Teachers

Supt. G. G. Page of the Little River Baptist Association Sunday School work, has called a conference for all Sunday school officers and teachers of the Association to be held in Lillington on September 8 at 2:30 p. m.

All churches are urged to procure the attendance of all officers and teachers.

Departmental conference will be conducted by departmental superintendents.

### Sheriffs Commend Beer Regulation

The North Carolina Sheriffs Association, at its annual convention in Elizabeth City August 8-9, adopted a resolution commending the self-regulation program of the North Carolina Committee-United States Brewers Foundation.

The resolution praised State Director Edgar H. Bain and his staff for their cooperation with law enforcement agencies and congratulated the committee on its seventh anniversary.

Catawba's Sheriff Ray Pitts was elected president succeeding Sheriff S. R. Churchill of Lenoir. Other officers: Sheriff Charles McDonald of More county, first vice president; Sheriff Hoyle Efrid, of Gaston county, second vice president; and John R. Morris of Wilmington, secretary-treasurer.

### Rent Overcharges Bring Term, Fine

One of the stiffest penalties yet handed down for violation of rent regulations has been imposed in Columbia, S. C., by U. S. District Judge George Bell Timmerman, who sentenced Annie Mary Timmons, Columbia apartment operator, to serve nine months, with an additional fine of \$1,000.

Miss Timmons, who had faced numerous charges for collecting overcharging rents from servicemen and other tenants, was found in criminal contempt of court for violating an earlier injunction issued by Judge Timmerman.

In an earlier case, Miss Timmons had been given a three-months suspended sentence and fined \$300. In the present case, a motion by defense attorneys for a suspended sentence was denied by Judge Timmerman.

### Prices on Border Tobacco Markets Still 'Going Good'

Although prices paid for tobacco on Border Belt markets reached an all-time high (in average up to \$56.50 per hundred pounds), reports from the 17 markets this week seem to point up an even higher average before the season's close.

From the nine South Carolina and eight North Carolina markets in the Border Belt come reports that the \$1-to-\$6 gains last week do not mean that the peak in prices is reached. Warehousemen, at some points in particular, are more optimistic than ever over the outlook for still higher prices as the better grades of leaf begin to make their appearance.

Quality of some offerings now is said to be "badly off." How much of this low-grade leaf is going to market, however, is not stated. The federal-state marketing news service said that 37,160,792 pounds were sold last week on the Border markets. Flue-cured tobacco farmers who

### LOCAL MOVIE HOUSE BEGINS SUNDAY SHOWS

EFFORT SOME MONTHS AGO ENDED IN CONTROVERSY; START THIS TIME WITHOUT MAKING ANNOUNCEMENT

With no pre-announced arrangement except for a change in its program, the Lyric Theatre here started off last Sunday with a seven-day schedule of shows. Manager Alfred changed his programs for the ensuing week just as The News was going to press.

Manager Alfred told The News that he had "a very good audience" at his Sunday shows, much better than he had expected for the initial Sunday opening.

Asked what comment he had heard regarding the opening of his theatre for Sunday shows, Manager Alfred stated he had heard no opposing comment at all, but that many patrons had told him they were very glad he had decided to go on a Sunday schedule.

Some months ago when a movement was attempted to open the Lyric for Sunday shows, there was considerable opposition voiced, but no action was taken except to place the matter before the Board of Town Councilmen who took no definite action except to leave the final decision "to a referendum of the citizens." No referendum was called. It was stated at that time that some of the Council members were opposed to the Sunday shows, some were favorable and some were neutral. The net result was that the matter was left in obedience insofar as the municipal authorities were concerned. Neither did Manager Alfred take any further action at that time.

Now that the local movie house has adopted a Sunday schedule of shows it has followed the practice of practically every other showhouse in this section. Heretofore, Lillington was the only town having a movie house without a Sunday program.

### GARNER FREED ON ENTERING CHARGE

AWOL Soldier Was Charged With Entering Bedroom of Angler Lady at Night

Private Emmett J. Garner of near Angler, after being in jail here without bond on a charge of entering the home of Mrs. Kavie Adams at Angler's Court Tuesday, the evidence not being sufficient to satisfy Judge Floyd H. Taylor for holding the man for trial in Superior Court.

Garner was further charged with assault on his wife, and Judge Taylor is holding this case for further consideration.

Garner is alleged to have called his wife from the house and stabbing her in the back, then slashing her left arm twice.

It was alleged that Mr. Adams and his son had chased Garner away from the Adams home where he said his wife was visiting at the time.

According to Solicitor Lee, Garner served a year on the roads in 1943 for abandonment and nonsupport of his wife. She told the officers her husband had chased her away from home three times in recent months.

### OPA To Push Shoe Production

OPA has joined with other Federal Agencies to insure continued production of shoes, State OPA Director Theodore S. Johnson said today.

The Civilian Production Administration will make a widespread check of hide inventories in the hands of slaughterers and collocors, and of hides and processed leather held by tanners, he explained.

At the same time OPA has reaffirmed its determination not to permit price increase for domestic hides and leather, stating that under the standards laid down by Congress there is no present ground for decontrol of these commodities under present conditions of supply and demand. The Department of Justice will investigate reports of hides withheld from the market in anticipation of price increases, Johnson said, and OPA enforcement agents have been ordered to make special efforts to prevent any attempt to move the stored up hides at black market prices.

### LOCAL AIRPORT IS OPEN DAILY

Lamar Simmons, Flying Fortress Pilot in World War II, Instructor; A. J. Collins, Owner

Lillington's new airport is now open daily, according to announcement by A. J. Collins, owner and manager. Lt. Lamar Simmons, Flying Fortress pilot of World War II, is flying instructor for the airport. Manager Collins announces that in addition to taking up passengers he will have planes for rent.

The airport has become one of the most popular sports hereabouts, and an increasing interest is being shown in flying.

## HARNETT GETS \$3,377.51 IN SOCIAL SECURITY PAY

1,245 PERSONS NOW RECEIVING THAT AMOUNT MONTHLY; ADMINISTERED BY FAYETTEVILLE OFFICE

In the area serviced by the Fayetteville office of the Social Security Board there are now 1,245 persons receiving monthly benefit checks totaling \$15,749.95, under Old-Age and Survivors Insurance provisions of the Social Security Act. Beneficiaries in the 5 counties of this service area include: 396 retired workers and their wives who have reached age 65; 23 widows 65 years old or over; 170 widows with children in their care; 650 children; 4 aged parents who were dependent upon a deceased son or daughter at the time of the wage-earner's death.

Idwal Parry, acting manager of the Fayetteville office of the Social Security Board, explained that when a fully insured wage-earner, who is 65 years old or more, files claim for his monthly old-age insurance benefits, his wife may also claim monthly benefits, if she is 65 years old or when she reaches that age. In addition, each of his children under age 16 (18 if in school) will receive monthly benefits—except that the benefits for the entire family may not be more than twice the amount of the retired wage-earner's own monthly payment.

When an insured worker dies, leaving a widow with his children in her care, monthly payments of survivors insurance are made to his widow and to his children under age 16 (18 if in school). This will be paid regardless of the age of the widow. An insured worker's widow who has reached age 65 is eligible for benefits whether or not she has a child in her care.

Where the insured wage-earner dies and leaves no survivor entitled to monthly benefits, a lump-sum death payment is made to the widow or children or parents of the deceased, or to the person who paid the burial expenses.

54 lump sum payments amounting to \$6,646.14 have been made in this area since the first of the year 1946. Given below are the figures for Harnett county, which show the number of beneficiaries in each group and the amount of the payments per month.

Retired workers (65 or more), 48, amount \$1,458.70.  
Wives of retired workers, 65 years old or over, 24, amount \$242.00.  
Widows 65 years old or over, 2, amount \$30.60.  
Widows having children under 18 in their care, 34, amount \$515.23.  
Children under 16 (18 if in school and unmarried), 119, amount \$1,120.43.  
Aged dependent parents, one, amount \$10.55.

## Commissioners Declare Bond Issue Now In Force, Effect

### TOWN COUNCIL NAMES RATE OF TAXES FOR YEAR

RETAINS FORMER RATE OF \$1.74 ON \$100 VALUATION FOR THE FISCAL YEAR OF 1948

Lillington's Town Council, in regular session last Tuesday night fixed the tax rate for the fiscal year 1948-1949 at \$1.74 on the \$100 valuation. It is the same rate that has been prevailing for the past several years. Although the town has retired all but \$12,500 of its indebtedness, it is proposed that the existing tax rate be maintained in order that funds may be raised for some needed municipal improvements such as extension of water and sewer lines and street construction.

The \$12,500 debt outstanding is in serial bonds, and it is anticipated that all of it will be retired within the year.

Breakdown of the levies for the various purposes is as follows:  
General fund \$0.81.  
Debt service \$0.53.  
Sinking fund \$0.40.  
Total \$1.74.

Resolution fixing the tax rate was unanimously adopted.

### Restaurant Prices Back At Old Levels

There are no changes in OPA regulations governing restaurants, OPA District Price Executive W. A. Linehan said today. "Prices which may have been raised during the OPA hiatus have now reverted to legal ceiling prices in effect on June 30, 1946," Linehan declared.

Under the provisions of Amendment 13 to the OPA restaurant regulation, restaurant operators are allowed to recalculate the ceiling price for any meal, food item or beverage, the major ingredient of which is exempt from price control at all other levels. Any prices computed under this provision must be filed in duplicate with the local Price Control Board, Linehan said.

### EC. TEACHERS PLAN FOR YEAR

First Monthly Meeting Here Elects Officers; Program For Year Planned

The first monthly meeting of the Harnett county home economics teachers was held Thursday afternoon, August 8, in the Lillington tenchorage. The business session was opened with the election of new officers for the current business year which are as follows: President, Miss Martha McLeod, Benhaven; vice president, Miss Myrtle Parnelle; Kipling; secretary, Miss Pearl Ogburn, Erwin; program chairman, Mrs. Thompson, Dunn; club advisor, Mrs. Ruby I. Parker, Boone, Trail; and reporter, Miss Winifred Kernodle, Lillington.

A program for the year was planned with equipment, child care, family relationships, and clothing care as the leading topics for discussion.

Miss Myrtle Parnelle discussed the Club program in Harnett county. At the present, there are only four schools participating in club work, but it is hoped that all the schools in the county will organize a home economics club this year. Plans were made to invite delegates from those schools that do not now have clubs to attend the next County rally in order to arouse more interest in club work among students.

There was a brief discussion concerning the State Home Economics convention which is to be held in the Fayetteville High School from August 20 to 23. Miss Myrtle Parnelle will have a part on the program at this conference.

Mrs. Ruby I. Parker explained to the new teachers the method for keeping financial records. The Home Economics teachers feel that Harnett county has one of the best systems in the State.

At the close of the meeting, everyone enjoyed tasty refreshments, grape juice and cookies, served by Miss Winifred Kernodle.

RETURNS FROM MOUNTAINS  
Mrs. W. B. Hunter, Miss Rita Hunter and Miss Lovenia Hunter have returned from a pleasure trip to the mountains in Western North Carolina.

## Commissioners Declare Bond Issue Now In Force, Effect

### OFFICIAL 'TAB' GIVES ISSUANCE RIGHT OF WAY

1,082 VOTERS APPROVED, 562 DISAPPROVED, PROPOSAL TO SELL COUNTY BONDS OF \$750,000 FOR SCHOOLS

Taking the official tabulation of returns of the special election held August 6 as a guide, the Board of County Commissioners formally declared their order issuing \$750,000 in school bonds to be in full force and effect, when they met in adjourned session last Thursday.

The official figures as tabulated from returns by the County Board of Elections showed that 1,082 voters approved the measure, while only 562 disapproved.

The balloting was nearly two to one in favor of the proposal, but only 1,672 citizens exhibited sufficient interest in the matter to go to the polls and vote. There were 16,835 duly registered voters, each of whom had the privilege of voting in the special election.

County Attorney H. C. Strickland will proceed with the legal details of preparing the bond sale. It is quite certain, Attorney Strickland feels, that a very low rate of interest can be secured, but just what the rate will be he cannot say until the final bids are opened. Neither has it been decided whether all of the authorized issue will be sold at once.

Funds derived from the sale of the bonds will be used to erect new school buildings, remodel and enlarge existing school buildings, including the acquisition of necessary land and equipment therefor.

The Board of County Commissioners has issued the following statement in regard to the bond issue: "To the citizens and taxpayers of Harnett county:

"No right of action or defense founded upon the invalidity of the election... shall be asserted, nor shall the validity of such election be open to question in any court upon any grounds whatever, except in an action or proceeding commenced within thirty days after the publication of the foregoing statement."

The Board of Education met yesterday to begin planning a construction program which will include at least two new buildings just as soon as plans can be drawn and materials and labor are available. They are; a complete building at Bule's Creek and a Negro school in Johnsonville township.

Supt. Ross states that while no priority list has been set up, some of the projects are more immediately urgent than others. The Board will work out these details. It cannot be definitely stated how soon construction will start, so much depending upon availability of materials and labor.

Two to three months will be required to obtain architect's drawings, and work may be started on at least some of the projects within that time.

### MAKING SURVEY FOR VETERAN JOBS

Concerned over the large numbers of World War II veterans who have filed claims for servicemen's readjustment allowances for long periods had prompted the Veterans Administration to conduct a survey to find the causes for unemployment for those veterans who have filed claims for 20 weeks or more, Col. A. L. Fletcher, Readjustment Allowance Agent in North Carolina, announces.

Blanks to be filled out by veteran claimants have been prepared by the State Unemployment Compensation Commission for distribution through local Employment Service offices to veterans claiming allowances for 20 weeks or more. Information is sought on age, sex, disability, if any, date of discharge from service, type of work done before, during and since military service, reasons for separation from recent jobs, efforts to get jobs, numbers of employers contacted and jobs refused, with reasons, job training courses taken or being to be taken or refused.

Data secured will give a reasonably accurate picture of why such veterans continue to draw allowances, and a closer check is to be made with a view to requiring them to take jobs or suitable training courses in job training. The object is to seek to stop payments if it is found that veterans refuse suitable jobs or refuse suitable on-the-job training.

### RED CROSS TRAINING

Mrs. Flora Moore will leave Saturday for Atlanta where she will take two weeks training in Red Cross Executive work.

### TO START FROM AG. BLDG. HERE AT 9:00 A. M.

WILL VIEW PROJECTS IN VARIOUS COMMUNITIES; BAYARD CLARK TO MAKE ADDRESS AT DUNN

The annual Farm Tour for Harnett county farm men and women will be held tomorrow (Friday), August 18, starting promptly at 9:00 a. m. from the Agricultural Building in Lillington. This is a one-day tour and will include visits to ten projects being conducted on the farms and in the homes in Harnett county.

Arrangements for lunch have been made by the Agricultural Committee of the Dunn Chamber of Commerce, and this will be served in Dunn about 12:45 p. m. The expense

### FARMING FOLKS TO MAKE TOUR

of the meal will be at a nominal price to each individual.

Congressman J. Bayard Clark will address the group following the lunch.

The touring group will include both men and women, and the Farm and Home Agents are anxious that everyone make arrangements to participate.

Neighborhood leaders are urged to arrange to assemble at least one car from their respective neighborhoods and go on the tour.

The tour will include projects along the following lines: Food Preservation, Home Beautification, Cotton Production, Hybrid Corn Demonstrations, Construction and Maintenance of Farm Fish Ponds, Permanent Pasture Demonstrations, Swine Production, Poultry Production Projects, Farmstead Planning including farm, home and grounds, Drainage Demonstrations.

Business men and civic club members are cordially invited to participate in the tour.

All who intend to go on the tour should contact the County Agent's office immediately.

### LOCAL AIRPORT IS OPEN DAILY

Lamar Simmons, Flying Fortress Pilot in World War II, Instructor; A. J. Collins, Owner

Lillington's new airport is now open daily, according to announcement by A. J. Collins, owner and manager. Lt. ### RETURNS FROM MOUNTAINS

Mrs. W. B. Hunter, Miss Rita Hunter and Miss Lovenia Hunter have returned from a pleasure trip to the mountains in Western North Carolina.

### FIVE REGISTERED BULLS BOUGHT

Negro Farm Agent Says This is Only Beginning As More Bulls Are Needed

During the month of July, five registered Guernsey bulls were placed with Negro farmers in Harnett county. The bulls were placed at a total cost of \$530.

The project was financed cooperatively by the Bank of Fuquay Springs, Harnett county and stockmen in Harnett. The bulls were placed with the following farmers who will use the service fees for the upkeep and care of the bulls. The farmers are: Ernest McLean of Route 1, Jonesboro; Clarence Campbell of Route 2, Lillington; Willie Hicks of Route 1, Bunnlevel; Wadell Cameron of near Erwin; and Leslie Artis of Route 4, Dunn.

Four of the bulls placed will be old enough to begin light service this month.

After a bull has been in service 30 months, it is planned to move him to another community.

County Agent Boston says this is just the beginning as there is a great need for one or more purebred bulls in each of the 19 communities in the county.

The bulls are owned by the Harnett County Bull Association.
