Rev. Foley Pays Return Visit

Rev. W. L. Foley, pastor of Cook's Creek Presbyterian Church at Mt. Clinton, Va., former pastor of Lillington Presbyterian Church, paid a return visit to Lillington last week-end and upon invitation of Pastor T. A. Guiton preached in the local church at the 11 o'clock service on Sunday morning.

It was sort of a homecoming for the Presbyterians, and Mr. Foley was the honor guest. Following the service a Fellowship dinner was served in the church cafeteria in the basement. Other invited guests also enjoyed the service and dinner.

Mr. Foley preached a forceful sermon on "Relieving the Tension." It was not only timely but bore particular application to people in all walks of life. "The Great Bearer of the Yoke is the only One to whom mankind can look either in times of stress or in everyday experiences," emphasized the preacher.

Mr. Foley is loved and admired by such a host of friends in the community that the local church was filled Sunday when he preached.

He was accompanied by his son, Winfield, who rendered a solo at the service Sunday that was highly appreciated by the congregation. They returned this week to Mt. Clinton. Winfield is a student at Hampden-Sydney.

The table was covered with a lace cloth and held a centerpiece of white mixed flowers and white candles in silver holders. Mrs. H. E. Senter, mother of the bride-elect, presided at the punch bowl. Assisting in serving party sandwiches, bridal cakes, mints and nuts was Miss Gladys Andrews, sister of the hostess.

A series of games and contests were directed by Misses Eunice Andrews and Jean Dula. Prizes were won by Misses Ann Melvin and Frances Johnson. HARNETT GIRLS ATTEND TOM BROWN CAMP

The Tom Brown Camp near Asheville took on an air of femininity early in June when F.H.A. girls from all over the state took over the camp for their annual outing.

Outstanding in this group of nearly 150 girls were the Harnett County Chapter members of the F.H.A. with girls representing Angler, Lillington, Erwin, Boone, Trail, Benhaven, and LaFayette schools.

During their week at camp the girls were engaged in interesting classes such as handicrafts, folk dancing, swimming, soft ball, ping pong, and various other sports. A leadership council, meeting twice daily and composed of four teacher advisors in addition to one outstanding member of each school chapter, worked as an executive department for the camp and submitted to the state department a program of work based on the eight purposes of the F.H.A. organization. Miss Myrtle Parnell of LaFayette served as chairman of the council.

The enjoyable week was climaxed by two educational trips: one to Craggy Gardens, and the other to the Bltmore estate.

Campers week closed on Friday night with stunts presented by each chapter and the presentation of an F.H.A. T-shirt to the best-all-around camper elected by the campers themselves. Harnett's own Jean Howard of Benhaven school took top honors in the contest and again put Harnett county in the lime-light at Tom Brown Camp.

Urges Farmers Not To Sell Below 40c

An urgent appeal to tobacco farmers of Harnett county to take full advantage of government loans through the Flue-Cured Tobacco Cooperative Stabilization Corporation was made today by Carson Gregory of Angler, president of the Harnett County Farm Bureau Federation.

Gregory said that many farmers are now selling their tobacco below the 40 cent per pound average guaranteed support price which is made on a prorated grade basis. This is in keeping with the government's commitment to support tobacco prices at 90 per cent of parity as of June 15 each year, preceding market openings.

The tobacco farmer—the actual owner of the tobacco—is the only person who can authorize tobacco to be turned over to the Stabilization Corporation for loan purposes.

Mr. Gregory quoted from a statement by Carl T. Hicks, president of the Stabilization Corporation, in appealing to Tar Heel farmers to get a fair and stable price for this year's crop. "Many farmers do not remain with their tobacco until sale is completed. Warehousemen will cooperate by setting the time of sale to

enable the farmer to be present. He can then arrange for his tobacco to be placed under loan if the price falls below the support level."

To eliminate confusion on the warehouse floor, farmers may join the Stabilization Corporation prior to taking tobacco to market. Memberships may be obtained at the local tobacco warehouse or the Stabilization Corporation office at Raleigh.
