told the Grand Jury their faithfulness in the performance of duty would register a forward step in Tetersing orfine. Citing some of the evil influences that tend to increase the number of crimes committed, the judge recalled again his oft-repeated statement that the impressions gained in a well-ordered home will go far in shaping the life and molding the character of the youth of the land. "But the law enforcement officers and the courts can go a long way in deterring crime if only we can have the support and cooperation of all the people who are interested in justice," he declared. Judge Williams cited the heavy percentage of criminal cases whose origin is traced to liquor. "It's a mistaken notion that some people have, that we can temporizo with evil or that which brings it on," he said. as he recited to the jurors the seemingly increasing menace of d:unken driving on the thoroughfares.

### State College Alumni Holds Annual Meeting

The Harnett County State College Alumni Association held its annual meeting in the Lillington school cafeteria Wednesday, November 10, at 7 p. m.

A delightful dinner was served and officers for the coming year were elected. Dr. R. J. Preston. new head of the Division of Forestry at N. C. State College, gave an interesting discussion on how North Carolina can better utilize its forestry resources.

New alumni officers for the coming year are: W. H. Rogers, Fuquay R-1. president; R. E. Byrd, Bunnlevel, secretary; John H. Blackmon, Lillington, reporter.

Holidays

All schools of Harnett county will not observe the same number of days as holidays for Thanksgiving and Christmas.

The Board of Education decreed that seven days would be sufficient for both events. Some of the schools decided to take no days off for Thanksgiving, saving all of the holidays for Christmas. Others decided to divide the holidays, taking two for Thanksgiving and five for Christmas. The number of holidays were cut short this year due to the lateness of the opening of the schools.
