DO YOU LIKE VANILLA FLAVOR?

You probably do not if you have been using that made from Beans which is necessarily weak on account of the high cost of Beans or that made from a combination of Beans and in such clumsy proportion that you do not get the real flavor.

THOSE LONG WAITS.

"Don't you remember me, sir?" asked the caller, addressing the man at the office desk who was poring over the market report in a daily paper.

Another Matter. "Those two men over there seem to be having a heated argument. I just now heard one say something about 'that vile weed.' I'll bet he's a fool reformer abusing tobacco."

Appropriately Named. "What do you call your bulldog?" the visitor asked the farmer. "Nabi!"

POOR OLD NEWTON.

The Teacher—Newton discovered why the apple fell down. The Pupil—Did he discover what makes hair fall out?

The Difference. Oh, Pleasure is the gilded grind That holds us to a futile quest. And Happiness is what we find When we grow weary and would rest.

Explanation. "How could two such silent people ever do their courting?" "Well, she has such a speaking countenance."

They Often Do. "Gerald and Vanessa are to be married. I get the credit for making the match."

"Take all the credit you can get, my dear. In a few years they may be giving you the blame."

An Endless Supply. "You say you do it that way to save trouble?" "Yes."

"Foolish! What's the use of saving trouble when you can borrow as much as you like?"

Appropriate. Head of the Family—If nobody wants this pudding I'll just finish it off. It's a pity to waste it. Guest—My mother used to say there's nowt wasted where folks keep pigs.—Ideas.

Baseball English. Mrs. Eze—Oh, dear! It tells in the paper how a poor baseball player "died at the plate." Mrs. Wye—Killed himself by over-eating, I suppose.

UP TO DATE.

The Teacher—Willie, how did the car of Russia get rid of the Poles? Willie—He put the wires underground, I guess.

Public Office. Oh, long and arduous is the chase—How oft has history told it! You have to fight to get a place And fight still more to hold it.

His Definite Status. "The fellow who married your daughter—" "He is my son-in-law now," grimly replied Grouse P. Smith. "I don't know what he used to be."—Judge.

Clear Enough. "I can't understand that glassy stare she gave me." "Why, anybody ought to be able to see through a glassy stare."
