Ahoskie Epworth League.

On the morning of the first
Sunday in December, 1915, we
met immediately after the close
of the Sunday School, and organ-
ized an Epworth League, with en-
rollment of thirty members.

The following officers were
elected: Mr. C. L. Blount, Pres;
Mr. E. J. Gerock, Vice-Pres.; Miss
Agnes Johnson, 2nd. Vice Pres.;
Mrs. S. J. Boyette, 3rd. Vice-
President; Miss Margaret Spar-
ger, 4th. Vice President; Mr. D.
P. Boyette, Recording Secretary;
Mrs. L. S. Savage, Treasurer;
Miss Nellie Baker, Corresponding
Secretary; Mrs. D. P. Boyette,
Epworth Era Agent; Mrs. S. J.
Boyette, Organizer. Owing to the
sickness and absence of our pas-
tor, we were delayed in the instal-
lation of officers until the fourth
Sunday night in January, 1916,
which was impressively perform-
ed.

We feel that we are well orga-
nized, and are now ready to go
forward with this noble work,
which we are so much interested
in, and will gladly do all in our
power, with the Holy Spirit and
Thy Guiding Hand to make it one
of the most successful and bene-
ficial Leagues of our Conference.

We have held two very Devot-
ional Services, which the whole
congregation seemed to thro-
ughly enjoy. Our League
meets the first Sunday night in
each month, and we extend a cor-
dial invitation to the public to at-
tend.

Miss Nellie Baker, Cor. Sec.

IN MEMORIAM.

Mrs. Lucy Britton, wife of Mr.
John C. Britton died at her home
at Powellsville, Feb. 2nd follow-
ing a brief illness of pneumonia,
aged 57 years. Her death was a
great shock to her large circle of
friends, as few people even knew
she was sick. Oh! how it was to
give up this good woman, indeed
we would keep her longer if we
could, but it was God's will, and
she did her duty while she lived,
and when she could no longer live
she folded her hands across her
breast and with a sweet smile on
her face, quietly fell to sleep.
Mrs. Britton was a devoted and
faithful member of the Powells-
ville M. E. Church and was in-
deed a model church member in
every way, being an enthusiastic
worker in both church and Sun-
day school, where she will be
greatly missed and not only by the
church and the community at large
but most of all in the home which
she loved so dearly. One did not
have to stay long in her home to
learn that happiness abode there
and one will ever feel the influence
of this sweet christian character.

Mrs. Britton's home life was
ideal, the tender affection existing
between her and her husband was
indeed beautiful. She was a de-
voted wife, mother, and step-
mother, but she not only practiced
the good things of religion in her
home, but carried the spark of di-
vine love in her heart every where
she went. She had a loving heart,
a strong mind, and a clear con-
ception of duty, and her efforts to
bless and make happy did not end
in her own family, but she tried to
upbuild the community. But the
most valuable of this busy
life outside her own home, was
probably in the church where she
was such a valuable worker, as she
could always be depended on to do
her part to advance the work of
the Kingdom of God, therefore
the wisdom and ability, which she
exercised in the aid of the church
and Sunday school, by service,
contributions and high counsel,
will always be held in grateful re-
membrance, and while we mourn
her departure and faithful atten-
dance at all meetings, we rejoice
to know her sufferings are
over and she has gone to be with
her Saviour she loved so dearly,
and to reap her reward.

A good woman in name, one who
was loved by all. Our hearts'
sympathy goes out to the aged
husband, daughter, step children,
relatives and friends, and may He
who has taken away give them
His fatherly care and protection,
administering to them in all
things.
On Friday afternoon her fune-
ral was preached by Rev. L. D.
Hayman, of Windsor, among a
large concourse of sorrowing rela-
tives and friends, and her body
laid to rest in the family cemetery
to await the resurrection morn.
Since you have gone and left us
all alone,
Bowed beneath a sense of loss and
pain,
How can we live on and see you
no more,
Only for the hope that we shall
meet again.
Your sweet voice we miss from
day to day;
Will we not hear it sometime,
somewhere?
That voice that spoke so tenderly,
Yes, we'll hear it over there.
Yes, we'll hear it in that dear
home of love,
After life's trials and troubles are
o'er.
How sweet the thought of that
welcome home,
Where we'll meet our loved ones
as before.

COUNTRY SCHOOLS.

(Written by Susie Mitchell, Harrellsville School)

In regard to the country schools
I will give some of my ideas con-
cerning the subject.

First of all, the school buildings
haven't the equipment that they
should have. It is often the case
when the buildings are too small,
old and faded, a part of the win-
dow lights out, and large cracks,
it often makes it very uncomfort-
able for the pupils and teacher.

When the buildings are so small
and faded I believe some children
are often discouraged while in
their school days. And owing to
these facts, I see no reason why
the people of our county should
not wake up to the importance of
better school buildings.

I do not see why the country
school buildings should not be as
comfortable as those of towns and
cities. And another thing, the
yards should be cleaned up, and
made as attractive as possible.

In some communities the school
buildings are so far apart, and
there are no rural schools, it makes
it much to the disadvantage of
some children to get to school.
These things should be looked af-
ter also, and especially where there
is compulsory education. How-
ever, with these disadvantages,
there some very important things
that are learned at the country
schools, and many pleasant recess-
es spent with our school mates,
which will linger in our memory
for quite a while. If it were not
for the country schools there
would be so many more children
than there are that would be grow-
ing up without an education.

I guess there are some children
who were lucky enough to have al-
ways been school to some attrac-
tive building, while passing some
of the school buildings in our
county, would hardly turn their
heads toward them, owing to their
desolation, not even thinking of
the child who has not been quite
so fortunate as he.

The country boy and girl should
be educated as well as those of the
city, for I'm sure they need it just
as bad. So, let's us country girls
and boys put forth every effort
possible to make the country
what it should be.

If there are not comfortable
desks, they should be provided,
and a good library should be of
interest, too. I believe in having
individual drinking cups at school,
for it is of much importance con-
cerning our health. And the
school building should be properly
ventilated.

But, if we are not fortunate
enough to have the school we
ought, we should not get discour-
aged; but take courage, and be-
lieve what we learn to be of much
use to us in our future days.

Meeting of St. Johns Township
Teachers.

The teachers of St. Johns Town-
ship held their monthly meeting
in the St. Johns school building
on Saturday, February 26, at 10
o'clock. The meeting proved to be
of much interest.

After a round table discussion
of the methods used in teaching
geography, the different methods
of teaching spelling were discus-
sed to some extent. We were very
glad to have with us at this meet-
ing Supt. N. W. Britton; for after
the discussions were over, some-
time was spent in asking him ques-
tions in regard to the County
Commencement, in which each
teacher seemed deeply interested.
It was decided that all contestants
in the St. Johns Township should
meet at the St. Johns school build-
ing on Saturday afternoon, April
1, at 2 o'clock, for the purpose of
deciding who should represent
St. Johns Township in the decla-
mation and recitation contest at
the County Commencement.

The next Township teachers
meeting will be held March 25 at
the regular hour. And the work
for this meeting will be a round
table discussion of "How to Tell
Stories to Children."—Contributed.

NEWS AND PERSONALS FROM AULANDER.

Dramatic Contest—Concert by Music
Class—Debate at High School
—Other Personals.

Mr. Eugene V. Gaskins of
Windsor was in our city on Mon-
day of this week.

Mrs. C. W. Mitchell Jr. has re-
turned from Mackeys Ferry, N. C.
where she has been visiting her
mother for the past two weeks.

Mr. and Mrs. J. A. Burden
were in Windsor last Friday at-
tending the bedside of Mr. A.
Burden, who is reported very ill.

Misses Johnnie Lou Davis and
Ella Ruby Bell have returned to
the Winterville High School after
spending several days with their
parents.

In the dramatic contest for the
boys and girls of the seventh grade
held in the school auditorium
last Wednesday afternoon Miss
Ruth Lassiter was the winner of
the contest for the girls and Mas-
ter Joseph Burden won the lau-
rels among the boys. These two
journeyed to Conaratti Friday
afternoon and both were victori-
ous in the township contest held
at that place. This latter victory
entitles them to the privilege of
representing this township in the
county contest to be held in Wind-
sor.

Mr. Julian Wood of Kelford
was a visitor in our town last
week.

Mrs. M. E. Rice has returned
from Turkey N. C. where she has
been visiting her parents.

Little Melba Rice the daughter
of Mr. and Mrs. E. L. Rice of
this town suffered a sprained wrist
Friday afternoon in Ahoskie while
enroute to Windsor.

Mr. C. W. Mitchell was in Ral-
eigh last week on business.

The concert given by the music
class in the school auditorium last
Thursday evening was a most
credible entertainment and was
thoroughly enjoyed by the few
who were present. This small at-
tendance was certainly a disap-
pointment to the boys and girls
who had studied and rehearsed
their parts faithfully for two
weeks, to the parents of these
children who had helped them and
worked with them in making cos-
tumes, and to the teachers, who
had spent both time and energy in
rendering their skilled assistance
during the rehearsals. It was a
beautiful night and the tempera-
ture was only slightly below 50;
there were no rival attractions,
and only a small admission fee was
charged. But where were the
people of Aulander!

Prof. L. G. Bullard was taken
ill suddenly last Friday afternoon
and remains confined to his room.
A quick recovery is hoped for by
his many friends.

A large crowd attended the de-
bate held in the school auditorium
last Friday evening. Messrs.
Dwight Castellow, Gordon Tayloe,
Vernon Lassiter and Ferris Hog-
gard won the right to represent
Aulander in the triangular debate
to be held later. The paramount
issue of Preparedness was the
question discussed by these de-
baters.

There is more Catarrh in this section
of the country than all other diseases
put together, and until the last few
years was supposed to be incurable.
For a great many years doctors pro-
nounced it a local disease and pre-
scribed local remedies, and by con-
stantly failing to cure with local
treatments, pronounced it incurable.
Science has proven Catarrh to be a
constitutional disease, and therefore
requires constitutional treatment.
Hall's Catarrh Cure, manufactured by
F. J. Cheney & Co., Toledo, Ohio, is
the only Constitutional cure on the
market. It is taken internally. It
acts directly on the blood and mucous
surfaces of the system. They offer
one hundred dollars for any case
fails to cure. Send for circulars at
testimonials.
