WINTON WAVELETTES

The Winton High School opened Monday morning with a number of patrons, friends and students of the school present. Most appropriate remarks were made by Professors N. W. Britton, P. E. Shaw, J. E. Vann, Rev. Mr. Wright, and Mr. Cotton, principal of the school. Mr. Cotton made a most favorable impression on those present. Miss Royster, the only teacher of last year's faculty, with the exception of Mrs. Newsome, the music teacher, was called on and responded in a most pleasant way. We feel sure that the Winton High School has a splendid corps of teachers and that both teachers and pupils will do good work. The teachers in charge of the school this year are: Mr. Cotton of Danville, Va., Principal; Miss Esther Royster of Henderson, Assistant Principal; Miss Bert Matthews of Union, 6th and 7th grades; Miss Susie Shaw of Macon, 4th and 5th grades; Miss Eva Watford of Bertie County, 1st, 2nd and 3rd grades. Mrs. Newsome, who has had charge of the music department for the past three years and has been most faithful and earnest in her work, will have charge of that department again this year. Only one medal was offered, the one which has been given by the U. D. C. for the past several years will be given to the best scholar in the high school department.

The Betterment Association met at the home of Mrs. S. P. Taylor Friday night, September 7, for the purpose of re-organizing for the winter. Sec.; Mrs. J. W. Boone, Corresponding Secretary; Mrs. H. H. Jones, Treasurer. The Association will meet every Wednesday afternoon after the third Sunday at the school building.

The picnic given by the Winton Baptist Church was enjoyed very much by the children and a few grown people. The children spent most of the day in the river. A splendid dinner was served. Refreshing lemonade and delicious ice cream, furnished by the Sunday School, was served during the afternoon.

Mrs. A. P. Hines, who has been
