SEC. REPORT OF THE 24 ANNUAL MISS. MEETING

At Roxobel, N. C., July 31, 1918, the Twenty-fourth Annual Session of the Womens' Missionary Union of the West Chowan Association was called to order by its President, Miss Una White.

After singing "My Country 'Tis of Thee," the devotional exercises were conducted by Miss Unice Watson, of Roxobel. At the close of this Mrs. J. E. Coles in behalf of the Baptist Church, Mrs. Wilkins in behalf of the Methodist, and Mrs. Norfleet in behalf of the Episcopalian made addresses of such cordial welcome that the Union felt at home in the beginning. Our President in behalf of the Union made the response.

As Mrs. Rayner was unable to be present at the morning session to act as secretary, Mrs. E. A. Huggins was elected to take her place.

Miss White, Superintendent of the Union, gave us a brief sketch of the year's work, and her report showed much had been accomplished during the past year, but she made it clear that there is yet a great work to do.

The Union recognized the General Secretary, Miss Bertha Carroll, of Raleigh. Miss Carroll made an informal heart to heart talk on Church Building Loan Fund, and she asked West Chowan to make a memorable Loan Fund of \$1000.

Since several who were on the programme could not be present at the morning session on account of rain most of the business was put off until the afternoon.

After the appointment of committees the morning session came to a close with a prayer.

After having partaken of a bountifully prepared dinner by the people of Roxobel, the Union was again called to order by singing Hymn No. 269.

Roll was called and delegates were recognized; minutes of last meeting were read and approved.

Under the head of "Old Business" came the Sec. Treasurer's Report which showed a balance in bank for Expense Fund of \$37.43 and a balance due on Miss Johnson's salary \$73.62, but this was paid at the union and a balance in Treas. \$1.38. The Secretary read twelve points that are to be applied in awarding the associational banner. The union voted unanimously to try to win banner.

On account of sickness Mrs. Battle of Newbern could not be at the meeting but she asked for a special division meeting to be held at Newbern in November.

Mrs. R. B. Lineberry moved that we send delegates to this meeting President decided that each Co. union appoint one delegate to this meeting.

A few minutes were given for reports of societies on account of the weather only a few reported.

"Young Peoples Conference."—In charge of Mrs. R. B. Lineberry of Coleraine. She requested the union to kneel in prayer asking for guidance. She made special mention of the four junior organization, Y. W. A. Royal Ambassadors, Girls Auxiliary and Sunbeams. Several ladies responded. The keynote seemed to be a plea for more in courage along missionary lines on the part of the parents for their children. (Continued on page 8)

RESOLUTIONS

The day was far spent when the soul of Blanche Halsey Vann returned to her creator, on Friday, May 30, 1918. When the news first reached our ears it seemed impossible to believe it. Yet it passed home to our hearts, and in the stillness we knew we had lost our friend.

While a progressive woman in every respect, refined and cultured, she was never able to do much active work. For several years her health was such as to keep her at home and for the most part in bed. But her intellectual endowments, her strong personality, her ability and courage was an inspiration to us. She was historian of our chapter, and remained in that position until the death Angel whispered, "Come with me." She has left an empty place yet her loving memory will gladden our closing years.

So be it resolved:
1st. That we bow in humble submission to the divine will of our Heavenly Father.

2nd. That we deplore the death of our daughter and friend.

3rd. That the Hertford County Chapter of the U. D. C. recognize and feel keenly the loss the Chapter has sustained in the way of Council and advice, devotion and consecration to its work.

4th. That we deeply sympathize with her family in this great sorrow and loss and commend them to the Lord of all comfort, our only help in time of need.

5th. That her memory will ever live in our hearts and minds, and ever be a reminder of all that is good and pure.

6th. That a copy of these resolutions be spread upon our chapter records. A copy sent to the family and same be published in the county paper.

PRICES SET FOR COTTON GINNING

Raleigh, Aug. 21—Following the conference here of cotton producers and ginners, the purpose of which was to secure expressions from all interests involved as to what would be a fair and reasonable price for ginning, State Food Administrator Henry A. Page today made the following announcement:

A uniform charge of \$3.50 per bale of 500 pounds or less of cotton is hereby established for the ginning service in North Carolina for the 1918 season with a charge of 80 cents per hundred pounds of lint cotton for excess weight above 500 pounds.

Cost plus 10 per cent may be added for bagging and ties. Where farmers furnish their own bagging and ties no charge shall be made for covering.

It is the desire of the Food Administration that cotton bales be standardized at as near 500 pounds as possible on account of the desirability and necessity of conserving bagging and ties, transportation and labor in handling. At the same time on account of the danger to ginning machinery of pressing large bales, ginners are authorized to refuse to pack bales containing more than 575 pounds.

Ginners are authorized and expected to refuse to gin green or wet cotton.

The driest and patriotic co-operation of all producers of cotton as well as ginners is requested.

MENOLA NEWS

Our revival is in progress this week with Rev. C. J. D. Parker of Danville, Va., assisting the pastor. This is Mr. Parkers birth place and the people here are very glad to have him with us.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Parents will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

FOURTH LIBERTY LOAN BELGIAN SETS EXAMPLE BEGINS SEPTEMBER 24

The campaign for the fourth Liberty Loan will begin September 28 and close October 19. The result of the loan will be watched with keen interest in Europe, not only by our associates in the war against the Teutonic powers but by our enemies. It will be regained by them as a measure of the American people's support of the war.

The Germans know full well the tremendous weight and significance of population support of the war, of the people at home backing up the Army in the field. As the loan succeeds our enemies will rejoice, as it falls short they will be depressed. Every dollar subscribed will help and encourage the American soldier and hurt and depress the enemy of America.

The loan will be a test of the loyalty and willingness of the people of the United States to make sacrifices compared with the willingness of our soldiers to do their part. There must be and will be no failure by the people to measure up to the courage and devotion of our men in Europe. Many of them have given up their lives; shall we at home withhold our money? Shall we spare our dollars while they spare not their every lives?

A BOX FROM HOME

Drawn by Gear Williams, Division of Pictorial Publicity.

Food savings of millions of Americans during our first year of war enabled this government to send enormous food shipments abroad for our fighting forces and the Allied nations. Our savings in cereals—out of a short crop—amounted to 184,900,000 bushels; all of which was shipped to Europe. We increased our meat and fat shipments \$44,800,000 pounds. This was America's "box from home" to our army abroad and the civilians and military forces of the Allied nations.

West Raleigh, N. C. August 21. Johanna, Bertha and Clementine Fluereu, refugees from the Belgium territory which was overrun by the Huns three years ago are pointing the way to successful farming in North Carolina by becoming members of the Pig Club organization by the Agricultural Extension Service. Their came to this county, after having lost everything he had by the invasion of the Germans, and settled in the St. Pelena colony near Burgaw three years ago. Mr. Hugh McRae of Wilmington gave him the means for making the trip and sold him small one-horse farm, equipping it with absolute necessity in the way of farm implements.

Mr. Fluereu had to taught to plow but during the past three years, he has paid for his implements and has been able to support his five motherless girls. The two oldest ones are now in Wilmington making their own living and the three younger ones aged 12, 14, and 16 respectively are contented young farm-ettes because each of them has been given a pure bred Poland China pig and there by an incentive to stay at home on the farm.

Mr. R. T. Melvin, County agent for Pender County, advised Mr. Fluereu to buy these pigs for his girls and allow them to join the club after it was seen that something must be done to keep them from following their sisters to the city. According to Mr. Melvin this farmer does not dread the specter of being left alone on his farm now for the pigs have proven of much fascination to the young ladies and are receiving as much care as if they were members of the family. The girls give them the best of attention and occasionally favor them, a few hugs and kisses.
