Mr. and Mrs. E. Britt, spent Sunday in Potocasi.

Rev. P. A. Underwood is conducting a revival at Baantleys Grove, this week.

Prayer meeting is being held at the Mapleton school building every Sunday night, and we want every body to come.

Messrs Johnnie Bell, A. J. Bryant and E. J. Baily, of Como, were in Mapleton a short while Monday morning, enroute to Ahoskie, to take Mr. Clarence Beale, who is leaving for the training camp.

SOME BAD NEWS FOR BERLIN

The war news from the eastern front these days is bad news for the German people. Quotations from German newspapers portray the gloom that overhangs the people in the large cities. That the people in the small towns and country are equally depressed is not to be doubted.

The liberty loan bond buyers of the preceding have their share in the success of the entente allies. They furnished the sinews of war not only to fight the U-boats and to build ships, not only to raise, equip, and send our soldiers over, not only to supply them and our allies with food and munitions, but more than \$6,000,000,000 of their money has been loaned to our allies so that they may prosecute the war with vigor and strength.

We here at home have the opportunity of sending the Germans some more bad news. The Germans have great respect for money; they know too, that the support the American people give a Government loan measures largely the support they give their Government, the moral as well as the financial support they give their armies in the field.

A tremendous subscription to the Fourth Liberty Loan will be as distressing to the German people as a defeat for them on the battle field, and it will mean as much. It spells their defeat; it breaks their morale; it means power to their enemies. A subscription to the loan is a contribution to German defeat and American victory.

For Sale

One small farm containing 40 acres, land in high state of cultivation. Excellent water a new 8 room building for sale to white man only see me at once if interested. 3 miles south of Murfreesboro.

A small bottle Lavoptik is guaranteed to benefit EVERY CASE weak, strained or inflamed or inflamed eyes. Aluminum eye Chp FREE. Z. V. Cellamy druggist—ADV.

SUGAR MUST BE SAVED!

A teaspoonful means nothing. You say, yet a heaping teaspoonful saved, each meal, for 250 days for each of the 100,000,000 persons in the United States makes a pile as big as the Woolworth building enough to supply the entire annual needs of the nation.

For Indigestion, Constipation or Biliousness
Just try one 50-cent bottle of LAX-POS WITH PEPSIN. A Liquid Digestive Laxative pleasant to take. Made and recommended to the public by Paro Medicine Co., manufacturers of Laxative Bromo Quinine and Groves' Tasteless Chill Tonic.

War Time Sweeteners

AMERICA has several excellent war time sweeteners that will be used largely during the shortage in the sugar supply.

They are maple sugar, syrups, honey and molasses and may be used in preparing desserts and other dishes requiring sweetening.

When a cup of syrup or honey is used to replace a cup of sugar the liquid in the recipe should be decreased one-fourth. One-third of a cup of sugar is equivalent to one-third of a cup of honey, about one-half cup of syrup and about one-half cup of corn sugar. One-fourth of a cup of sugar is equal to about one-half cup of syrup or one-third cup of corn sugar. One tablespoon of sugar is equal to one tablespoon of honey, about one and one-half tablespoons of syrup and one and one-third tablespoons of corn sugar.

Sugar may be saved by the use of raisins, dates, figs, dried pears and fruit pastes used on the breakfast cereals.

Fruit marmalades, butters and jellies should be used to take the place of the ordinary sweetening at a meal and not as accessories to it. Fruits may be preserved without sugar. It may be added when sugar is more plentiful.

Preserving demands this year a thin syrup instead of a heavy syrup.

If sugar is used one-half of the amount may be replaced by another sweetener.

Drying is a means of preserving (without sugar) apples, cherries, strawberries and black caps.

When ready to use they may have added the needed sugar in the form of a syrup. When sugar is more plentiful fruit juices may be made into jellies or may be used as fruit juices with or without sugar, as beverages, fruit gelatins and frozen desserts.

Fresh fruits supply the place of sugar in the diet. They should be used freely. Desserts where sugar is scarce may be made of gelatins, junkets, custards, puddings and cakes.

LOYALTY IN WAR TIME

Loyalty in peace times and loyalty in war times are two distinct things. Not much is required to pass the loyalty test when one's country is not at war; a simple compliance with the law is all that is required.

But loyalty in war times is not a passive quality. At such a time one may be without loyalty and still not be disloyal. A person of this type will do nothing either to assist or to harm his country. He will not give himself to his country's service and he will not contribute financial support. Neither will he discourage others from doing this. He will do or say nothing treasonable, and neither will he do or say anything to put heart in the fighting force or to uphold the nation in its struggle. He will be simply a passive lookout. And that is not being loyal.

Our country is fighting in the most desperate struggle of history. It is a struggle so vast and momentous as to demand the most complete support of every one of its citizens. Passive loyalty—the loyalty of peace times—is not sufficient. The kind of loyalty now demanded is the kind that impels one to offer himself and his all, if necessary, that his country may be victorious in the great conflict.

Most of us can not go into the fighting forces; most of us can not enter into those industries directly connected with the war, but all of us can show our neighbors that we have the right brand of patriotism.

Our Government is urging upon us the necessity of saving as an essential to victory. We are told that there is not enough man power and not sufficient material in the country to win a quick victory if we continue to use this manpower and these materials as we did before the war. It is pointed out that there are now more than 2,000,000 men in the Army and Navy, and that by August 1 this number will be increased to 3,000,000 with a steady addition to that number from then on. These men not only cease to be producers, but they become consumers of a vast scale.

Thus it is that we are urged to buy only those things which we need in order that we shall not use up labor and waste materials and transportation, so vitally necessary to the Government in its war work and so much need in the manufacture of things essential to the health and efficiency of our citizens.

By following the Government's request to produce to our maximum capacity and to consume as little as possible, we shall give practical expression to our loyalty—a militant

COUNTY FAIR PREMIUM BOOK

The Hertford County Fair premium book will soon be ready to mail out, which will contain good write-ups on the County, The Bankhead Highway, The Red Cross work of the County, also the premium lists, program of the special features of the fair and advertisement of the different business houses of this and other counties.

Advertising spaces will be sold up until the fair of the month of September when the press will then take charge of the work. Parties desiring advertising space should write the secretary of the fair at Winton at once, enclosing their Ad., also their check. The space is selling at the following prices., Double page, \$10.00, single page, \$5.00, half page, \$3.00 and quarter page, \$2.00.

When sending your Ad., you might also send a cut to go with same, as it would help the Ad., in looks when the book is finished and ready to mail out over the three counties.

The book will contain about fifty to seventy five pages, when finished and will be mailed out over Bertie Northampton and Hertford.

Summer Complaint.

During the hot weather of the summer months some member of almost every family is likely to be troubled with an unnatural looseness of the bowels, and it is of the greatest importance that this be treated promptly, which can only be done when the medicine is kept at hand. Mr. F. F. Scott, Scottsville, N. Y., states, "I first used Chamberlain's Colic and Diarrhoea Remedy as much as five years ago. At that time I had a severe attack of summer complaint and was suffering intense pain one does not relieve me. Other members of my family have since used it with like results."

loyalty, the brand which stamped us as long willing, to do our part at home by sacrificing, by getting down to a war basis, by backing up our Government with all our strength. With our money savings we can then buy War Saving Stamps and perform a double service by giving the Government current funds with which to buy the labor and materials so much needed for war purpose which we have refrained from using. That is loyalty.
